emergencies, inoperability of school buses or other equipment necessary to the school's operation, damage to a school building, or other temporary circumstances due to utility failure rendering the school building unfit for school use.

Prior to the first day of August of each school year, the governing authority of any community school established under Chapter 3314. that is not an internet- or computer-based community school, as defined in section 3314.02 of the Revised Code, may adopt a plan to require students to access and complete classroom lessons posted on the school's web portal or web site in order to make up hours in that school year on which it is necessary to close the school for any of the reasons specified in division (H)(4) of section 3314.08 of the Revised Code so that the school is in compliance with the minimum number of hours required under Chapter 3314. of the Revised Code.

Those options may include additional online lessons, planned student internships, student projects, or other options specified by the board in its plan.

The form shall require the following information:

(1) An estimate of the number of new employees whom the enterprise intends to hire, or of the number of employees whom the enterprise intends to retain, within the zone at a facility that is a project site, and an estimate of the amount of payroll of the enterprise attributable to these employees;

(2) An estimate of the amount to be invested by the enterprise to establish, expand, renovate, or occupy a facility, including investment in new buildings, additions or improvements to existing buildings, machinery, equipment, furniture, fixtures, and inventory;

(3) A listing of the enterprise's current investment, if any, in a facility as of the date of the proposal's submission.

The enterprise shall review and update the listings required under this division to reflect material changes, and any agreement entered into under division (C) of this section shall set forth final estimates and listings as of the time the agreement is entered into. The legislative authority may, on a separate form and at any time, require any additional information necessary to determine whether an enterprise is in compliance with an agreement and to collect the information required to be reported under section 5709.68 of the Revised Code.

(C) Upon receipt and investigation of a proposal under division (B) of this section, if the legislative authority finds that the enterprise submitting the proposal is qualified by financial responsibility and business experience to create and preserve employment opportunities in the zone and improve the economic climate of the municipal corporation, the legislative authority may do one of the following:

(1) Enter into an agreement with the enterprise under which the enterprise agrees to establish, expand, renovate, or occupy a facility and hire new employees, or preserve employment opportunities for existing employees, in return for one or more of the following incentives:

(a) Exemption for a specified number of years, not to exceed fifteen, of a specified portion, up to seventy-five per cent, of the assessed value of tangible personal property first used in business at the project site as a result of the agreement. If an exemption for inventory is specifically granted in the agreement pursuant to this division, the exemption applies to inventory required to be listed pursuant to sections 5711.15 and 5711.16 of the Revised Code, except that, in the instance of an expansion or other situations in which an enterprise was in business at the facility prior to the establishment of the zone, the inventory that is exempt is that amount or value of inventory in excess of the amount or value of inventory required to be listed in the personal property tax return of the enterprise in the return for the tax year in which the agreement is entered into.

(b) Exemption for a specified number of years, not to exceed fifteen, of a specified portion, up to seventy-five per cent, of the increase in the assessed valuation of real property constituting the project site subsequent to formal approval of the agreement by the legislative authority;

(c) Provision for a specified number of years, not to exceed fifteen, of any optional services

or assistance that the municipal corporation is authorized to provide with regard to the project site.

(2) Enter into an agreement under which the enterprise agrees to remediate an environmentally contaminated facility, to spend an amount equal to at least two hundred fifty per cent of the true value in money of the real property of the facility prior to remediation as determined for the purposes of property taxation to establish, expand, renovate, or occupy the remediated facility, and to hire new employees or preserve employment opportunities for existing employees at the remediated facility, in return for one or more of the following incentives:

(a) Exemption for a specified number of years, not to exceed fifteen, of a specified portion, not to exceed fifty per cent, of the assessed valuation of the real property of the facility prior to remediation;

(b) Exemption for a specified number of years, not to exceed fifteen, of a specified portion, not to exceed one hundred per cent, of the increase in the assessed valuation of the real property of the facility during or after remediation;

(c) The incentive under division (C)(1)(a) of this section, except that the percentage of the assessed value of such property exempted from taxation shall not exceed one hundred per cent;

(d) The incentive under division (C)(1)(c) of this section.

(3) Enter into an agreement with an enterprise that plans to purchase and operate a large manufacturing facility that has ceased operation or announced its intention to cease operation, in return for exemption for a specified number of years, not to exceed fifteen, of a specified portion, up to one hundred per cent, of the assessed value of tangible personal property used in business at the project site as a result of the agreement, or of the assessed valuation of real property constituting the project site, or both.

(D)(1) Notwithstanding divisions (C)(1)(a) and (b) of this section, the portion of the assessed value of tangible personal property or of the increase in the assessed valuation of real property exempted from taxation under those divisions may exceed seventy-five per cent in any year for which that portion is exempted if the average percentage exempted for all years in which the agreement is in effect does not exceed sixty per cent, or if the board of education of the city, local, or exempted village school district within the territory of which the property is or will be located approves a percentage in excess of seventy-five per cent.

(2) Notwithstanding any provision of the Revised Code to the contrary, the exemptions described in divisions (C)(1)(a), (b), and (c), (C)(2)(a), (b), and (c), and (C)(3) of this section may be for up to fifteen years if the board of education of the city, local, or exempted village school district within the territory of which the property is or will be located approves a number of years in excess of ten.

