

Bill Summary
1st Session of the 58th Legislature

Bill No.:	SB 522
Version:	INT
Request No.:	1334
Author:	Sen. Taylor
Date:	01/20/2021

Bill Analysis

SB 522 directs the Oklahoma Medical Marijuana Authority to contract with third-party services to provide licensing services. The Authority shall determine the minimum services provided by such third-party entities. Upon completion of a background check by the third-party service, the third-party vendor shall issue a credential or badge to the license applicant or employee. If the service declines a person's application, the applicant may appeal to the Authority.
