SUBJECT: Public retirement systems

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 11 O.S. 2011, Section 50-114, as amended by Section 5, Chapter 346, O.S.L. 2019 (11 O.S. Supp. 2020, Section 50-114), is amended to read as follows:

Section 50-114. A. The State Board is hereby authorized to pay out of funds in the System a monthly service pension to any member eligible as hereinafter provided, not exceeding in any event the amount of money in such funds and not exceeding in any event the accrued retirement benefit for such member, except as provided for herein. In order for a member to be eligible for such service pension the following requirements must be complied with:

1. The member's service with the police department for any participating municipality must have ceased; however, a member may be subsequently reemployed in the position of police chief pursuant to subsection C of Section 50-112 of this title;

2. The member must have reached the member's normal retirement date; and

3. The member must have complied with any agreement as to contributions by the member and other members to any funds of the System where said agreement has been made as provided by this article; provided, that should a retired member receive disability benefits as provided in this and other sections of this article, the time the retired member is receiving said disability benefits shall count as time on active service if the retired member should be recalled by the Chief of Police from said disability retirement. It shall be necessary before said time shall be counted toward retirement that the retired member make the same contribution as the member would have otherwise made if on active service for the time the retired member was disabled.

B. Any member complying with all requirements of this article, who reaches normal retirement date, upon application, shall be retired at the accrued retirement benefit. When a member has served for the necessary number of years and is otherwise eligible, as provided in this article, if such member is discharged without cause by the participating municipality, the member shall be eligible for a pension.

C. Effective July 1, 1989, in no event shall commencement of distribution of the accrued retirement benefit of a member be delayed beyond April 1 of the calendar year following the later of:

1. The calendar year in which the member reaches seventy and one-half (70 1/2) years of age for a member who attains age seventy and one-half (70 1/2) before January 1, 2020, or effective for distributions required to be made after December 31, 2019, the calendar year in which the member reaches seventy-two (72) years of age for an individual who attains age seventy and one-half (70 1/2) after December 31, 2019; or

2. The actual retirement date of the member.

For distributions made for calendar years beginning on or after January 1, 2001, through December 31, 2004, the System shall apply the minimum distribution requirements and incidental benefit requirements of Section 401(a)(9) of the Internal Revenue Code of 1986, as amended, in accordance with the regulations under Section 401(a)(9) of the Internal Revenue Code of 1986, as amended, which were proposed on January 17, 2001, notwithstanding any provision of the System to the contrary. For distributions made for calendar years beginning on or after January 1, 2005, the System shall apply the minimum distribution incidental benefit requirements, incidental

benefit requirements, and minimum distribution requirements of Section 401(a)(9) of the Internal Revenue Code of 1986, as amended, in accordance with the final regulations under Section 401(a)(9) of the Internal Revenue Code of 1986, as amended, ~~which were issued in April 2002 and June 2004~~ including Treasury Regulations Sections 1.401(a)(9)-1 through 1.401(a)(9)-9; provided, however, that for distributions required to be made after December 31, 2019, for individuals who attain seventy and one-half (70 1/2) years of age after December 31, 2019, such distributions shall take into account that age 70 1/2 was stricken and age 72 was inserted in Section 401(a)(9)(B)(iv)(I), Section 401(a)(9)(C)(i)(I) and Section 401(a)(9)(C)(ii)(I) of the Internal Revenue Code of 1986, as amended, notwithstanding any provision of the System to the contrary. Effective January 1, 2009, with respect to the Oklahoma Police Deferred Option Plan, to the extent applicable, no minimum distribution is required for 2009 in accordance with Section 401(a)(9)(H) of the Internal Revenue Code of 1986, as amended.

Effective September 8, 2009, notwithstanding anything to the contrary of the System, the System, which is a governmental plan (within the meaning of Section 414(d) of the Internal Revenue Code of 1986, as amended) is treated as having complied with Section 401(a)(9) of the Internal Revenue Code of 1986, as amended, for all years to which Section 401(a)(9) of the Internal Revenue Code of 1986, as amended, applies to the System if the System complies with a reasonable and good-faith interpretation of Section 401(a)(9) of the Internal Revenue Code of 1986, as amended.

D. In the event of the death of any member who has been awarded a retirement benefit or is eligible therefor as provided in this section, such member's beneficiaries shall be paid such retirement benefit. The remaining portion of the member's retirement benefit shall be distributed to the beneficiaries at least as rapidly as under the method of distribution to the member. Effective March 1, 1997, if a member to whom a retirement benefit has been awarded or who is eligible therefor dies prior to the date as of which the total amount of retirement benefit paid equals the total amount of the employee contributions paid by or on behalf of the member and the member does not have a surviving beneficiary, the total benefits paid as of the date of the member's death shall be subtracted from the accumulated employee contribution amount and the balance, if greater than zero (0), shall be paid to the member's estate.

E. The State Board may review and affirm a member's request for retirement benefits prior to the member's normal retirement date

provided that no retirement benefits are paid prior to the normal retirement date.

F. A member retired under the provisions of this article may apply to the State Board to have the member's retirement benefits set aside and may make application for disability benefits. Upon approval of the disability benefits, the member would become subject to all provisions of this article pertaining to disability retirement.

G. Upon the death of a retired member or a beneficiary, the benefit payment for the month in which the retired member or beneficiary died, if not previously paid, shall be made to the beneficiary of the member, which shall include a successor in interest for whom an affidavit is provided to the System in accordance with Section 393 of Title 58 of the Oklahoma Statutes, or to the member's or beneficiary's estate if there is no beneficiary. Such benefit payment shall be made in an amount equal to a full monthly benefit payment regardless of the day of the month in which the retired member or beneficiary died.

H. If the requirements of Section 50-114.4 of this title are satisfied, a member who, by reason of attainment of normal retirement date or age, is separated from service as a public safety officer with the member's participating municipality, may elect to have payment made directly to the provider for qualified health insurance premiums by deduction from his or her monthly pension payment, after December 31, 2006, in accordance with Section 402(1) of the Internal Revenue Code of 1986, as amended.

SECTION 2. It being immediately necessary for the preservation of the public peace, health or safety, an emergency is hereby declared to exist, by reason whereof this act shall take effect and be in full force from and after its passage and approval.
