her normal fee for such services or materials. Prior to 26
providing you with vision care services or vision care materials 27
that are not covered benefits, the vision care provider will 28
provide you with an estimated cost for each service or material 29
upon your request." 30

(2) For dental care coverage, include the following 31
statement: 32

"IMPORTANT: If you opt to receive dental care services 33

Sec. 1753.09. (A) Except as provided in division (D) of 56
this section, prior to terminating the participation of a 57
provider on the basis of the participating provider's failure to 58
meet the health insuring corporation's standards for quality or 59
utilization in the delivery of health care services, a health 60
insuring corporation shall give the participating provider 61
notice of the reason or reasons for its decision to terminate 62
the provider's participation and an opportunity to take 63
corrective action. The health insuring corporation shall develop 64
a performance improvement plan in conjunction with the 65
participating provider. If after being afforded the opportunity 66
to comply with the performance improvement plan, the 67
participating provider fails to do so, the health insuring 68
corporation may terminate the participation of the provider. 69

(B) (1) A participating provider whose participation has 70
been terminated under division (A) of this section may appeal 71
the termination to the appropriate medical director of the 72
health insuring corporation. The medical director shall give the 73

medical director the reason or reasons for the termination. 75

(2) If a satisfactory resolution of a participating 76
provider's appeal cannot be reached under division (B) (1) of 77

this section, the participating provider may appeal the 78
termination to a panel composed of participating providers who 79
have comparable or higher levels of education and training than 80
the participating provider making the appeal. A representative 81
of the participating provider's specialty shall be a member of 82
the panel, if possible. This panel shall hold a hearing, and 83
shall render its recommendation in the appeal within thirty days 84
after holding the hearing. The recommendation shall be presented 85
to the medical director and to the participating provider. 86

(3) The medical director shall review and consider the 87
panel's recommendation before making a decision. The decision 88
rendered by the medical director shall be final. 89

(C) A provider's status as a participating provider shall 90
remain in effect during the appeal process set forth in division 91
(B) of this section unless the termination was based on any of 92
the reasons listed in division (D) of this section. 93

(D) Notwithstanding division (A) of this section, a 94
provider's participation may be immediately terminated if the 95
participating provider's conduct presents an imminent risk of 96
harm to an enrollee or enrollees; or if there has occurred 97
unacceptable quality of care, fraud, patient abuse, loss of 98
clinical privileges, loss of professional liability coverage, 99
incompetence, or loss of authority to practice in the 100
participating provider's field; or if a governmental action has 101
impaired the participating provider's ability to practice. 102

(E) Divisions (A) to (D) of this section apply only to 103
providers who are natural persons. 104

(F) (1) Nothing in this section prohibits a health insuring 105
corporation from rejecting a provider's application for 106

participation, or from terminating a participating provider's 107
contract, if the health insuring corporation determines that the 108
health care needs of its enrollees are being met and no need 109
exists for the provider's or participating provider's services. 110

(2) Nothing in this section shall be construed as 111
prohibiting a health insuring corporation from terminating a 112
participating provider who does not meet the terms and 113
conditions of the participating provider's contract. 114

(3) Nothing in this section shall be construed as 115
prohibiting a health insuring corporation from terminating a 116
participating provider's contract pursuant to any provision of 117
the contract described in division ~~(F) (2)~~ (G) (2) of section 118
3963.02 of the Revised Code, except that, notwithstanding any 119
provision of a contract described in that division, this section 120
applies to the termination of a participating provider's 121
contract for any of the causes described in divisions (A), (D), 122
and (F) (1) and (2) of this section. 123

(G) The superintendent of insurance may adopt rules as 124
necessary to implement and enforce sections 1753.06, 1753.07, 125
and 1753.09 of the Revised Code. Such rules shall be adopted in 126
accordance with Chapter 119. of the Revised Code. 127

Sec. 3901.21. The following are hereby defined as unfair 128
and deceptive acts or practices in the business of insurance: 129

(A) Making, issuing, circulating, or causing or permitting 130
to be made, issued, or circulated, or preparing with intent to 131
so use, any estimate, illustration, circular, or statement 132
misrepresenting the terms of any policy issued or to be issued 133
or the benefits or advantages promised thereby or the dividends 134
or share of the surplus to be received thereon, or making any 135

false or misleading statements as to the dividends or share of 136
surplus previously paid on similar policies, or making any 137
misleading representation or any misrepresentation as to the 138
financial condition of any insurer as shown by the last 139
preceding verified statement made by it to the insurance 140
department of this state, or as to the legal reserve system upon 141
which any life insurer operates, or using any name or title of 142
any policy or class of policies misrepresenting the true nature 143
thereof, or making any misrepresentation or incomplete 144
comparison to any person for the purpose of inducing or tending 145
to induce such person to purchase, amend, lapse, forfeit, 146
change, or surrender insurance. 147

