Bill Analysis

The CS for SB 315 authorizes distiller licensees to sell spirits produced by the licensee for either on-premises or off-premises consumption to consumers on the licensed distillery premises or in an area controlled by the licensee located contiguous to the licensed distillery premises as well as sell spirits at public events such as trade shows or festivals. The CS provides that such products sold must have been sold to and shipped to an Oklahoma licensed wine and spirits wholesaler and then made available for purchase by the Oklahoma licensed distiller. These sales shall be capped at 15,000 gallons per year.
