However, in years of a new governor's inauguration, the budget 18

bienniums for each such purpose. No alterations shall be made in 42
the requests for the legislative and judicial branches of the 43

by the state, including, but not limited to, tax deductions, 175

levied by the state; 186

(4) The provision is subject to modification or repeal by 187
an act of the general assembly. 188

(B) The department of taxation shall prepare and submit to 189
the governor not later than the first day of November in each 190
even-numbered year a report describing the effect of tax 191
expenditures on the general revenue fund. The report shall 192
contain a description of each tax expenditure under existing 193
laws and, in comparative form, a detailed estimate of the 194
approximate amount of revenue not available to the state general 195
revenue fund in each fiscal year of the current and ensuing 196
fiscal bienniums as a result of the operation of each tax 197
expenditure. The report shall be prepared in such a manner as to 198
facilitate the inclusion of the information provided by the 199
report in the governor's budget. 200

Sec. 5703.95. (A) As used in this section, "tax 201
expenditure" has the same meaning as in section 5703.48 of the 202

appointed by the speaker of the house of representatives in 208
consultation with the minority leader of the house of 209
representatives. Members described in division (B)(1) of this 210
section shall not all be members of the same party and should be 211
members of the house of representatives committee that deals 212
primarily with tax legislation; 213

(2) Three members of the senate appointed by the president 214
of the senate in consultation with the minority leader of the 215
senate. Members described in division (B)(2) of this section 216
shall not all be members of the same party and should be members 217
of the senate committee that deals primarily with tax 218

<u>legislation;</u>	219
<u>(3) The tax commissioner or the tax commissioner's</u>	220
<u>designee. The member described in division (B)(3) of this</u>	221
<u>section shall be a nonvoting member.</u>	222
<u>The speaker of the house of representatives and the</u>	223
<u>president of the senate shall make initial appointments to the</u>	224
<u>committee not later than thirty days following the effective</u>	225
<u>date of the enactment of this section. Thereafter, the terms of</u>	226
<u>the office for appointed members shall be the same as the term</u>	227
<u>of each general assembly. Members may be reappointed, provided</u>	228
<u>the member continues to meet all other eligibility requirements.</u>	229
<u>Vacancies shall be filled in the manner provided for original</u>	230
<u>appointments. Any member appointed to fill a vacancy before the</u>	231
<u>expiration of the term for which the predecessor was appointed</u>	232
<u>shall hold office as a member for the remainder of that term.</u>	233
<u>Appointed members of the committee serve at the pleasure of the</u>	234
<u>member's appointing authority and may be removed only by the</u>	235
<u>appointing authority.</u>	236
<u>(C) The tax expenditure review committee shall hold its</u>	237
<u>first meeting within ninety days after the effective date of the</u>	238
<u>enactment of this section. At the first meeting, the members</u>	239
<u>shall elect a chairperson, who shall be one of the members</u>	240
<u>described in division (B)(1) or (2) of this section. Thereafter,</u>	241
<u>the committee shall meet at least once during the first year of</u>	242
<u>each fiscal biennium to review existing tax expenditures</u>	243
<u>pursuant to division (D) of this section, provided the committee</u>	244
<u>shall hold, for any such expenditure, at least one meeting at</u>	245
<u>which a person may present to the committee evidence or</u>	246
<u>testimony related to that expenditure. Any person may submit to</u>	247
<u>the chairperson a request that the committee meet to accept</u>	248

evidence or testimony on a tax expenditure. The committee is a 249
public body for the purposes of section 121.22 of the Revised 250
Code. 251

The chairperson of the committee shall serve until the 252
thirty-first day of December of each even-numbered year. 253
Thereafter, members shall elect a new chairperson. If the 254
preceding chairperson was a member described in division (B) (1) 255
of this section, the new chairperson shall be a member described 256
in division (B) (2) of this section. If the preceding chairperson 257
was a member described in division (B) (2) of this section, the 258
new chairperson shall be a member described in division (B) (1) 259
of this section. 260

A vacancy on the committee does not impair the right of 261
the other members to exercise all the functions of the 262
committee. The presence of a majority of the voting members of 263
the committee constitutes a quorum for the conduct of business 264
of the committee. The concurrence of at least a majority of the 265
voting members of the committee is necessary for any action to 266
be taken by the committee. 267

Upon the committee's request, the department of taxation, 268
development services agency, office of budget and management, or 269
other state agency shall provide any information in its 270
possession that the committee requires to perform its duties. 271

The staff of the legislative service commission shall 272
assist the committee as directed by the committee. 273

