BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified  
in the Oklahoma Statutes as Section 350 of Title 73, unless there is  
created a duplication in numbering, reads as follows:

A. Subject to the limitations with respect to the authorized  
date of issuance provided by this subsection, the Oklahoma Capitol  
Improvement Authority is authorized to issue notes, bonds, other  
evidences of obligation, or execute federal loans, in an amount  
necessary to generate net proceeds of Two Hundred Million Dollars  
(\$200,000,000.00), no earlier than July 1, 2020, after providing for  
costs of issuance, credit enhancement, reserves and other associated  
expenses related to the financing.

B. Net proceeds of the financing will be deposited into a  
construction fund to provide for the financing of acquisition of  
real property, together with improvements located thereon, and

1 personal property, to construct, maintain and improve those state  
2 highway and state bridge assets identified in the Oklahoma  
3 Transportation Commission Construction Work Plan as represented in  
4 the Appendix of this act, which is incorporated as if fully set out  
5 herein.

6 C. The Transportation Commission or the Department of  
7 Transportation shall use the proceeds identified in subsection B of  
8 this section according to the priority of the enumerated project as  
9 it appears for the applicable federal fiscal year in the  
10 Construction Work Plan described in subsection B of this section in  
11 order to facilitate the completion of the enumerated projects,  
12 giving consideration to the ability to match federal funding and  
13 such other factors as the Transportation Commission or the  
14 Department of Transportation shall deem fiscally prudent.

15 D. Earnings that result from the investment of the construction  
16 fund may be used for the projects authorized in this section or for  
17 other legal purposes approved by the Authority.

18 E. The Authority, the Transportation Commission and the  
19 Department of Transportation are authorized to enter into such  
20 agreements as may be necessary to authorize the Authority to hold  
21 title to the real and personal property and improvements until such  
22 time as any obligations issued for the purpose set forth in  
23 subsection B of this section are retired or defeased and the  
24 Authority may lease the real property and improvements to the

1 Transportation Commission or the Department of Transportation for  
2 the purposes authorized by this section. Upon final redemption or  
3 defeasance of the obligations created pursuant to this section,  
4 title to the real and personal property and improvements shall be  
5 transferred from the Oklahoma Capitol Improvement Authority to the  
6 Transportation Commission or the Department of Transportation.

7 F. For the purpose of paying the costs for acquisition and  
8 construction of the real property and improvements and personal  
9 property and making the repairs, refurbishments and improvements to  
10 real and personal property, and providing funding for the projects  
11 authorized in this section, and for the purpose authorized in  
12 subsection H of this section, the Authority is hereby authorized to  
13 borrow monies on the credit of the income and revenues to be derived  
14 from the leasing of such real and personal property and improvements  
15 and, in anticipation of the collection of such income and revenues,  
16 to issue negotiable obligations in one or more series.

17 G. It is the intent of the Legislature to appropriate to the  
18 Department of Transportation sufficient monies to make rental  
19 payments for the purposes of retiring the obligations created  
20 pursuant to this section.

21 H. To the extent funds are available from the proceeds of the  
22 borrowing authorized by subsection A of this section, the Oklahoma  
23 Capitol Improvement Authority shall provide for the payment of  
24

1 professional fees and associated costs related to the projects  
2 authorized in this section.

3 I. The Authority may issue obligations in one or more series  
4 and in conjunction with other issues of the Authority. The  
5 Authority is authorized to hire bond counsel, financial consultants  
6 and such other professionals as it may deem necessary to provide for  
7 the efficient sale of the obligations or execution of a loan with an  
8 agency of the federal government and may utilize a portion of the  
9 proceeds of any borrowing to create such reserves as may be deemed  
10 necessary and to pay costs associated with the issuance and  
11 administration of such obligations.

12 J. The bond indenture or other instrument pursuant to which the  
13 Oklahoma Capitol Improvement Authority becomes obligated for the  
14 repayment of principal and interest of the proceeds from the sale of  
15 obligations or execution of a loan with an agency of the federal  
16 government authorized in subsection A of this section shall provide  
17 that all obligations are to be repaid from the source of revenue  
18 specified in this section.

19 K. The bonds or other obligations issued pursuant to this  
20 section shall not at any time be deemed to constitute a debt of the  
21 state or of any political subdivision thereof or a pledge of the  
22 faith and credit of the state or of any such political subdivision.

23 L. Such bonds or other obligations shall contain on the face  
24 thereof a statement that neither the faith and credit nor the taxing

1 power of the state or any political subdivision thereof is pledged,  
2 or may hereafter be pledged, to the payment of the principal of or  
3 the interest on such bonds.

4 M. The obligations authorized under this section may be sold at  
5 either competitive, negotiated sale, or may be directly placed with  
6 an agency of the federal government as determined by the Authority,  
7 and in such form and at such prices as may be authorized by the  
8 Authority. The Authority may enter into agreements with such credit  
9 enhancers and liquidity providers as may be determined necessary to  
10 efficiently market the obligations. The obligations may mature and  
11 have such provisions for redemption as shall be determined by the  
12 Authority, but in no event shall the final maturity of such  
13 obligations occur later than thirty (30) years from the first  
14 principal maturity date.

15 N. Any interest earnings on funds or accounts created for the  
16 purposes of this section may be utilized as partial payment of the  
17 annual debt service or for the purposes directed by the Authority.

18 O. The obligations issued under this section, the transfer  
19 thereof and the interest earned on such obligations, including any  
20 profit derived from the sale thereof, shall not be subject to  
21 taxation of any kind by the State of Oklahoma, or by any county,  
22 municipality or political subdivision therein.

23 P. The Authority may direct the investment of all monies in any  
24 funds or accounts created in connection with the offering of the

1 obligations authorized under this section. Such investments shall  
2 be made in a manner consistent with the investment guidelines of the  
3 State Treasurer. The Authority may place additional restrictions on  
4 the investment of such monies if necessary to enhance the  
5 marketability of the obligations.

6 Q. Insofar as they are not in conflict with the provisions of  
7 this section, the provisions of Section 151 et seq. of Title 73 of  
8 the Oklahoma Statutes shall apply to this section.

9 R. The Oklahoma Capitol Improvement Authority may initiate  
10 proceedings for purposes of validating the obligations authorized  
11 pursuant to the provisions of this section according to the  
12 provisions of Section 14.1 of Title 20 of the Oklahoma Statutes not  
13 later than one hundred twenty (120) days after the effective date of  
14 this act.