Any written statement concerning the premiums for a policy 148
which refers to the net cost after credit for an assumed 149
dividend, without an accurate written statement of the gross 150
premiums, cash values, and dividends based on the insurer's 151
current dividend scale, which are used to compute the net cost 152
for such policy, and a prominent warning that the rate of 153
dividend is not guaranteed, is a misrepresentation for the 154
purposes of this division. 155

(B) Making, publishing, disseminating, circulating, or 156
placing before the public or causing, directly or indirectly, to 157
be made, published, disseminated, circulated, or placed before 158
the public, in a newspaper, magazine, or other publication, or 159
in the form of a notice, circular, pamphlet, letter, or poster, 160
or over any radio station, or in any other way, or preparing 161
with intent to so use, an advertisement, announcement, or 162
statement containing any assertion, representation, or 163
statement, with respect to the business of insurance or with 164
respect to any person in the conduct of the person's insurance 165
business, which is untrue, deceptive, or misleading. 166

(C) Making, publishing, disseminating, or circulating, 167
directly or indirectly, or aiding, abetting, or encouraging the 168
making, publishing, disseminating, or circulating, or preparing 169
with intent to so use, any statement, pamphlet, circular, 170
article, or literature, which is false as to the financial 171
condition of an insurer and which is calculated to injure any 172
person engaged in the business of insurance. 173

(D) Filing with any supervisory or other public official, 174
or making, publishing, disseminating, circulating, or delivering 175
to any person, or placing before the public, or causing directly 176
or indirectly to be made, published, disseminated, circulated, 177
delivered to any person, or placed before the public, any false 178
statement of financial condition of an insurer. 179

Making any false entry in any book, report, or statement 180
of any insurer with intent to deceive any agent or examiner 181
lawfully appointed to examine into its condition or into any of 182
its affairs, or any public official to whom such insurer is 183
required by law to report, or who has authority by law to 184
examine into its condition or into any of its affairs, or, with 185
like intent, willfully omitting to make a true entry of any 186
material fact pertaining to the business of such insurer in any 187
book, report, or statement of such insurer, or mutilating, 188
destroying, suppressing, withholding, or concealing any of its 189
records. 190

(E) Issuing or delivering or permitting agents, officers, 191
or employees to issue or deliver agency company stock or other 192
capital stock or benefit certificates or shares in any common- 193
law corporation or securities or any special or advisory board 194
contracts or other contracts of any kind promising returns and 195
profits as an inducement to insurance. 196

(F) Except as provided in section 3901.213 of the Revised Code, making or permitting any unfair discrimination among individuals of the same class and equal expectation of life in the rates charged for any contract of life insurance or of life annuity or in the dividends or other benefits payable thereon, or in any other of the terms and conditions of such contract.

(G) (1) Except as otherwise expressly provided by law, including as provided in section 3901.213 of the Revised Code, knowingly permitting or offering to make or making any contract of life insurance, life annuity or accident and health insurance, or agreement as to such contract other than as plainly expressed in the contract issued thereon, or paying or allowing, or giving or offering to pay, allow, or give, directly or indirectly, as inducement to such insurance, or annuity, any rebate of premiums payable on the contract, or any special favor or advantage in the dividends or other benefits thereon, or any valuable consideration or inducement whatever not specified in the contract; or giving, or selling, or purchasing, or offering to give, sell, or purchase, as inducement to such insurance or annuity or in connection therewith, any stocks, bonds, or other securities, or other obligations of any insurance company or other corporation, association, or partnership, or any dividends or profits accrued thereon, or anything of value whatsoever not specified in the contract.

(2) An insurer, producer, or representative of either shall not offer or provide insurance as an inducement to the purchase of another policy of insurance and shall not use the words "free" or "no cost," or words of similar import, to such effect in an advertisement.

