7 An Act relating to abandoned property; amending 68
8 O.S. 2021, Section 3129, which relates to property
9 bid off in name of county; modifying bid procedures;
10 and providing an effective date.

11 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

12 SECTION 1. AMENDATORY 68 O.S. 2021, Section 3129, is
13 amended to read as follows:

14 Section 3129. A. On the day real estate is advertised for
15 resale, the county treasurer shall offer same for sale at the office
16 of the county treasurer between the hours of eight a.m. and five
17 p.m., the exact hours of each sale to be determined by the local
18 county treasurer, and continue the sale thereafter from day to day
19 between such hours until all of the real estate is sold. The real
20 estate shall be sold at public auction to the highest bidder for
21 cash.

22 B. All property must be sold for a sum not less than two-thirds
23 (2/3) of the assessed value of such real estate as fixed for the
24 current fiscal year, or for the total amount of taxes, penalties,

1 interest and costs due on such property, whichever is the lesser.
2 Notwithstanding, there shall be a reserve minimum bid placed in an
3 amount covering all taxes, abatement costs, penalties, interest,
4 costs due to a municipality if the right to exercise the reserve
5 minimum bid is noticed to the county treasurer. With the exception
6 of ~~common area~~ nuisance property, if there is no bid equal to or
7 greater than the sum so required, the county treasurer shall bid off
8 the same in the name of the county. However, the property must be
9 bid off in the name of the municipality if demand is made in writing
10 by a municipality which has outstanding liens upon the property. In
11 cases of ~~common area~~ nuisance property, the county treasurer shall
12 have discretion to not bid off the property in the name of the
13 county and instead allow the property to remain under its current
14 ownership, unless demand is made in writing by a municipality which
15 has outstanding liens upon the property. "~~Common area nuisance~~
16 Nuisance property" shall be defined as property that is deemed
17 unmarketable or unusable due to the existence of liens in excess of
18 the property's fair market value as shown by the county assessor's
19 office or due to environmental problems or conditions that exist on
20 the property that would cost more to remedy than the fair market
21 value of the property as shown by the county assessor's office, or
22 property in which abatement liens have been placed upon the property
23 by a municipality in excess of twenty-five percent (25%) of the
24 property's fair market value as shown by the county assessor's

1 office. Greenbelts, common areas, easements, retention ponds and
2 detention ponds may also be considered ~~common area~~ nuisance property
3 if transference of ownership to either the county or a third party
4 would cause a hardship to the neighborhood or subdivision these
5 areas were meant to serve or to the county or third party. The
6 county treasurer shall make the determination, in conjunction with
7 review and approval of the board of county commissioners, upon
8 consideration of the above factors, as to whether or not property
9 constitutes ~~common area~~ nuisance property. The said ~~common area~~
10 nuisance property determination may be made at any time during the
11 year, including before or immediately after the June resale. In the
12 case of a ~~common area~~ nuisance property that has liens from a city
13 or town, if a minimum bid is not made, the city or town shall be
14 credited a bid on the property equal to the amount of the lien of
15 the city or town if its intention to do so is made known to the
16 county treasurer prior to the sale or at the sale. In the case of a
17 ~~common area~~ nuisance property with liens from a city or town, if a
18 minimum bid is not made, the ~~common area~~ nuisance property shall be
19 bid off in the name of the city or town if its intention to do so is
20 made known to the county treasurer prior to the sale or at the sale.
21 All property bid off in the name of the county shall be for the
22 amount of all taxes, penalties, interest and costs due thereon, and
23 the county treasurer shall issue a deed therefor to the board of
24 county commissioners for the use and benefit of the county. All

1 ~~common area~~ nuisance property bid off in the name of the city or
2 town shall be for the amount of any municipal liens due thereon, and
3 the county treasurer shall issue a deed therefor to the city or town
4 for the use and benefit of the city or town.

5 C. The county treasurers shall provide to the Oklahoma Health
6 Care Authority (OHCA) a list of properties that will be sold at tax
7 resales in their respective counties. Using the information
8 provided, the OHCA shall produce a list for each county of
9 properties on which the OHCA has liens. The county treasurers shall
10 make the list of properties with the OHCA liens available to
11 potential buyers at the tax resales. The OHCA shall file a release
12 of the liens on properties that fit the definition of blighted
13 properties, as defined in Section 38-101 of Title 11 of the Oklahoma
14 Statutes, in the county records of the county where the property is
15 located upon request of that county's treasurer. The filing of the
16 lien release shall not extinguish the debt owed to the OHCA which
17 may be enforced through any legal means available to the OHCA.

18 D. The county shall not be liable to the state or any taxing
19 district thereof for any part of the amount for which any property
20 may be sold to such county. All property bid off in the name of the
21 county shall be exempt from ad valorem taxation as long as title is
22 held for the county.

23 E. 1. The county shall not be civilly liable for any
24 environmental problems or conditions on any property which existed

1 on the property prior to the county's involuntary ownership of the
2 property pursuant to this section, or which may result from such
3 environmental problems or conditions on the property. During the
4 period of the county's involuntary ownership of the property, the
5 person or persons who would be legally liable for the environmental
6 problems or conditions on the property but for the county's
7 ownership shall continue to be liable for such environmental
8 problems or conditions.

9 2. In addition, the county shall not be subject to civil
10 liability with regard to any actions taken by the county to
11 remediate any problems or conditions on the property resulting from
12 the environmental problems or conditions if the remedial action is
13 not performed in a reckless or negligent manner.

14 SECTION 2. This act shall become effective November 1, 2023.