(3) For the purpose of obtaining the approval of a city, local, or exempted village school district under division (D)(1) or (2) of this section, the legislative authority shall deliver to the board of education a notice not later than forty-five days prior to approving the agreement, excluding Saturdays, Sundays, and legal holidays as defined in section 1.14 of the Revised Code. The notice shall state the percentage to be exempted, an estimate of the true value of the property to be exempted, and the number of years the property is to be exempted. The board of education, by resolution adopted by a majority of the board, shall approve or disapprove the agreement and certify a copy of the resolution to the legislative authority not later than fourteen days prior to the date

stipulated by the legislative authority as the date upon which approval of the agreement is to be formally considered by the legislative authority. The board of education may include in the resolution conditions under which the board would approve the agreement, including the execution of an agreement to compensate the school district under division (B) of section 5709.82 of the Revised Code. The legislative authority may approve the agreement at any time after the board of education certifies its resolution approving the agreement to the legislative authority, or, if the board approves the agreement conditionally, at any time after the conditions are agreed to by the board and the legislative authority. If an agreement is negotiated between the legislative authority and the board to compensate the school district for all or part of the taxes exempted, the legislative authority shall compensate the joint vocational school district within which the property is located at the same rate and under the same terms received by the city, local, or exempted village school district.

If a board of education has adopted a resolution waiving its right to approve agreements and the resolution remains in effect, approval of an agreement by the board is not required under this division. If a board of education has adopted a resolution allowing a legislative authority to deliver the notice required under this division fewer than forty-five business days prior to the legislative authority's approval of the agreement, the legislative authority shall deliver the notice to the board not later than the number of days prior to such approval as prescribed by the board in its resolution. If a board of education adopts a resolution waiving its right to approve agreements or shortening the notification period, the board shall certify a copy of the resolution to the legislative authority. If the board of education rescinds such a resolution, it shall certify notice of the rescission to the legislative authority.

(4) The legislative authority shall comply with section 5709.83 of the Revised Code unless the board of education has adopted a resolution under that section waiving its right to receive such notice.

(E) This division applies to zones certified by the director of development services under this section prior to July 22, 1994.

The legislative authority that designated a zone to which this division applies may enter into an agreement with an enterprise if the legislative authority finds that the enterprise satisfies one of the criteria described in divisions (E)(1) to (5) of this section:

(1) The enterprise currently has no operations in this state and, subject to approval of the agreement, intends to establish operations in the zone;

(2) The enterprise currently has operations in this state and, subject to approval of the agreement, intends to establish operations at a new location in the zone that would not result in a reduction in the number of employee positions at any of the enterprise's other locations in this state;

(3) The enterprise, subject to approval of the agreement, intends to relocate operations, currently located in another state, to the zone;

(4) The enterprise, subject to approval of the agreement, intends to expand operations at an existing site in the zone that the enterprise currently operates;

(5) The enterprise, subject to approval of the agreement, intends to relocate operations, currently located in this state, to the zone, and the director of development services has issued a waiver for the enterprise under division (B) of section 5709.633 of the Revised Code.

The agreement shall require the enterprise to agree to establish, expand, renovate, or occupy a

facility in the zone and hire new employees, or preserve employment opportunities for existing employees, in return for one or more of the incentives described in division (C) of this section.

(F) All agreements entered into under this section shall be in the form prescribed under section 5709.631 of the Revised Code. After an agreement is entered into under this section, if the legislative authority revokes its designation of a zone, or if the director of development services revokes a zone's certification, any entitlements granted under the agreement shall continue for the number of years specified in the agreement.

(G) Except as otherwise provided in this division, an agreement entered into under this section shall require that the enterprise pay an annual fee equal to the greater of one per cent of the dollar value of incentives offered under the agreement or five hundred dollars; provided, however, that if the value of the incentives exceeds two hundred fifty thousand dollars, the fee shall not exceed two thousand five hundred dollars. The fee shall be payable to the legislative authority once per year for each year the agreement is effective on the days and in the form specified in the agreement. Fees paid shall be deposited in a special fund created for such purpose by the legislative authority and shall be used by the legislative authority exclusively for the purpose of complying with section 5709.68 of the Revised Code and by the tax incentive review council created under section 5709.85 of the Revised Code exclusively for the purposes of performing the duties prescribed under that section. The legislative authority may waive or reduce the amount of the fee charged against an enterprise, but such a waiver or reduction does not affect the obligations of the legislative authority or the tax incentive review council to comply with section 5709.68 or 5709.85 of the Revised Code.

(H) When an agreement is entered into pursuant to this section, the legislative authority authorizing the agreement shall forward a copy of the agreement to the director of development services and to the tax commissioner within fifteen days after the agreement is entered into. If any agreement includes terms not provided for in section 5709.631 of the Revised Code affecting the revenue of a city, local, ~~or~~ exempted village, or joint vocational school district or causing revenue to be forgone by the district, including any compensation to be paid to the school district pursuant to section 5709.82 of the Revised Code, those terms also shall be forwarded in writing to the director of development services along with the copy of the agreement forwarded under this division.

(I) After an agreement is entered into, the enterprise shall file with each personal property tax return required to be filed, or annual report required to be filed under section 5727.08 of the Revised Code, while the agreement is in effect, an informational return, on a form prescribed by the tax commissioner for that purpose, setting forth separately the property, and related costs and values, exempted from taxation under the agreement.

(J) Enterprises may agree to give preference to residents of the zone within which the agreement applies relative to residents of this state who do not reside in the zone when hiring new employees under the agreement.

