

Bill Summary
1st Session of the 59th Legislature

Bill No.:	SB 1572
Version:	HASB
Author:	Sen. Daniels
Date:	05/21/2024

Bill Analysis

SB 1572 changes electrical intern to “student apprentice” as it relates to the Electrical Licensing Act. The measure also requires such apprentices to be employed with an active licensed electrical contractor. A student apprentice may not apply more than 500 hours toward his or her journeyman requirements. The apprentice’s registration shall expire on the last day of the registrant’s school year. An apprentice may reregister yearly by meeting the Construction Industries Board's requirements and paying the renewal fee.

House Amendments

HA’s to SB 1572 adds language relating to reregistration. Additionally, it lowers the amount of applicable hours a student apprentice may apply to his or her journeyman requirements from 1,500 to 500 hours.