(H) Making, issuing, circulating, or causing or permitting

to be made, issued, or circulated, or preparing with intent to 227
so use, any statement to the effect that a policy of life 228
insurance is, is the equivalent of, or represents shares of 229
capital stock or any rights or options to subscribe for or 230
otherwise acquire any such shares in the life insurance company 231
issuing that policy or any other company. 232

(I) Making, issuing, circulating, or causing or permitting 233
to be made, issued or circulated, or preparing with intent to so 234
issue, any statement to the effect that payments to a 235
policyholder of the principal amounts of a pure endowment are 236
other than payments of a specific benefit for which specific 237
premiums have been paid. 238

(J) Making, issuing, circulating, or causing or permitting 239
to be made, issued, or circulated, or preparing with intent to 240
so use, any statement to the effect that any insurance company 241
was required to change a policy form or related material to 242
comply with Title XXXIX of the Revised Code or any regulation of 243
the superintendent of insurance, for the purpose of inducing or 244
intending to induce any policyholder or prospective policyholder 245
to purchase, amend, lapse, forfeit, change, or surrender 246
insurance. 247

(K) Aiding or abetting another to violate this section. 248

(L) Refusing to issue any policy of insurance, or 249
canceling or declining to renew such policy because of the sex 250
or marital status of the applicant, prospective insured, 251
insured, or policyholder. 252

(M) Making or permitting any unfair discrimination between 253
individuals of the same class and of essentially the same hazard 254
in the amount of premium, policy fees, or rates charged for any 255

policy or contract of insurance, other than life insurance, or 256
in the benefits payable thereunder, or in underwriting standards 257
and practices or eligibility requirements, or in any of the 258
terms or conditions of such contract, or in any other manner 259
whatever. 260

(N) Refusing to make available disability income insurance 261
solely because the applicant's principal occupation is that of 262
managing a household. 263

(O) Refusing, when offering maternity benefits under any 264
individual or group sickness and accident insurance policy, to 265
make maternity benefits available to the policyholder for the 266
individual or individuals to be covered under any comparable 267
policy to be issued for delivery in this state, including family 268
members if the policy otherwise provides coverage for family 269
members. Nothing in this division shall be construed to prohibit 270
an insurer from imposing a reasonable waiting period for such 271
benefits under an individual sickness and accident insurance 272
policy issued to an individual who is not a federally eligible 273
individual or a nonemployer-related group sickness and accident 274
insurance policy, but in no event shall such waiting period 275
exceed two hundred seventy days. 276

For purposes of division (O) of this section, "federally 277
eligible individual" means an eligible individual as defined in 278
45 C.F.R. 148.103. 279

(P) Using, or permitting to be used, a pattern settlement 280
as the basis of any offer of settlement. As used in this 281
division, "pattern settlement" means a method by which liability 282
is routinely imputed to a claimant without an investigation of 283
the particular occurrence upon which the claim is based and by 284
using a predetermined formula for the assignment of liability 285

arising out of occurrences of a similar nature. Nothing in this 286
division shall be construed to prohibit an insurer from 287
determining a claimant's liability by applying formulas or 288
guidelines to the facts and circumstances disclosed by the 289
insurer's investigation of the particular occurrence upon which 290
a claim is based. 291

(Q) Refusing to insure, or refusing to continue to insure, 292
or limiting the amount, extent, or kind of life or sickness and 293
accident insurance or annuity coverage available to an 294
individual, or charging an individual a different rate for the 295
same coverage solely because of blindness or partial blindness. 296
With respect to all other conditions, including the underlying 297
cause of blindness or partial blindness, persons who are blind 298
or partially blind shall be subject to the same standards of 299
sound actuarial principles or actual or reasonably anticipated 300
actuarial experience as are sighted persons. Refusal to insure 301
includes, but is not limited to, denial by an insurer of 302
disability insurance coverage on the grounds that the policy 303
defines "disability" as being presumed in the event that the 304
eyesight of the insured is lost. However, an insurer may exclude 305
from coverage disabilities consisting solely of blindness or 306
partial blindness when such conditions existed at the time the 307
policy was issued. To the extent that the provisions of this 308
division may appear to conflict with any provision of section 309
3999.16 of the Revised Code, this division applies. 310

(R) (1) Directly or indirectly offering to sell, selling, 311
or delivering, issuing for delivery, renewing, or using or 312
otherwise marketing any policy of insurance or insurance product 313
in connection with or in any way related to the grant of a 314
student loan guaranteed in whole or in part by an agency or 315
commission of this state or the United States, except insurance 316

that is required under federal or state law as a condition for 317
obtaining such a loan and the premium for which is included in 318
the fees and charges applicable to the loan; or, in the case of 319
an insurer or insurance agent, knowingly permitting any lender 320
making such loans to engage in such acts or practices in 321
connection with the insurer's or agent's insurance business. 322

(2) Except in the case of a violation of division (G) of 323
this section, division (R)(1) of this section does not apply to 324
either of the following: 325

(a) Acts or practices of an insurer, its agents, 326
representatives, or employees in connection with the grant of a 327
guaranteed student loan to its insured or the insured's spouse 328
or dependent children where such acts or practices take place 329
more than ninety days after the effective date of the insurance; 330