(K) An agreement entered into under this section may include a provision requiring the enterprise to create one or more temporary internship positions for students enrolled in a course of study at a school or other educational institution in the vicinity, and to create a scholarship or provide another form of educational financial assistance for students holding such a position in exchange for the student's commitment to work for the enterprise at the completion of the internship.

(L) The tax commissioner's authority in determining the accuracy of any exemption granted

by an agreement entered into under this section is limited to divisions (C)(1)(a) and (b), (C)(2)(a), (b), and (c), (C)(3), (D), and (I) of this section and divisions (B)(1) to (10) of section 5709.631 of the Revised Code and, as authorized by law, to enforcing any modification to, or revocation of, that agreement by the legislative authority of a municipal corporation or the director of development services.

Sec. 5709.63. (A) With the consent of the legislative authority of each affected municipal corporation or of a board of township trustees, a board of county commissioners may, in the manner set forth in section 5709.62 of the Revised Code, designate one or more areas in one or more municipal corporations or in unincorporated areas of the county as proposed enterprise zones. A board of county commissioners may designate no more than one area within a township, or within adjacent townships, as a proposed enterprise zone. The board shall petition the director of development services for certification of the area as having the characteristics set forth in division (A)(1) or (2) of section 5709.61 of the Revised Code as amended by Substitute Senate Bill No. 19 of the 120th general assembly. Except as otherwise provided in division (D) of this section, on and after July 1, 1994, boards of county commissioners shall not enter into agreements under this section unless the board has petitioned the director and the director has certified the zone under this section as amended by that act; however, all agreements entered into under this section as it existed prior to July 1, 1994, and the incentives granted under those agreements shall remain in effect for the period agreed to under those agreements. The director shall make the determination in the manner provided under section 5709.62 of the Revised Code.

Any enterprise wishing to enter into an agreement with the board under division (B) or (D) of this section shall submit a proposal to the board on the form and accompanied by the application fee prescribed under division (B) of section 5709.62 of the Revised Code. The enterprise shall review and update the estimates and listings required by the form in the manner required under that division. The board may, on a separate form and at any time, require any additional information necessary to determine whether an enterprise is in compliance with an agreement and to collect the information required to be reported under section 5709.68 of the Revised Code.

(B) If the board of county commissioners finds that an enterprise submitting a proposal is qualified by financial responsibility and business experience to create and preserve employment opportunities in the zone and to improve the economic climate of the municipal corporation or municipal corporations or the unincorporated areas in which the zone is located and to which the proposal applies, the board, with the consent of the legislative authority of each affected municipal corporation or of the board of township trustees, may do either of the following:

(1) Enter into an agreement with the enterprise under which the enterprise agrees to establish, expand, renovate, or occupy a facility in the zone and hire new employees, or preserve employment opportunities for existing employees, in return for the following incentives:

(a) When the facility is located in a municipal corporation, the board may enter into an agreement for one or more of the incentives provided in division (C) of section 5709.62 of the Revised Code, subject to division (D) of that section;

(b) When the facility is located in an unincorporated area, the board may enter into an agreement for one or more of the following incentives:

(i) Exemption for a specified number of years, not to exceed fifteen, of a specified portion, up

to sixty per cent, of the assessed value of tangible personal property first used in business at a project site as a result of the agreement. If an exemption for inventory is specifically granted in the agreement pursuant to this division, the exemption applies to inventory required to be listed pursuant to sections 5711.15 and 5711.16 of the Revised Code, except, in the instance of an expansion or other situations in which an enterprise was in business at the facility prior to the establishment of the zone, the inventory that is exempt is that amount or value of inventory in excess of the amount or value of inventory required to be listed in the personal property tax return of the enterprise in the return for the tax year in which the agreement is entered into.

(ii) Exemption for a specified number of years, not to exceed fifteen, of a specified portion, up to sixty per cent, of the increase in the assessed valuation of real property constituting the project site subsequent to formal approval of the agreement by the board;

(iii) Provision for a specified number of years, not to exceed fifteen, of any optional services or assistance the board is authorized to provide with regard to the project site;

(iv) The incentive described in division (C)(2) of section 5709.62 of the Revised Code.

(2) Enter into an agreement with an enterprise that plans to purchase and operate a large manufacturing facility that has ceased operation or has announced its intention to cease operation, in return for exemption for a specified number of years, not to exceed fifteen, of a specified portion, up to one hundred per cent, of tangible personal property used in business at the project site as a result of the agreement, or of real property constituting the project site, or both.

(C)(1)(a) Notwithstanding divisions (B)(1)(b)(i) and (ii) of this section, the portion of the assessed value of tangible personal property or of the increase in the assessed valuation of real property exempted from taxation under those divisions may exceed sixty per cent in any year for which that portion is exempted if the average percentage exempted for all years in which the agreement is in effect does not exceed fifty per cent, or if the board of education of the city, local, or exempted village school district within the territory of which the property is or will be located approves a percentage in excess of sixty per cent.

(b) Notwithstanding any provision of the Revised Code to the contrary, the exemptions described in divisions (B)(1)(b)(i), (ii), (iii), and (iv) and (B)(2) of this section may be for up to fifteen years if the board of education of the city, local, or exempted village school district within the territory of which the property is or will be located approves a number of years in excess of ten.

