treatment of ~~alcoholism~~ alcohol use disorder or drug addiction, 32
prevention of relapse ~~of alcoholism or drug addiction,~~ or both. 33

~~(3) "Recovery housing" means housing for individuals 34

(B) An alcohol, drug addiction, and mental health service 39
district shall be established in any county or combination of 40
counties having a population of at least fifty thousand. With 41
the approval of the director of mental health and addiction 42
services, any county or combination of counties having a 43
population of less than fifty thousand may establish such a 44
district. Districts comprising more than one county shall be 45
known as joint-county districts. 46

The board of county commissioners of any county 47

participating in a joint-county district may submit a resolution 48
requesting withdrawal from the district together with a 49
comprehensive plan or plans that are in compliance with rules 50
adopted by the director of mental health and addiction services 51
under section 5119.22 of the Revised Code, ~~and that provide for~~ 52
~~the equitable adjustment and division of all services, assets,~~ 53
~~property, debts, and obligations, if any, of the joint county~~ 54
~~district~~ to the board of alcohol, drug addiction, and mental 55
health services, to the boards of county commissioners of each 56
county in the district, and to the director. The plan or plans 57
shall include all of the following: proposed bylaws for the 58
operation of the newly established district; a list of potential 59

the employment of an executive director of the newly established 67
district. 68

The director shall approve the plan not later than one 69

county commissioners. No county participating in a joint-county 71
~~service~~ district may withdraw from the district without the 72

nor earlier than one year after the submission of such 74
resolution unless all of the participating counties agree to an 75

Any county withdrawing from a joint-county district shall 77
continue to have levied against its tax list and duplicate any 78

tax levied by the district during the period in which the county 79

or is renewed or replaced. 81

(C) For any tax levied under section 5705.19 of the 82
Revised Code by a board of a joint-county district formed on or 83
~~after the effective date of this amendment April 3, 2023,~~ 84
revenue from the tax shall only be expended for the benefit of 85
the residents of the county from which the revenue is derived. 86
For the purpose of this division, a joint-county district is not 87
formed by virtue of a county joining or withdrawing from a 88
district or if a joint-county service district merges with 89
another joint-county district. 90

Sec. 340.02. (A) For each alcohol, drug addiction, and 91
mental health service district, there shall be appointed a board 92
of alcohol, drug addiction, and mental health services 93
~~consisting. As provided in this section, the board shall consist~~ 94
~~of eighteen members or, fifteen members, fourteen members,~~ 95
~~twelve members, or nine members. Should the board of alcohol,~~ 96
~~drug addiction, and mental health services elect to remain at~~ 97
~~eighteen members, as provided under section 340.02 of the~~ 98
~~Revised Code as it existed immediately prior to the date of this~~ 99
~~amendment, the board of alcohol, drug addiction, and mental~~ 100
~~health services and the board of county commissioners shall not~~ 101
~~be required to take any action. Should the board of alcohol,~~ 102
~~drug addiction, and mental health services elect a~~ 103
~~recommendation to become a fourteen member board, that~~ 104
~~recommendation must be approved by the board of county~~ 105
~~commissioners of the county in which the alcohol, drug~~ 106
~~addiction, and mental health district is located in order for~~ 107
~~the transition to a fourteen member board to occur. Not later~~ 108
~~than September 30, 2013, each board of alcohol, drug addiction,~~ 109

