20 Section 230.2 A. The Legislature finds:

2 regulations-;

3 2. That hazardous materials are essential for various

2 including hazardous materials, consistent with federal regulation of
3 interstate transportation.

4 C. It is not the intent of the Legislature to regulate the
5 movement of hazardous materials in such quantities that would not
6 pose a substantial danger to the public health and safety, and the
7 ~~Department~~ Commission may provide for exemptions as provided for in
8 federal regulations for farm use, and other appropriate exemptions
9 consistent with federal regulations.