(c) For the purpose of obtaining the approval of a city, local, or exempted village school district under division (C)(1)(a) or (b) of this section, the board of county commissioners shall deliver to the board of education a notice not later than forty-five days prior to approving the agreement, excluding Saturdays, Sundays, and legal holidays as defined in section 1.14 of the Revised Code. The notice shall state the percentage to be exempted, an estimate of the true value of the property to be exempted, and the number of years the property is to be exempted. The board of education, by resolution adopted by a majority of the board, shall approve or disapprove the agreement and certify a copy of the resolution to the board of county commissioners not later than fourteen days prior to the date stipulated by the board of county commissioners as the date upon which approval of the agreement is to be formally considered by the board of county commissioners. The board of education may include in the resolution conditions under which the board would approve the agreement, including the execution of an agreement to compensate the school district

under division (B) of section 5709.82 of the Revised Code. The board of county commissioners may approve the agreement at any time after the board of education certifies its resolution approving the agreement to the board of county commissioners, or, if the board of education approves the agreement conditionally, at any time after the conditions are agreed to by the board of education and the board of county commissioners. If an agreement is negotiated between the legislative authority and the board to compensate the school district for all or part of the taxes exempted, the legislative authority shall compensate the joint vocational school district within which the property is located at the same rate and under the same terms received by the city, local, or exempted village school district.

If a board of education has adopted a resolution waiving its right to approve agreements and the resolution remains in effect, approval of an agreement by the board of education is not required under division (C) of this section. If a board of education has adopted a resolution allowing a board of county commissioners to deliver the notice required under this division fewer than forty-five business days prior to approval of the agreement by the board of county commissioners, the board of county commissioners shall deliver the notice to the board of education not later than the number of days prior to such approval as prescribed by the board of education in its resolution. If a board of education adopts a resolution waiving its right to approve agreements or shortening the notification period, the board of education shall certify a copy of the resolution to the board of county commissioners. If the board of education rescinds such a resolution, it shall certify notice of the rescission to the board of county commissioners.

(2) The board of county commissioners shall comply with section 5709.83 of the Revised Code unless the board of education has adopted a resolution under that section waiving its right to receive such notice.

(D) This division applies to zones certified by the director of development services under this section prior to July 22, 1994.

With the consent of the legislative authority of each affected municipal corporation or board of township trustees of each affected township, the board of county commissioners that designated a zone to which this division applies may enter into an agreement with an enterprise if the board finds that the enterprise satisfies one of the criteria described in divisions (D)(1) to (5) of this section:

(1) The enterprise currently has no operations in this state and, subject to approval of the agreement, intends to establish operations in the zone;

(2) The enterprise currently has operations in this state and, subject to approval of the agreement, intends to establish operations at a new location in the zone that would not result in a reduction in the number of employee positions at any of the enterprise's other locations in this state;

(3) The enterprise, subject to approval of the agreement, intends to relocate operations, currently located in another state, to the zone;

(4) The enterprise, subject to approval of the agreement, intends to expand operations at an existing site in the zone that the enterprise currently operates;

(5) The enterprise, subject to approval of the agreement, intends to relocate operations, currently located in this state, to the zone, and the director of development services has issued a waiver for the enterprise under division (B) of section 5709.633 of the Revised Code.

The agreement shall require the enterprise to agree to establish, expand, renovate, or occupy a

facility in the zone and hire new employees, or preserve employment opportunities for existing employees, in return for one or more of the incentives described in division (B) of this section.

(E) All agreements entered into under this section shall be in the form prescribed under section 5709.631 of the Revised Code. After an agreement under this section is entered into, if the board of county commissioners revokes its designation of a zone, or if the director of development services revokes a zone's certification, any entitlements granted under the agreement shall continue for the number of years specified in the agreement.

(F) Except as otherwise provided in this division, an agreement entered into under this section shall require that the enterprise pay an annual fee equal to the greater of one per cent of the dollar value of incentives offered under the agreement or five hundred dollars; provided, however, that if the value of the incentives exceeds two hundred fifty thousand dollars, the fee shall not exceed two thousand five hundred dollars. The fee shall be payable to the board of county commissioners once per year for each year the agreement is effective on the days and in the form specified in the agreement. Fees paid shall be deposited in a special fund created for such purpose by the board and shall be used by the board exclusively for the purpose of complying with section 5709.68 of the Revised Code and by the tax incentive review council created under section 5709.85 of the Revised Code exclusively for the purposes of performing the duties prescribed under that section. The board may waive or reduce the amount of the fee charged against an enterprise, but such waiver or reduction does not affect the obligations of the board or the tax incentive review council to comply with section 5709.68 or 5709.85 of the Revised Code, respectively.

(G) With the approval of the legislative authority of a municipal corporation or the board of township trustees of a township in which a zone is designated under division (A) of this section, the board of county commissioners may delegate to that legislative authority or board any powers and duties of the board of county commissioners to negotiate and administer agreements with regard to that zone under this section.

(H) When an agreement is entered into pursuant to this section, the board of county commissioners authorizing the agreement or the legislative authority or board of township trustees that negotiates and administers the agreement shall forward a copy of the agreement to the director of development services and to the tax commissioner within fifteen days after the agreement is entered into. If any agreement includes terms not provided for in section 5709.631 of the Revised Code affecting the revenue of a city, local, ~~or~~-exempted village, or joint vocational school district or causing revenue to be foregone by the district, including any compensation to be paid to the school district pursuant to section 5709.82 of the Revised Code, those terms also shall be forwarded in writing to the director of development services along with the copy of the agreement forwarded under this division.

(I) After an agreement is entered into, the enterprise shall file with each personal property tax return required to be filed, or annual report that is required to be filed under section 5727.08 of the Revised Code, while the agreement is in effect, an informational return, on a form prescribed by the tax commissioner for that purpose, setting forth separately the property, and related costs and values, exempted from taxation under the agreement.

