Memorial Highway Designation			
Designation	Roadway	County	Entity Responsible for Installation
Police Chief Ronnie Ricketts, Sr. Memorial Highway	State Route 170	Mahoning	Village of New Middletown

The table above summarizes details about the memorial highway designated by the bill, including the location and the entity responsible for installing the signs. The cost of producing and installing signs is approximately \$1,400. Signs usually need to be replaced every 12 to 15 years.

The Ohio Department of Transportation (ODOT) produces the signs and is often responsible for the installation. However, if the memorial highway is located within municipal boundaries, as is the case with this bill, the municipality may install the signs and may need to reimburse ODOT for the production costs.