(b) Acts or practices of an insurer, its agents, 331
representatives, or employees in connection with the 332
solicitation, processing, or issuance of an insurance policy or 333
product covering the student loan borrower or the borrower's 334
spouse or dependent children, where such acts or practices take 335
place more than one hundred eighty days after the date on which 336
the borrower is notified that the student loan was approved. 337

(S) Denying coverage, under any health insurance or health 338
care policy, contract, or plan providing family coverage, to any 339
natural or adopted child of the named insured or subscriber 340
solely on the basis that the child does not reside in the 341
household of the named insured or subscriber. 342

(T)(1) Using any underwriting standard or engaging in any 343
other act or practice that, directly or indirectly, due solely 344
to any health status-related factor in relation to one or more 345

individuals, does either of the following:	346
(a) Terminates or fails to renew an existing individual policy, contract, or plan of health benefits, or a health benefit plan issued to an employer, for which an individual would otherwise be eligible;	347 348 349 350
(b) With respect to a health benefit plan issued to an employer, excludes or causes the exclusion of an individual from coverage under an existing employer-provided policy, contract, or plan of health benefits.	351 352 353 354
(2) The superintendent of insurance may adopt rules in accordance with Chapter 119. of the Revised Code for purposes of implementing division (T) (1) of this section.	355 356 357
(3) For purposes of division (T) (1) of this section, "health status-related factor" means any of the following:	358 359
(a) Health status;	360
(b) Medical condition, including both physical and mental illnesses;	361 362
(c) Claims experience;	363
(d) Receipt of health care;	364
(e) Medical history;	365
(f) Genetic information;	366
(g) Evidence of insurability, including conditions arising out of acts of domestic violence;	367 368
(h) Disability.	369
(U) With respect to a health benefit plan issued to a small employer, as those terms are defined in section 3924.01 of	370 371

the Revised Code, negligently or willfully placing coverage for 372
adverse risks with a certain carrier, as defined in section 373
3924.01 of the Revised Code. 374

(V) Using any program, scheme, device, or other unfair act 375
or practice that, directly or indirectly, causes or results in 376
the placing of coverage for adverse risks with another carrier, 377
as defined in section 3924.01 of the Revised Code. 378

(W) Failing to comply with section 3923.23, 3923.231, 379
3923.232, 3923.233, or 3923.234 of the Revised Code by engaging 380
in any unfair, discriminatory reimbursement practice. 381

(X) Intentionally establishing an unfair premium for, or 382
misrepresenting the cost of, any insurance policy financed under 383
a premium finance agreement of an insurance premium finance 384
company. 385

(Y) (1) (a) Limiting coverage under, refusing to issue, 386
canceling, or refusing to renew, any individual policy or 387
contract of life insurance, or limiting coverage under or 388
refusing to issue any individual policy or contract of health 389
insurance, for the reason that the insured or applicant for 390
insurance is or has been a victim of domestic violence; 391

(b) Adding a surcharge or rating factor to a premium of 392
any individual policy or contract of life or health insurance 393
for the reason that the insured or applicant for insurance is or 394
has been a victim of domestic violence; 395

(c) Denying coverage under, or limiting coverage under, 396
any policy or contract of life or health insurance, for the 397
reason that a claim under the policy or contract arises from an 398
incident of domestic violence; 399

(d) Inquiring, directly or indirectly, of an insured 400

under, or of an applicant for, a policy or contract of life or 401
health insurance, as to whether the insured or applicant is or 402
has been a victim of domestic violence, or inquiring as to 403
whether the insured or applicant has sought shelter or 404
protection from domestic violence or has sought medical or 405
psychological treatment as a victim of domestic violence. 406

(2) Nothing in division (Y) (1) of this section shall be 407
construed to prohibit an insurer from inquiring as to, or from 408
underwriting or rating a risk on the basis of, a person's 409
physical or mental condition, even if the condition has been 410
caused by domestic violence, provided that all of the following 411
apply: 412

(a) The insurer routinely considers the condition in 413
underwriting or in rating risks, and does so in the same manner 414
for a victim of domestic violence as for an insured or applicant 415
who is not a victim of domestic violence; 416

(b) The insurer does not refuse to issue any policy or 417
contract of life or health insurance or cancel or refuse to 418
renew any policy or contract of life insurance, solely on the 419
basis of the condition, except where such refusal to issue, 420
cancellation, or refusal to renew is based on sound actuarial 421
principles or is related to actual or reasonably anticipated 422
experience; 423

(c) The insurer does not consider a person's status as 424
being or as having been a victim of domestic violence, in 425
itself, to be a physical or mental condition; 426