(J) Enterprises may agree to give preference to residents of the zone within which the agreement applies relative to residents of this state who do not reside in the zone when hiring new

employees under the agreement.

(K) An agreement entered into under this section may include a provision requiring the enterprise to create one or more temporary internship positions for students enrolled in a course of study at a school or other educational institution in the vicinity, and to create a scholarship or provide another form of educational financial assistance for students holding such a position in exchange for the student's commitment to work for the enterprise at the completion of the internship.

(L) The tax commissioner's authority in determining the accuracy of any exemption granted by an agreement entered into under this section is limited to divisions (B)(1)(b)(i) and (ii), (B)(2), (C), and (I) of this section, division (B)(1)(b)(iv) of this section as it pertains to divisions (C)(2)(a), (b), and (c) of section 5709.62 of the Revised Code, and divisions (B)(1) to (10) of section 5709.631 of the Revised Code and, as authorized by law, to enforcing any modification to, or revocation of, that agreement by the board of county commissioners or the director of development services or, if the board's powers and duties are delegated under division (G) of this section, by the legislative authority of a municipal corporation or board of township trustees.

Sec. 5709.632. (A)(1) The legislative authority of a municipal corporation defined by the United States office of management and budget as a principal city of a metropolitan statistical area may, in the manner set forth in section 5709.62 of the Revised Code, designate one or more areas in the municipal corporation as a proposed enterprise zone.

(2) With the consent of the legislative authority of each affected municipal corporation or of a board of township trustees, a board of county commissioners may, in the manner set forth in section 5709.62 of the Revised Code, designate one or more areas in one or more municipal corporations or in unincorporated areas of the county as proposed urban jobs and enterprise zones, except that a board of county commissioners may designate no more than one area within a township, or within adjacent townships, as a proposed urban jobs and enterprise zone.

(3) The legislative authority or board of county commissioners may petition the director of development services for certification of the area as having the characteristics set forth in division (A)(3) of section 5709.61 of the Revised Code. Within sixty days after receiving such a petition, the director shall determine whether the area has the characteristics set forth in that division and forward the findings to the legislative authority or board of county commissioners. If the director certifies the area as having those characteristics and thereby certifies it as a zone, the legislative authority or board may enter into agreements with enterprises under division (B) of this section. Any enterprise wishing to enter into an agreement with a legislative authority or board of county commissioners under this section and satisfying one of the criteria described in divisions (B)(1) to (5) of this section shall submit a proposal to the legislative authority or board on the form prescribed under division (B) of section 5709.62 of the Revised Code and shall review and update the estimates and listings required by the form in the manner required under that division. The legislative authority or board may, on a separate form and at any time, require any additional information necessary to determine whether an enterprise is in compliance with an agreement and to collect the information required to be reported under section 5709.68 of the Revised Code.

(B) Prior to entering into an agreement with an enterprise, the legislative authority or board of county commissioners shall determine whether the enterprise submitting the proposal is qualified by financial responsibility and business experience to create and preserve employment opportunities

in the zone and to improve the economic climate of the municipal corporation or municipal corporations or the unincorporated areas in which the zone is located and to which the proposal applies, and whether the enterprise satisfies one of the following criteria:

(1) The enterprise currently has no operations in this state and, subject to approval of the agreement, intends to establish operations in the zone;

(2) The enterprise currently has operations in this state and, subject to approval of the agreement, intends to establish operations at a new location in the zone that would not result in a reduction in the number of employee positions at any of the enterprise's other locations in this state;

(3) The enterprise, subject to approval of the agreement, intends to relocate operations, currently located in another state, to the zone;

(4) The enterprise, subject to approval of the agreement, intends to expand operations at an existing site in the zone that the enterprise currently operates;

(5) The enterprise, subject to approval of the agreement, intends to relocate operations, currently located in this state, to the zone, and the director of development services has issued a waiver for the enterprise under division (B) of section 5709.633 of the Revised Code.

(C) If the legislative authority or board determines that the enterprise is so qualified and satisfies one of the criteria described in divisions (B)(1) to (5) of this section, the legislative authority or board may, after complying with section 5709.83 of the Revised Code and, in the case of a board of commissioners, with the consent of the legislative authority of each affected municipal corporation or of the board of township trustees, enter into an agreement with the enterprise under which the enterprise agrees to establish, expand, renovate, or occupy a facility in the zone and hire new employees, or preserve employment opportunities for existing employees, in return for the following incentives:

(1) When the facility is located in a municipal corporation, a legislative authority or board of commissioners may enter into an agreement for one or more of the incentives provided in division (C) of section 5709.62 of the Revised Code, subject to division (D) of that section;

(2) When the facility is located in an unincorporated area, a board of commissioners may enter into an agreement for one or more of the incentives provided in divisions (B)(1)(b), (B)(2), and (B)(3) of section 5709.63 of the Revised Code, subject to division (C) of that section.

(D) All agreements entered into under this section shall be in the form prescribed under section 5709.631 of the Revised Code. After an agreement under this section is entered into, if the legislative authority or board of county commissioners revokes its designation of the zone, or if the director of development services revokes the zone's certification, any entitlements granted under the agreement shall continue for the number of years specified in the agreement.

