

1 STATE OF OKLAHOMA

2 2nd Session of the 55th Legislature (2016)

3 HOUSE BILL 2639

By: Wallace

4
5
6 AS INTRODUCED

7 An Act relating to liens; creating the Oklahoma
8 Construction Registry Act; making use of registry
9 voluntary; requiring provider to register if project
10 is registered in order to preserve lien or bond
11 rights; defining terms; excepting residential
12 construction projects; directing administrator employ
13 personnel, procure supplies and promulgate rules;
14 permitting registration of project by owner or
15 general contractor; prescribing timing for
16 registration; directing administrator assign registry
17 number; requiring number be provided in certain
18 contracts; listing information to be disclosed to
19 administrator; providing applicability of current law
20 if registry is not used; requiring provider to
21 register; permitting provider registration at any
22 time during project; clarifying frequency of
23 registration; listing information to be disclosed to
24 administrator; directing administrator send notice to
25 provider, owner and general contractor; barring lien
26 and bond rights for failure to register in time
27 provided; waiving pre-lien notice for registrants;
28 prescribing maximum fees; directing deposit of fees;
29 describing how funds should be expended; creating
30 revolving fund; specifying type of fund; directing
31 budgeting and spending of funds by administrator;
32 limiting fund; providing for codification; and
33 providing an effective date.

34 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

1 SECTION 1. NEW LAW A new section of law to be codified
2 in the Oklahoma Statutes as Section 160.1 of Title 42, unless there
3 is created a duplication in numbering, reads as follows:

4 This act shall be known and may be cited as the "Oklahoma
5 Construction Registry Act". The owner or project general contractor
6 may choose to use the Construction Registry. Once a project is
7 registered, all project providers shall register, and any provider
8 who does not register shall forfeit all rights to file a lien or
9 collect on a bond.

10 SECTION 2. NEW LAW A new section of law to be codified
11 in the Oklahoma Statutes as Section 160.2 of Title 42, unless there
12 is created a duplication in numbering, reads as follows:

13 A. As used in the Oklahoma Construction Registry Act:

14 1. "Administrator" means the Secretary of State or designee;

15 2. "Construction Registry" means a centralized electronic
16 database maintained by the administrator that provides a central
17 repository for the submission and management of notices of
18 commencement of work on a commercial construction project;

19 3. "Construction Registry Number" (CRN) means the unique number
20 assigned by the administrator for each construction project
21 registered on the Construction Registry. This number shall be used
22 to associate all data to a project;

23 4. "General contractor" (GC) means the person or entity that
24 directly contracts with the owner for the construction or

1 construction management of an owner's project. For purposes of this
2 act, the term general contractor (GC) encompasses construction
3 managers including construction manager at risk (CMR) and
4 construction manager of agency (CMA);

5 5. "Owner" means the property owner or the owner's
6 representative who has a legal right to contract with providers for
7 services and materials for a construction project; and

8 6. "Provider" means any person or entity, other than employees,
9 who furnishes labor, services, materials or rental equipment on a
10 construction project.

11 B. Nothing in this act shall apply to residential construction
12 projects. "Residential" means a single-family or multifamily
13 project of four or fewer dwelling units.

14 SECTION 3. NEW LAW A new section of law to be codified
15 in the Oklahoma Statutes as Section 160.3 of Title 42, unless there
16 is created a duplication in numbering, reads as follows:

17 The administrator of the Construction Registry shall:

18 1. Employ personnel and procure supplies and equipment as may
19 be necessary to carry out and implement the requirements of the
20 Oklahoma Construction Registry Act;

21 2. Promulgate rules and prescribe forms to implement the
22 provisions of this act;

23 3. Contract with any company to develop the data system
24 necessary to accomplish the requirements of the act; and

1 4. Administer any provision of the act through the use of the
2 Internet or other technology as deemed necessary or appropriate.

3 SECTION 4. NEW LAW A new section of law to be codified
4 in the Oklahoma Statutes as Section 160.4 of Title 42, unless there
5 is created a duplication in numbering, reads as follows:

6 A. The owner or general contractor may register the project
7 within ten (10) business days after the contract signing date or the
8 start of construction, whichever occurs first. Any project that is
9 not registered within the prescribed time shall not be afforded the
10 benefits of the Oklahoma Construction Registry Act and shall be
11 subject to the current lien laws of the state. The administrator
12 shall assign a Construction Registry Number to the project upon
13 registration. The Construction Registry Number shall be provided in
14 every contract with subcontractors or subcontractors of
15 subcontractors. Any person or entity acquiring materials, services,
16 labor or rental equipment from any provider on a project that has
17 been assigned a Construction Registry Number shall furnish the
18 provider with that Construction Registry Number.