(D) The committee shall establish a schedule for review 274
for each tax expenditure so that each expenditure is reviewed at 275
least once every eight years. The schedule may provide for the 276
review of each tax expenditure in the order the expenditures 277

were enacted or modified, beginning with the least recently 278
enacted or modified tax expenditure. Alternatively, the review 279
schedule may group tax expenditures by the individuals or 280
industries benefiting from the expenditures, the objectives of 281
each expenditure, or the policy rationale of each expenditure. 282
In its review, the committee shall make recommendations as to 283
whether each tax expenditure should be continued without 284
modification, modified, scheduled for further review at a future 285
date to consider repealing the expenditure, or repealed 286
outright. For each expenditure reviewed, the committee may 287
recommend accountability standards for the future review of the 288
expenditure. The committee may consider, when reviewing a tax 289
expenditure, any of the relevant factors described in division 290
(E) of this section. 291

(E) In conducting reviews pursuant to division (D) of this 292
section, the committee may consider the following factors: 293

(1) The number and classes of persons, organizations, 294
businesses, or types of industries that would receive the direct 295
benefit or consequences of the tax expenditure; 296

(2) The fiscal impact of the tax expenditure on state and 297
local taxing authorities, including any past fiscal effects and 298
expected future fiscal impacts of the tax expenditure in the 299
following eight-year period; 300

(3) Public policy objectives that might support the tax 301
expenditure. In researching such objectives, the committee may 302
consider the expenditure's legislative history, the tax 303
expenditure's sponsor's intent in proposing the tax expenditure, 304
or the extent to which the tax expenditure encourages or would 305
encourage business growth or relocation into the state, promotes 306
or would promote growth or retention of high-wage jobs in the 307

<u>state, or aids or would aid community stabilization.</u>	308
<u>(4) Whether the tax expenditure successfully accomplishes</u>	309
<u>any of the objectives identified in division (E)(3) of this</u>	310
<u>section;</u>	311
<u>(5) Whether the objectives identified in division (E)(3)</u>	312
<u>of this section would or could have been accomplished</u>	313
<u>successfully in the absence of the tax expenditure or with less</u>	314
<u>cost to the state or local governments;</u>	315
<u>(6) Whether the objectives identified in division (E)(3)</u>	316
<u>of this section could have been accomplished successfully</u>	317
<u>through a program that requires legislative appropriations for</u>	318
<u>funding;</u>	319
<u>(7) The extent to which the tax expenditure may provide</u>	320
<u>unintended benefits to an individual, organization, or industry</u>	321
<u>other than those the general assembly or sponsor intended or</u>	322
<u>creates an unfair competitive advantage for its recipient with</u>	323
<u>respect to other businesses in the state;</u>	324
<u>(8) The extent to which terminating the tax expenditure</u>	325
<u>may have negative effects on taxpayers that currently benefit</u>	326
<u>from the tax expenditure;</u>	327
<u>(9) The extent to which terminating the tax expenditure</u>	328
<u>may have negative or positive effects on the state's employment</u>	329
<u>and economy;</u>	330
<u>(10) The feasibility of modifying the tax expenditure to</u>	331
<u>provide for adjustment or recapture of the proceeds of the tax</u>	332
<u>expenditure if the objectives of the tax expenditure are not</u>	333
<u>fulfilled by the recipient of the tax expenditure.</u>	334
<u>(F) The committee shall prepare a report of its</u>	335

determinations under division (D) of this section and, not later 336
than the first day of July of each even-numbered year, submit a 337
copy of the report to the governor, the speaker of the house of 338
representatives, the president of the senate, the minority 339
leader of the house of representatives, and the minority leader 340
of the senate. The first report shall be submitted either in the 341
year of the effective date of this section or in the first even- 342
numbered year thereafter. If the committee maintains a web site, 343
the committee shall cause a copy of the report to be posted on 344
the web site in a form enabling access to the report by the 345
public within thirty days after the report is submitted under 346
this division. If the committee does not maintain a web site, 347
the committee shall request that the president of the senate and 348
the speaker of the house of representatives cause the report to 349
be posted on the web site of the general assembly. 350

(G) Any bill introduced in the house of representatives or 351
the senate that proposes to enact or modify one or more tax 352
expenditures should include a statement explaining the 353
objectives of the tax expenditure or its modification and the 354
sponsor's intent in proposing the tax expenditure or its 355
modification. 356

Section 2. That existing sections 107.03, 125.01, 125.071, 357
and 5703.48 of the Revised Code are hereby repealed. 358