(E) Except as otherwise provided in this division, an agreement entered into under this section shall require that the enterprise pay an annual fee equal to the greater of one per cent of the dollar value of incentives offered under the agreement or five hundred dollars; provided, however, that if the value of the incentives exceeds two hundred fifty thousand dollars, the fee shall not exceed two thousand five hundred dollars. The fee shall be payable to the legislative authority or board of commissioners once per year for each year the agreement is effective on the days and in the form specified in the agreement. Fees paid shall be deposited in a special fund created for such purpose by the legislative authority or board and shall be used by the legislative authority or board exclusively

for the purpose of complying with section 5709.68 of the Revised Code and by the tax incentive review council created under section 5709.85 of the Revised Code exclusively for the purposes of performing the duties prescribed under that section. The legislative authority or board may waive or reduce the amount of the fee charged against an enterprise, but such waiver or reduction does not affect the obligations of the legislative authority or board or the tax incentive review council to comply with section 5709.68 or 5709.85 of the Revised Code, respectively.

(F) With the approval of the legislative authority of a municipal corporation or the board of township trustees of a township in which a zone is designated under division (A)(2) of this section, the board of county commissioners may delegate to that legislative authority or board any powers and duties of the board to negotiate and administer agreements with regard to that zone under this section.

(G) When an agreement is entered into pursuant to this section, the legislative authority or board of commissioners authorizing the agreement shall forward a copy of the agreement to the director of development services and to the tax commissioner within fifteen days after the agreement is entered into. If any agreement includes terms not provided for in section 5709.631 of the Revised Code affecting the revenue of a city, local, ~~or~~ exempted village, or joint vocational school district or causing revenue to be forgone by the district, including any compensation to be paid to the school district pursuant to section 5709.82 of the Revised Code, those terms also shall be forwarded in writing to the director of development services along with the copy of the agreement forwarded under this division.

(H) After an agreement is entered into, the enterprise shall file with each personal property tax return required to be filed while the agreement is in effect, an informational return, on a form prescribed by the tax commissioner for that purpose, setting forth separately the property, and related costs and values, exempted from taxation under the agreement.

(I) An agreement entered into under this section may include a provision requiring the enterprise to create one or more temporary internship positions for students enrolled in a course of study at a school or other educational institution in the vicinity, and to create a scholarship or provide another form of educational financial assistance for students holding such a position in exchange for the student's commitment to work for the enterprise at the completion of the internship.

Sec. 5709.82. (A) As used in this section:

(1) "New employee" means both of the following:

(a) Persons employed in the construction of real property exempted from taxation under the chapters or sections of the Revised Code enumerated in division (B) of this section;

(b) Persons not described by division (A)(1)(a) of this section who are first employed at the site of such property and who within the two previous years have not been subject, prior to being employed at that site, to income taxation by the municipal corporation within whose territory the site is located on income derived from employment for the person's current employer. "New employee" does not include any person who replaces a person who is not a new employee under division (A)(1) of this section.

(2) "Infrastructure costs" means costs incurred by a municipal corporation in a calendar year to acquire, construct, reconstruct, improve, plan, or equip real or tangible personal property that directly benefits or will directly benefit the exempted property. If the municipal corporation finances

the acquisition, construction, reconstruction, improvement, planning, or equipping of real or tangible personal property that directly benefits the exempted property by issuing debt, "infrastructure costs" means the annual debt charges incurred by the municipal corporation from the issuance of such debt. Real or tangible personal property directly benefits exempted property only if the exempted property places or will place direct, additional demand on the real or tangible personal property for which such costs were or will be incurred.

(3) "Taxing unit" has the same meaning as in division (H) of section 5705.01 of the Revised Code.

(B)(1) Except as otherwise provided under division (C) of this section, the legislative authority of any political subdivision that has acted under the authority of Chapter 725. or 1728., sections 3735.65 to 3735.70, or section 5709.40, 5709.41, 5709.45, 5709.62, 5709.63, 5709.632, 5709.73, 5709.78, 5709.84, or 5709.88 of the Revised Code to grant an exemption from taxation for real or tangible personal property may negotiate with the board of education of each city, local, exempted village, or joint vocational school district or other taxing unit within the territory of which the exempted property is located, and enter into an agreement whereby the school district or taxing unit is compensated for tax revenue foregone by the school district or taxing unit as a result of the exemption. Except as otherwise provided in division (B)(1) of this section, if a political subdivision enters into more than one agreement under this section with respect to a tax exemption, the political subdivision shall provide to each school district or taxing unit with which it contracts the same percentage of tax revenue foregone by the school district or taxing unit, which may be based on a good faith projection made at the time the exemption is granted. Such percentage shall be calculated on the basis of amounts paid by the political subdivision and any amounts paid by an owner under division (B)(2) of this section. A political subdivision may provide a school district or other taxing unit with a smaller percentage of foregone tax revenue than that provided to other school districts or taxing units only if the school district or taxing unit expressly consents in the agreement to receiving a smaller percentage. If a subdivision has acted under the authority of section 5709.40, 5709.41, 5709.45, 5709.62, 5709.63, 5709.632, 5709.73, or 5709.78 of the Revised Code and enters into a compensation agreement with a city, local, or exempted village school district, the subdivision shall provide compensation to the joint vocational school district within the territory of which the exempted property is located at the same rate and under the same terms as received by the city, local, or exempted village school district.