(d) The underwriting or rating of a risk on the basis of 427
the condition is not used to evade the intent of division (Y) (1) 428
of this section, or of any other provision of the Revised Code. 429

(3) (a) Nothing in division (Y) (1) of this section shall be 430
construed to prohibit an insurer from refusing to issue a policy 431
or contract of life insurance insuring the life of a person who 432
is or has been a victim of domestic violence if the person who 433
committed the act of domestic violence is the applicant for the 434
insurance or would be the owner of the insurance policy or 435
contract. 436

(b) Nothing in division (Y) (2) of this section shall be 437
construed to permit an insurer to cancel or refuse to renew any 438
policy or contract of health insurance in violation of the 439
"Health Insurance Portability and Accountability Act of 1996," 440
110 Stat. 1955, 42 U.S.C.A. 300gg-41(b), as amended, or in a 441
manner that violates or is inconsistent with any provision of 442
the Revised Code that implements the "Health Insurance 443
Portability and Accountability Act of 1996." 444

(4) An insurer is immune from any civil or criminal 445
liability that otherwise might be incurred or imposed as a 446
result of any action taken by the insurer to comply with 447
division (Y) of this section. 448

(5) As used in division (Y) of this section, "domestic 449
violence" means any of the following acts: 450

(a) Knowingly causing or attempting to cause physical harm 451
to a family or household member; 452

(b) Recklessly causing serious physical harm to a family 453
or household member; 454

(c) Knowingly causing, by threat of force, a family or 455
household member to believe that the person will cause imminent 456
physical harm to the family or household member. 457

For the purpose of division (Y) (5) of this section, 458

"family or household member" has the same meaning as in section 459
2919.25 of the Revised Code. 460

Nothing in division (Y) (5) of this section shall be 461
construed to require, as a condition to the application of 462
division (Y) of this section, that the act described in division 463
(Y) (5) of this section be the basis of a criminal prosecution. 464

(Z) Disclosing a coroner's records by an insurer in 465
violation of section 313.10 of the Revised Code. 466

(AA) Making, issuing, circulating, or causing or 467
permitting to be made, issued, or circulated any statement or 468
representation that a life insurance policy or annuity is a 469
contract for the purchase of funeral goods or services. 470

(BB) With respect to a health care contract as defined in 471
section 3963.01 of the Revised Code that covers vision or dental 472
services, as defined in that section, including any of the 473
contract terms prohibited under or failing to make the 474
disclosures required under division (E) or (F) of section 475
3963.02 of the Revised Code. 476

(CC) With respect to private passenger automobile 477

(a) or (b) of this section, then the contracting entity shall 1131

The information in the summary disclosure form shall refer to the location in the health care contract, whether a page number, section of the contract, appendix, or other identifiable location, that specifies the provisions in the contract to which the information in the form refers.

(2) The summary disclosure form shall include all of the following statements:

found to have committed a violation listed in division (A) of 1365
this section and the manager, proprietor, operator, or conductor 1366
knew of the violation and permitted it to occur on a recurring 1367
basis. 1368

(C) Subject to Chapter 119. of the Revised Code, the board 1369

(A) and (B) of this section exist: 1372

(1) Censure the license or certificate holder; 1373

(2) Place the license or certificate on probationary 1374

(D) If the physical or mental condition of an applicant or	1399

The physical examination may be conducted by any individual 1404

holder's license or certificate, without a prior hearing being 1418
afforded by the board, until the board conducts an adjudication 1419
hearing pursuant to Chapter 119. of the Revised Code. If the 1420
court temporarily suspends a holder's license or certificate, 1421
the board shall give written notice of the suspension personally 1422

another jurisdiction for any substantially equivalent criminal 1436

the holder under this chapter is automatically suspended, as of 1439
the date of the guilty plea, conviction, or judicial finding, 1440
whether the proceedings are brought in this state or another 1441
jurisdiction. Continued practice by an individual after the 1442
suspension of the individual's certificate or license under this 1443
division shall be considered practicing without a certificate or 1444
license. The board shall notify the suspended individual of the 1445
suspension of the individual's certificate or license under this 1446
division by certified mail or in person in accordance with 1447
section 119.07 of the Revised Code. If an individual whose 1448
certificate or license is suspended under this division fails to 1449
make a timely request for an adjudicatory hearing, the board 1450
shall enter a final order revoking the individual's certificate 1451
or license. 1452

(G) If the supervisory investigative panel determines both 1453
of the following, the panel may recommend that the board suspend 1454
an individual's certificate or license without a prior hearing: 1455
