3 of the county treasurer between the hours of eight a.m. and five  
4 p.m., the exact hours of each sale to be determined by the local  
5 county treasurer, and continue the sale thereafter from day to day  
6 between such hours until all of the real estate is sold. The real  
7 estate shall be sold at public auction to the highest bidder for  
8 cash.

9 B. All property must be sold for a sum not less than two-thirds  
10 (2/3) of the assessed value of such real estate as fixed for the  
11 current fiscal year, or for the total amount of taxes, penalties,  
12 interest and costs due on such property, whichever is the lesser.  
13 ~~If~~ With the exception of common area nuisance property, if there is  
14 no bid equal to or greater than the sum so required, the county  
15 treasurer shall bid off the same in the name of the county. In  
16 cases of common area nuisance property, the county treasurer shall  
17 have discretion to not bid off the property in the name of the  
18 county and instead allow the property to remain under its current  
19 ownership. "Common area nuisance property" shall be defined as  
20 property that is deemed unmarketable or unusable due to the  
21 existence of liens in excess of the property's fair market value as  
22 shown by the county assessor's office or due to environmental

6 to serve or to the county or third party. The county treasurer  
7 shall make the determination, in conjunction with review and  
8 approval of the board of county commissioners, upon consideration of  
9 the above factors, as to whether or not property constitutes common  
10 area nuisance property. The said common area nuisance property  
11 determination may be made at any time during the year, including  
12 before or immediately after the June resale. In the case of a  
13 common area nuisance property that has liens from a city or town, if  
14 a minimum bid is not made, the city or town shall be credited a bid  
15 on the property equal to the amount of the lien of the city or town  
16 if its intention to do so is made known to the county treasurer  
17 prior to the sale or at the sale. In the case of a common area  
18 nuisance property with liens from a city or town, if a minimum bid  
19 is not made, the common area nuisance property shall be bid off in  
20 the name of the city or town if its intention to do so is made known  
21 to the county treasurer prior to the sale or at the sale. All  
22 property bid off in the name of the county shall be for the amount

10 properties on which the OHCA has liens. The county treasurers shall  
11 make the list of properties with the OHCA liens available to  
12 potential buyers at the tax resales. The OHCA shall file a release  
13 of the liens on properties that fit the definition of blighted  
14 properties, as defined in Section 38-101 of Title 11 of the Oklahoma  
15 Statutes, in the county records of the county where the property is  
16 located upon request of that county's treasurer. The filing of the  
17 lien release shall not extinguish the debt owed to the OHCA which  
18 may be enforced through any legal means available to the OHCA.

19 D. The county shall not be liable to the state or any taxing  
20 district thereof for any part of the amount for which any property  
21 may be sold to such county. All property bid off in the name of the  
22 county shall be exempt from ad valorem taxation as long as title is  
23 held for the county.

24

1 E. 1. The county shall not be civilly liable for any  
2 environmental problems or conditions on any property which existed  
3 on the property prior to the county's involuntary ownership of the  
4 property pursuant to this section, or which may result from such  
5 environmental problems or conditions on the property. During the  
6 period of the county's involuntary ownership of the property, the  
7 person or persons who would be legally liable for the environmental  
8 problems or conditions on the property but for the county's  
9 ownership shall continue to be liable for such environmental  
10 problems or conditions.

11 2. In addition, the county shall not be subject to civil  
12 liability with regard to any actions taken by the county to  
13 remediate any problems or conditions on the property resulting from  
14 the environmental problems or conditions if the remedial action is  
15 not performed in a reckless or negligent manner.