(2) An owner of property exempted from taxation under the authority described in division (B)(1) of this section may, by becoming a party to an agreement described in division (B)(1) of this section or by entering into a separate agreement with a school district or other taxing unit, agree to compensate the school district or taxing unit by paying cash or by providing property or services by gift, loan, or otherwise. If the owner's property is exempted under the authority of section 5709.40, 5709.41, 5709.45, 5709.62, 5709.63, 5709.632, 5709.73, or 5709.78 of the Revised Code and the owner enters into a compensation agreement with a city, local, or exempted village school district, the owner shall provide compensation to the joint vocational school district within the territory of which the owner's property is located at the same rate and under the same terms as received by the city, local, or exempted village school district.

(C) This division does not apply to the following:

(1) The legislative authority of a municipal corporation that has acted under the authority of division (H) of section 715.70 or division (U) of section 715.72 of the Revised Code to consent to the granting of an exemption from taxation for real or tangible personal property in a joint economic development district.

(2) The legislative authority of a municipal corporation that has specified in an ordinance adopted under section 5709.40, 5709.41, or 5709.45 of the Revised Code that payments in lieu of taxes provided for under section 5709.42 or 5709.46 of the Revised Code shall be paid to the city, local, or exempted village school district in which the improvements are located in the amount of taxes that would have been payable to the school district if the improvements had not been exempted from taxation, as directed in the ordinance.

If the legislative authority of any municipal corporation has acted under the authority of Chapter 725. or 1728. or section 3735.671, 5709.40, 5709.41, 5709.45, 5709.62, 5709.63, 5709.632, or 5709.88, or a housing officer under section 3735.67 of the Revised Code, to grant or consent to the granting of an exemption from taxation for real or tangible personal property on or after July 1, 1994, the municipal corporation imposes a tax on incomes, and the payroll of new employees resulting from the exercise of that authority equals or exceeds one million dollars in any tax year for which such property is exempted, the legislative authority and the board of education of each city, local, or exempted village school district within the territory of which the exempted property is located shall attempt to negotiate an agreement providing for compensation to the school district for all or a portion of the tax revenue the school district would have received had the property not been exempted from taxation. The agreement may include as a party the owner of the property exempted or to be exempted from taxation and may include provisions obligating the owner to compensate the school district by paying cash or providing property or services by gift, loan, or otherwise. Such an obligation is enforceable by the board of education of the school district pursuant to the terms of the agreement.

If the legislative authority and board of education fail to negotiate an agreement that is mutually acceptable within six months of formal approval by the legislative authority of the instrument granting the exemption, the legislative authority shall compensate the school district in the amount and manner prescribed by division (D) of this section.

(D) Annually, the legislative authority of a municipal corporation subject to this division shall pay to the city, local, or exempted village school district within the territory of which the exempted property is located an amount equal to fifty per cent of the difference between the amount of taxes levied and collected by the municipal corporation on the incomes of new employees in the calendar year ending on the day the payment is required to be made, and the amount of any infrastructure costs incurred in that calendar year. For purposes of such computation, the amount of infrastructure costs shall not exceed thirty-five per cent of the amount of those taxes unless the board of education of the school district, by resolution adopted by a majority of the board, approves an amount in excess of that percentage. If the amount of those taxes or infrastructure costs must be estimated at the time the payment is made, payments in subsequent years shall be adjusted to compensate for any departure of those estimates from the actual amount of those taxes.

A municipal corporation required to make a payment under this section shall make the payment from its general fund or a special fund established for the purpose. The payment is payable

on the thirty-first day of December of the tax year for or in which the exemption from taxation commences and on that day for each subsequent tax year property is exempted and the legislative authority and board fail to negotiate an acceptable agreement under division (C) of this section.

Sec. 5709.83. (A) Except as otherwise provided in division (B) or (C) of this section, prior to taking formal action to adopt or enter into any instrument granting a tax exemption under section 725.02, 1728.06, 5709.40, 5709.41, 5709.45, 5709.62, 5709.63, 5709.632, 5709.73, 5709.78, 5709.84, or 5709.88 of the Revised Code or formally approving an agreement under section 3735.671 of the Revised Code, or prior to forwarding an application for a tax exemption for residential property under section 3735.67 of the Revised Code to the county auditor, the legislative authority of the political subdivision or housing officer shall notify the board of education of each city, local, exempted village, or joint vocational school district in which the proposed tax-exempted property is located. The notice shall include a copy of the instrument or application. The notice shall be delivered not later than fourteen days prior to the day the legislative authority takes formal action to adopt or enter into the instrument, or not later than fourteen days prior to the day the housing officer forwards the application to the county auditor. If the board of education comments on the instrument or application to the legislative authority or housing officer, the legislative authority or housing officer shall consider the comments. If the board of education of the city, local, exempted village, or joint vocational school district so requests, the legislative authority or the housing officer shall meet in person with a representative designated by the board of education to discuss the terms of the instrument or application.

(B) The notice otherwise required to be provided to boards of education under division (A) of this section is not required if the board has adopted a resolution waiving its right to receive such notices, and that resolution remains in effect. If a board of education adopts such a resolution, the board shall cause a copy of the resolution to be certified to the legislative authority. If the board of education rescinds such a resolution, it shall certify notice of the rescission to the legislative authority. A board of education may adopt such a resolution with respect to any one or more counties, townships, or municipal corporations situated in whole or in part within the school district.

(C) If a legislative authority is required to provide notice to a city, local, or exempted village school district of its intent to grant such an exemption as required by section 5709.40, 5709.41, 5709.45, 5709.62, 5709.63, 5709.632, 5709.73, or 5709.78 of the Revised Code, the legislative authority, before adopting a resolution or ordinance under that section, shall notify the board of education of each joint vocational school district in which the property to be exempted is located using the same time requirements for the notice that applies to notices to city, local, and exempted village school districts. The content of the notice and procedures for responding to the notice are the same as required in division (A) of this section.

