

Bill Summary
1st Session of the 60th Legislature

Bill No.:	SB 2
Version:	INT
Request No.	12
Author:	Sen. Green
Date:	11/15/2024

Bill Analysis

SB 2 establishes new set-back requirements for wind facilities. The measure prohibits the establishment of any wind facility if the base of the tower is located within 0.25 nautical miles of a residential dwelling or any nonparticipating property.
