Date:

HB 3382
ENGR
Sen. Pederson
04/11/2024

Fiscal Analysis

HB 3382 establishes the Barbara Weber ALS Grant Program at the Health Department. The Grant Program shall support ALS research in Oklahoma and programs that support those afflicted with ALS. The measure also creates a revolving fund for the funding of the grant program. As the fund has no funding source, it is currently subject to the availability of funding.

FY'25 Impact: Subject to the Availability of Funding

Full Year Impact: Subject to the Availability of Funding
