to enact section 3318.036, and to repeal section 2
3318.32 of the Revised Code to require the 3
School Facilities Commission to give priority 4
for project funding to school districts that 5
resulted from certain types of transfers, 6
mergers, or consolidations and demonstrate an 7
efficient use of facility space as determined by 8
the Commission. 9

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That sections 3318.02, 3318.024, and 3318.30 be 10
amended and section 3318.036 of the Revised Code be enacted to 11
read as follows: 12

Sec. 3318.02. (A) For purposes of sections 3318.01 to 13
~~3318.32~~ 3318.20 of the Revised Code, the Ohio school facilities 14
commission shall periodically perform an assessment of the 15
classroom facility needs in the state to identify school 16
districts in need of additional classroom facilities, or 17
replacement or reconstruction of existent classroom facilities, 18

and the cost to each such district of constructing or acquiring 19
such additional facilities or making such renovations. 20

(B) Based upon the most recent assessment conducted 21
pursuant to division (A) of this section, the commission shall 22
conduct on-site visits to school districts identified as having 23
classroom facility needs to confirm the findings of the periodic 24
assessment and further evaluate the classroom facility needs of 25
the district. The evaluation shall assess the district's need to 26
construct or acquire new classroom facilities and may include an 27
assessment of the district's need for building additions or for 28
the reconstruction of existent buildings in lieu of constructing 29
or acquiring replacement buildings. 30

(C) (1) Except as provided in division (C) (2) of this 31
section, on-site visits performed on or after May 20, 1997, 32
shall be performed in the order specified in this division. The 33
first round of on-site visits first succeeding the effective 34
date of this amendment, May 20, 1997, shall be limited to the 35
school districts in the first through fifth percentiles, 36
excluding districts that are ineligible for funding under this 37
chapter pursuant to section 3318.04 of the Revised Code. The 38
second round of on-site visits shall be limited to the school 39
districts in the first through tenth percentiles, excluding 40
districts that are ineligible for funding under this chapter 41
pursuant to section 3318.04 of the Revised Code. Each succeeding 42
round of on-site visits shall be limited to the percentiles 43
included in the immediately preceding round of on-site visits 44
plus the next five percentiles. Except for the first round of 45
on-site visits, no round of on-site visits shall commence unless 46
eighty per cent of the districts for which on-site visits were 47
performed during the immediately preceding round, have had 48
projects approved under section 3318.04 of the Revised Code. 49

(2) Notwithstanding division (C)(1) of this section, the commission may perform on-site visits for school districts in the next highest percentile to the percentiles included in the current round of on-site visits, and then to succeeding percentiles one at a time, not to exceed the twenty-fifth percentile, if all of the following apply:

(a) Less than eighty per cent of the districts for which on-site visits were performed in the current round, and in any percentiles for which on-site visits were performed in addition to the current round pursuant to this division, have had projects approved under section 3318.04 of the Revised Code;

(b) There are funds appropriated for the purpose of sections 3318.01 to 3318.20 of the Revised Code that are not reserved and encumbered for projects pursuant to section 3318.04 of the Revised Code;

(c) The commission makes a finding that such available funds would be more thoroughly utilized if on-site visits were extended to the next highest percentile.

(D) Notwithstanding divisions (B) and (C) of this section, in any fiscal year, the commission may limit the number of districts for which it conducts on-site visits based upon its projections of the moneys available and moneys necessary to undertake projects under sections 3318.01 to ~~3318.32~~3318.20 of the Revised Code for that year.

Sec. 3318.024. In the first year of a capital biennium, any funds appropriated to the Ohio school facilities commission for classroom facilities projects under this chapter in the previous capital biennium that were not spent or encumbered, or for which an encumbrance has been canceled under section 3318.05

of the Revised Code, shall be used by the commission only for 79
projects under sections 3318.01 to 3318.20 of the Revised Code, 80
subject to appropriation by the general assembly. 81

In the second year of a capital biennium, any funds 82
appropriated to the Ohio school facilities commission for 83
classroom facilities projects under this chapter that were not 84
spent or encumbered in the first year of the biennium and which 85
are in excess of an amount equal to half of the appropriations 86
for the capital biennium, or for which an encumbrance has been 87
canceled under section 3318.05 of the Revised Code, shall be 88
used by the commission only for projects under sections 3318.01 89
to 3318.20, ~~3318.32~~, 3318.351, 3318.364, 3318.37, 3318.371, 90
3318.38, and 3318.40 to 3318.46 of the Revised Code, subject to 91
appropriation by the general assembly. 92

Sec. 3318.036. (A) For purposes of this section: 93

(1) "Eligible school district" is a city, local, or 94
exempted village school district that satisfies both of the 95
following conditions: 96

3311.22, 3311.231, 3311.24, or 3311.38 of the Revised Code; 101

(ii) The merger of two or more districts in accordance 102
with section 3311.25 of the Revised Code; 103

(iii) The creation of a new local school district from all 104

<u>(2) "Basic project cost" and "required percentage of the</u>	113

<u>of the Revised Code.</u>	115
<u>(B) Notwithstanding anything to the contrary in this</u>	116
<u>chapter:</u>	117
<u>(1) If the commission determines that a district is an</u>	118
<u>eligible school district, the commission shall give that</u>	119
<u>district first priority for funding for a project under sections</u>	120
<u>3318.01 to 3318.20 of the Revised Code as such funds become</u>	121
<u>available, regardless of the district's percentile rank under</u>	122
<u>section 3318.011 of the Revised Code. If the district results</u>	123
<u>from a transfer, merger, consolidation, or creation of a new</u>	124
<u>local district that takes effect prior to the effective date of</u>	125
<u>this section, the district's portion of the basic project cost</u>	126
<u>shall be the required percentage of the basic project cost based</u>	127

<u>Revised Code, on the date that the transfer, merger,</u>	132
<u>consolidation, or creation of the new district became effective.</u>	133
<u>(2) If an eligible school district is given priority under</u>	134
<u>division (B) (1) of this section, the commission may reduce that</u>	135

district's portion of the basic project cost by twenty-five 136

district that takes effect prior to the effective date of this 140
section, from the portion determined under division (B) (1) of 141
this section. At no time, however, shall that district's portion 142

division (B) (1) of this section, the commission may reduce that 145
district's portion of the basic project cost by ten percentage 146
points from the portion determined under section 3318.032 of the 147
Revised Code or, if the district results from a transfer, 148
merger, consolidation, or creation of a new local district that 149
takes effect prior to the effective date of this section, from 150
the portion determined under division (B) (1) of this section, if 151
the district's project satisfies the following conditions: 152

institution of higher education enter into the written agreement 162
described in division (B) (3) (b) of this section, the state 163

At no time, however, shall that district's portion of the 167
basic project cost be less than five per cent. 168

The reduction of the district's portion of the basic 169
project cost described in division (B) (3) of this section may be 170
in addition to a reduction of the district's portion of the 171
basic project cost under division (B) (2) of this section. 172

(C) Except as provided in division (B) of this section, a 173
district's project undertaken pursuant to this section shall be 174