Sec. 6301.23. (A) As used in this section:

(1) "Ohio career-technical associations" includes all of the following:

(a) The Ohio association of career and technical education;

(b) The Ohio association of career-technical superintendents;

(c) The Ohio association of comprehensive and compact career-technical schools.

(2) "Other public school" has the same meaning as in section 3301.0711 of the Revised Code.

(3) "State agency" has the same meaning as in section 1.60 of the Revised Code.

(B) Not later than July 1, 2021, the governor's office of workforce transformation, the department of education, and the chancellor of higher education, in consultation with Ohio career-technical associations and other appropriate stakeholders, shall develop model guidance for maintaining a statewide inventory of industry-recognized credentials. The guidance shall address the following:

(1) Methods for state agencies to efficiently and effectively organize the different categories of industry-recognized credentials in a manner that allows students, school districts, other public schools, chartered nonpublic schools, and institutions of higher education to easily understand available credentialing options, based on the unique circumstances of each individual student;

(2) The potential creation of a centralized, inter-agency database of information on all industry-recognized credentials that is accessible to the public;

(3) Methods to streamline the process to add career-technical programs to the various approved credentialing lists;

(4) Methods to increase transparency in the approval process for industry-recognized credentials.

SECTION 2. That existing sections 3310.02, 3310.03, 3310.031, 3310.032, 3310.035, 3313.14, 3313.482, 3313.82, 3313.903, 3314.03, 3314.19, 3319.226, 3319.301, 3326.032, 3326.17, 3333.16, 3345.81, 5709.62, 5709.63, 5709.632, 5709.82, and 5709.83 of the Revised Code are hereby repealed.

SECTION 3. The amendment by this act of sections 5709.62, 5709.63, 5709.632, 5709.82, and 5709.83 of the Revised Code applies to agreements entered into under sections 5709.62, 5709.63, and 5709.632 of the Revised Code on or after the effective date of this act.

SECTION 4. Notwithstanding section 3310.16 of the Revised Code, the priority application period for Educational Choice Scholarships awarded under section 3310.03 of the Revised Code for the 2021-2022 school year shall open on March 1, 2021.

SECTION 5. (A) Notwithstanding anything to the contrary in section 3310.03 of the Revised Code, a student is eligible for an Educational Choice Scholarship for the 2021-2022 school year if the student satisfies all of the following conditions:

(1) The student was enrolled in a public or nonpublic school in any of grades kindergarten through twelve, or was homeschooled for the equivalent of those grades, in the 2020-2021 school year.

(2) The student was eligible for a scholarship for the 2020-2021 school year under Section 31 of H.B. 197 of the 133rd General Assembly.

(3) For the 2021-2022 school year, the student would be enrolled in a building that, in the 2019-2020 school year, met one of the conditions described in division (A), (B), (D), or (E) of section 3310.03 of the Revised Code, as it existed prior to the effective date of this section.

(B) If the number of students who apply for an Educational Choice Scholarship exceeds the maximum number of scholarships permitted under division (A) of section 3310.02 of the Revised Code, priority shall first be given to those students applying for a scholarship under section 3310.03 of the Revised Code in accordance with division (B) of section 3310.02 of the Revised Code. If the number of available scholarships has not been exceeded after scholarships are awarded in accordance with section 3310.02 of the Revised Code, the Department of Education shall award scholarships under this section in the following order of priority:

(1) First, to eligible students with family incomes at or below two hundred per cent of the federal poverty guidelines who qualify under this section. If the number of students described in division (B)(1) of this section who apply for a scholarship exceeds the number of available scholarships after awards are made under divisions (B)(1) to (5) of section 3310.02 of the Revised Code, the Department shall select students described in division (B)(1) of this section by lot to receive any remaining scholarships.

(2) Second, to other eligible students who qualify under this section. If the number of students described in division (B)(2) of this section who apply for a scholarship exceeds the number of available scholarships after awards are made under divisions (B)(1) to (5) of section 3310.02 of the Revised Code and division (B)(1) of this section, the Department shall select students described in division (B)(2) of this section by lot to receive any remaining scholarships.

(C) A student who receives an Educational Choice Scholarship under this section remains an eligible student and may continue to receive a scholarship in subsequent school years until the student completes grade twelve, so long as the student satisfies the conditions specified in divisions (D)(1) to (3) of section 3310.03 of the Revised Code.

SECTION 6. That section 3311.242 of the Revised Code is hereby repealed.

SECTION 7. The repeal of section 3311.242 of the Revised Code in Section 6 of this act shall take effect on September 1, 2021.

SECTION 8. If a school district has begun the transfer process in accordance with division (B) of section 3311.242 of the Revised Code prior to the repeal of that section by this act, the transfer process shall continue in accordance with the provisions of that section as it existed prior to its repeal. School districts shall not, however, be permitted to take action under that section if they have not begun the transfer process prior to the section's repeal by this act.

SECTION 9. Section 5709.82 of the Revised Code is presented in this act as a composite of the section as amended by both H.B. 182 and H.B. 233 of the 131st General Assembly. The General Assembly, applying the principle stated in division (B) of section 1.52 of the Revised Code that amendments are to be harmonized if reasonably capable of simultaneous operation, finds that the composite is the resulting version of the section in effect prior to the effective date of the section as presented in this act.
