Bill Analysis

HB 2873 creates the Universal Licensing Recognition Act. The measure provides that a person moving to Oklahoma would be able to apply for licensing or certification for an occupation with a similar scope of practice, and the applicant supplies verifiable proof of physical residency in the state or is married to and accompanying an active-duty member of the Armed Forces to an official permanent change of station to a military installation located in the state. The Oklahoma regulatory entity would apply all similar and verifiable work experience in the manner most favorable to the applicant. Certain examination requirements and fees would still apply to the applicant. The applicant must also demonstrate that they are free of any complaint, investigation, suspension, revocation or discipline by any other regulatory entity or jurisdiction for unprofessional conduct.