~~and mental health services wishing to become a fourteen member-~~ 110
~~board shall notify the board of county commissioners of that-~~ 111
~~recommendation. Failure of the board of county commissioners to-~~ 112
~~take action within thirty days after receipt of the-~~ 113
~~recommendation shall be deemed agreement by the board of county-~~ 114
~~commissioners to transition to a fourteen member board of-~~ 115
~~alcohol, drug addiction, and mental health services. Should the-~~ 116
~~board of county commissioners reject the recommendation, the-~~ 117
~~board of county commissioners shall adopt a resolution stating-~~ 118
~~that rejection within thirty days after receipt of the-~~ 119
~~recommendation. Upon adoption of the resolution, the board of-~~ 120
~~county commissioners shall meet with the board of alcohol, drug-~~ 121
~~addiction, and mental health services to discuss the matter.-~~ 122
~~After the meeting, the board of county commissioners shall-~~ 123
~~notify the department of mental health and addiction services of-~~ 124
~~its election not later than January 1, 2014. In a joint county-~~ 125
~~district, a majority of the boards of county commissioners must-~~ 126
~~not reject the recommendation of a joint county board to become-~~ 127
~~a fourteen member board in order for the transition to a-~~ 128
~~fourteen member board to occur. Should the joint county district-~~ 129
~~have an even number of counties, and the boards of county-~~ 130
~~commissioners of these counties tie in terms of whether or not-~~ 131
~~to accept the recommendation of the alcohol, drug addiction, and-~~ 132
~~mental health services board, the recommendation of the alcohol,-~~ 133
~~drug addiction, and mental health service board to become a-~~ 134
~~fourteen member board shall prevail. The election shall be-~~ 135
~~final. Failure to provide notice of its election to the-~~ 136
~~department on or before January 1, 2014, shall constitute an-~~ 137
~~election to continue to operate as an eighteen member board,-~~ 138
~~which election shall also be final. If an existing board-~~ 139
~~provides timely notice of its election to transition to operate-~~ 140
~~as a fourteen member board, the number of board members may-~~ 141

~~decline from eighteen to fourteen by attrition as current- 142
members' terms expire. However, the composition of the board- 143
must reflect the requirements set forth in this section for- 144
fourteen member boards. For all boards, half of the members- 145
shall be interested in mental health services and half of the 146
members shall be interested in alcohol, drug, or gambling- 147
addiction services.- 148~~

In a single-county district, the size of the board shall 149
be determined by the board of county commissioners representing 150
the county that constitutes the district. In a joint-county 151
district, the size of the board shall be determined jointly by 152
all of the boards of county commissioners representing the 153
counties that constitute the district. 154

The determination of board size shall be made by selecting 155
one of the options described in division (B) of this section. 156
After an option is selected and implemented, a subsequent 157
determination of board size may be made, except that subsequent 158
determinations shall not occur more frequently than once every 159
four calendar years. 160

If a selected option would result in a change in board 161
size, before the option may be implemented the board of county 162
commissioners or boards of county commissioners, as the case may 163
be, shall send a representative to a meeting of the board of 164
alcohol, drug addiction, and mental health services to solicit 165
feedback about the matter. After considering any feedback 166
received, the board or boards of county commissioners may 167
proceed with implementing the change in board size. If the 168
change results in a reduction of board members, the reduction 169
shall be implemented by not filling vacancies as they occur. 170

To implement a selected option that would result in the 171

establishment of a new board of alcohol, drug addiction, and 172
mental health services or in a change in size of an existing 173
board, the board or boards of county commissioners, as the case 174
may be, shall adopt a resolution specifying the board size that 175
has been selected. The board or boards of county commissioners 176
also shall notify the department of mental health and addiction 177
services of the board size that has been selected. 178

(B) (1) In the case of a board of alcohol, drug addiction, 179
and mental health services that is established on or after the 180

that county's population bears to the total population of the 217
district, except that at least one member shall be appointed 218
from each participating county. 219

supports the applicant was to provide to another community 1145
mental health services provider or community addiction services 1146
provider whose certifiable services and supports satisfy the 1147
standards. If the board does not reallocate such funds in a 1148
reasonable period of time, the director may withhold state and 1149
federal funds for the certifiable services and supports and 1150
allocate those funds directly to a community mental health 1151
services provider or community addiction services provider whose 1152
certifiable services and supports satisfy the standards. 1153

under this section shall pay a fee for the certification 1157

The director shall lift the order for the suspension of admissions if the director determines that the violation that formed the basis for the order has been corrected.	1236 1237 1238 1239 1240 1241 1242 1243 1244 1245
