**Bill Analysis**

SB 1155 creates the Oklahoma Museum of Popular Culture Supplemental Revolving Fund under the management of the Oklahoma Historical Society. Monies from the fund shall be used to provide funding for repairs, planning, staging, refurbishments, and improvements to real and personal property, and funding for construction of the Oklahoma Museum of Popular Culture. The measure provides that no expenditures shall occur from the fund until the State Treasurer determines that funds provided by local and county governments, the federal government, or through monetary donations in the amount of \$18 million are made to the fund. Monies collected prior to May 25, 2023, shall not be counted towards this amount. If the amount is not reached by November 15, 2025, monies in the fund shall be deposited back into the General Revenue Fund.