19 B. The owner or general contractor shall provide the following
20 information to the administrator:

21 1. The owner's name, physical and mailing address, name of
22 contact person, name of project if any, email address and telephone
23 number;

1 2. The architect, physical and mailing address, name of contact
2 person, email address and telephone number;

3 3. The general contractor, physical and mailing address, name
4 of contact person, email address and telephone number;

5 4. The project's street address or the project's legal
6 description or the parcel number when available; and

7 5. The bond information to include name of issuer and bond
8 number if project is bonded.

9 C. When the owner or general contractor elects not to register
10 or fails to register a project on the Construction Registry within
11 the time allowed in subsection A of this section, the project shall
12 default to the current lien and bond law.

13 SECTION 5. NEW LAW A new section of law to be codified
14 in the Oklahoma Statutes as Section 160.5 of Title 42, unless there
15 is created a duplication in numbering, reads as follows:

16 A. In order to preserve its lien rights, a provider shall
17 register on the Construction Registry each project assigned a
18 Construction Registry Number for which that provider is furnishing
19 materials, labor, services or rental equipment. A provider may
20 register at any time during the construction project. Registration
21 is required only one time for each project. However, any provider
22 who may furnish labor, services, materials or rental equipment to
23 more than one entity on a project shall register each entity to
24 which it is providing the labor, services, materials or rental

1 equipment. Registration by any provider using the Construction
2 Registry shall preserve the lien rights of that provider for
3 activity up to sixty (60) days prior to the date of registration
4 through the completion date of the project. Registration by
5 provider eliminates the pre-lien notice requirement in Section 142.6
6 of Title 42 of the Oklahoma Statutes. The registration shall
7 contain all of the following information:

8 1. The Construction Registry Number;

9 2. The provider's name, mailing address, physical address,
10 email address, telephone number and contact person;

11 3. The date of first supply of materials, labor, services or
12 rental equipment by the provider if the provider has done so at the
13 time of registration; and

14 4. Any other information required by the administrator pursuant
15 to rule.

16 B. At the time a provider first registers on the Construction
17 Registry, the administrator shall electronically send notification
18 to the owner and general contractor, send confirmation notice to the
19 provider and docket the notice on the Construction Registry as
20 prescribed by the administrator pursuant to rule. Confirmation of
21 registration shall be provided at no cost to any registrant.

22 Registry subscription shall facilitate the registering entity to
23 obtain reporting on all filings for any project on which the entity
24 is a registrant.

1 C. A provider who fails to register in the time provided for in
2 subsection A of this section shall forfeit that provider's lien and
3 bond rights for that time period under the lien and bonding laws of
4 the state on a private construction project or the right to proceed
5 against a contractor's bond on a public or private construction
6 project. Any provider who has properly registered under the
7 Oklahoma Construction Registry Act shall retain all lien rights and
8 bond rights, and the provider shall not be required to give the
9 prelien notice required in Section 142.6 of Title 42 of the Oklahoma
10 Statutes.

11 SECTION 6. NEW LAW A new section of law to be codified
12 in the Oklahoma Statutes as Section 160.6 of Title 42, unless there
13 is created a duplication in numbering, reads as follows:

14 A. The following are the maximum fees for each posting to the
15 Construction Registry and review by any party that is not registered
16 on the project:

17 1. Project registration \$10.00

18 After a project is registered, the owner and general contractor
19 may review at no additional charge.

20 2. Provider registration \$5.00

21 The provider shall register each additional entity to whom
22 they sell on the project \$2.00

23 After a provider is registered, the provider may review at no
24 additional charge.

1 3. Nonregistered party's review \$10.00

2 The administrator may, by rule, establish a subscription fee system
3 for a provider in lieu of the above individual fees.

4 B. All monies collected by the administrator for registration
5 fees shall be deposited to the Oklahoma Construction Registry
6 Revolving Fund created by Section 7 of this act. These funds shall
7 be used by the administrator to implement, administer and maintain
8 the Oklahoma Construction Registry Act. Payment may be made to the
9 administrator in the same manner as other fees are paid to the
10 administrator.

11 SECTION 7. NEW LAW A new section of law to be codified
12 in the Oklahoma Statutes as Section 160.7 of Title 42, unless there
13 is created a duplication in numbering, reads as follows:

14 There is hereby created in the State Treasury a revolving fund
15 for the administrator to be designated the "Oklahoma Construction
16 Registry Revolving Fund". The fund shall be a continuing fund, not
17 subject to fiscal year limitations, and shall consist of monies from
18 registration fees and any other monies collected pursuant to the
19 Oklahoma Construction Registry Act. All monies accruing to the
20 credit of the fund are hereby appropriated and may be budgeted and
21 expended by the administrator for implementation, administration and
22 maintenance of the Oklahoma Construction Registry Act. Expenditures
23 from the fund shall be made upon warrants issued by the State
24 Treasurer against claims filed as prescribed by law with the

1 Director of the Office of Management and Enterprise Services for
2 approval and payment. This fund shall be subject to and comply with
3 the provisions of Section 211 of Title 62 of the Oklahoma Statutes.

4 SECTION 8. This act shall become effective July 1, 2017.
