17 Section 11. A. Unless otherwise provided for by law, all plans
18 and specifications for the erection of public buildings by this
19 state, or any agency or political subdivision thereof, or for any
20 building erected through the use of public funds shall provide
21 facilities for the handicapped. Such facilities shall conform with
22 the codes and standards adopted by the State Fire Marshal and
23 amended by ~~the Division's~~ promulgated rules of the Office of
24 Management and Enterprise Services. Elevators and automatic doors
at entry points shall be constructed and installed in said public

1 buildings to the extent deemed feasible and financially reasonable
2 by the contracting authority of the state or such political
3 subdivision. Said codes and standards shall be on file in the
4 Construction and Properties Division of the Office of Management and
5 Enterprise Services.

6 B. After May 24, 1973, any building or facility which would
7 have been subject to the provisions of this section but for the fact
8 that it was constructed prior to May 24, 1973, shall be subject to
9 the requirements of this section if additions are made to such
10 building or facility in any twelve-month period which increase the
11 total floor area of such building or facility by twenty-five percent
12 (25%) or more or if alterations or structural repairs are made to
13 such building or facility in any twelve-month period which affect
14 twenty-five percent (25%) or more of the total floor area of such
15 building or facility.

16 C. After November 1, 2018, any building or facility which would
17 have been subject to the provisions of this section but for the fact
18 that it was constructed prior to November 1, 2018, shall be subject
19 to the requirements of this section by January 1, 2020.

20 SECTION 2. This act shall become effective November 1, 2018.
