- c. frontotemporal dementia,
- d. Huntington's disease,

- e. Korsakoff syndrome,
- f. Lewy body dementia,
- g. Parkinson's disease,
- h. progressive supranuclear palsy,
- i. vascular dementia, or
- j. any other neurocognitive disorder that results in the irreversible deterioration of intellectual faculties.

SECTION 3. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-879.13 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. The State Department of Health shall compile and publish an Alzheimer's Disease and Related Dementia State Plan and shall update the state plan every four (4) years. The Department shall consult with relevant stakeholders when compiling and updating the state plan.

B. Components of the state plan shall include, but not be limited to:

1. Information on statewide coordination and service system development for Alzheimer's disease and related dementia;

2. Information on education, support, and other available services for Alzheimer's disease and related dementia;

3. Progress reports, updates, and measures of improvement or decline in relevant metrics regarding dementia diagnosis, treatment, services, and outcomes as compared to the previous state plan;

4. Public policy recommendations concerning Alzheimer's disease and related dementia for state policymakers; and

5. Information on all grant awardees, projects, and amounts awarded under Section 5 of this act.

C. The Department shall publish the state plan on its Internet website and shall submit the state plan to the Speaker of the Oklahoma House of Representatives, the President Pro Tempore of the

Oklahoma State Senate, the Governor, and the appropriate cabinet secretary.

D. The State Department of Health shall create and publish an annual report that consists of the progress of implementing the state plan, and the use and distribution of the Dementia Caregiver Support Group and Education Program Development Fund and the Alzheimer's Disease and Related Dementia Research Fund.

E. The Department shall publish the annual report on its Internet website.

SECTION 4. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-879.14 of Title 63, unless there is created a duplication in numbering, reads as follows:

There is hereby created in the State Treasury a revolving fund for the State Department of Health to be designated the "Dementia Caregiver Support Group and Education Program Development Fund". The fund shall be a continuing fund, not subject to fiscal year limitations, and shall consist of all monies deposited to the credit of the fund by law. All monies accruing to the credit of the fund are hereby appropriated and may be budgeted and expended by the Department for the purpose of awarding grants as described in Section 5 of this act. Expenditures from the fund shall be made upon warrants issued by the State Treasurer against claims filed as prescribed by law with the Director of the Office of Management and Enterprise Services for approval and payment.

SECTION 5. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-879.15 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. The State Department of Health shall develop a program to award grants to nonprofit organizations operating in areas of this state that meet the United States Census Bureau classification of "rural" to support community efforts to establish support groups and evidence-based community education programs for caregivers of persons with Alzheimer's disease and related dementia. Subject to available funding, the grants shall be awarded annually.

B. The Department shall develop an application process and eligibility requirements for receiving the grants. The Department shall be responsible for distributing and managing the grant awards.

C. The State Commissioner of Health may promulgate rules as necessary to implement this act.

D. The State Department of Health shall include information on the awardee(s), project(s), and dollars awarded in the annual report as described in Section 3 of this act.

E. This fund shall sunset five (5) years from the enactment of this act.

SECTION 6. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-879.16 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. There is hereby created in the State Treasury, subject to the availability of funds, a revolving fund for the State Department of Health to be designated the "Alzheimer's Disease and Related Dementia Research Fund". The Alzheimer's Disease and Related Dementia Research Fund shall be a continuing fund, not subject to fiscal year limitations, and shall consist of all monies deposited to the credit of the fund by law. All monies accruing to the credit of the fund are hereby appropriated and may be budgeted and expended by the State Department of Health for the purposes listed in Section 5 of this act. Expenditures from the fund shall be made upon warrants issued by the State Treasurer against claims filed as prescribed by law with the Director of the Office of Management and Enterprise Services for approval and payment.

B. The awards shall be made through an awards committee of seven (7) members, coordinated by the Dementia Services Manager, consisting of three (3) representatives from the scientific and medical communities, three (3) members of the general public, and the Dementia Services Manager.

C. The awards shall be given annually to selected applicants residing and performing research in the State of Oklahoma in order to support research into the causes of Alzheimer's disease and related dementia, methods of treatment, ways that families can cope with the stresses of the disease, and the impact of the disease on Oklahoma.

D. Information on the awardee, project, and dollars awarded shall be included in the annual report as described in Section 3 of this act.

SECTION 7. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-879.17 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. The State Department of Health shall maintain a minimum of at least one (1) dementia-specific trained and certified community health worker, health educator, or other relevant employee in each health district to serve Oklahoma residents.

B. The State Department of Health shall have a dementia-specific trained and certified community health worker, health educator, or other relevant employee in each health district by identifying and training one (1) relevant employee in three (3) health districts the year after the enactment of this act, then one (1) relevant employee in three (3) health districts each year following until each health district has one (1) dementia-specific trained and certified relevant employee serving each health district or by year four after the enactment of this act, whichever comes first.

C. Each health district shall select an employee to receive the dementia-specific training and certification based on that district's assessment of the employee's capabilities, workload, competency, and interest. The health district shall oversee the employee in the employee's day-to-day capacity.

D. The State Department of Health-trained and -certified dementia-specific employee shall serve Oklahoma residents in the following manner:

1. Connect caregivers and persons living with Alzheimer's disease or related dementia to community resources;

2. Provide community outreach, engagement, and education on Alzheimer's disease and related dementia; and

3. Help connect caregivers and persons living with Alzheimer's disease or related dementia to relevant education and support groups.

E. The State Department of Health-trained and -certified dementia-specific employee shall complete a dementia care training program recognized by the Centers for Medicare and Medicaid Services (CMS) from a certified training source or trainer.

F. The State Department of Health-trained and -certified dementia-specific employee shall complete annual continuing education.

G. Each health district shall work with the employee acting as the director or manager of federal funds pertaining to the development of a dementia-friendly public health system to share data and quality metrics on the trained and certified dementia-specific employee's impact in local communities. Data and quality metrics shall be established by the Center for Chronic Disease Prevention and Health Promotion.

H. The oversight of the trained and certified dementia-specific employee's certification status, continuing education, data and quality metrics analysis, and impact reporting shall reside with the employee acting as the director or manager of federal funds pertaining to the development of a dementia-friendly public health system. As part of this oversight, the employee acting as the director or manager of federal funds pertaining to the development of a dementia-friendly public health system shall receive up to ten percent (10%) of administrative funds to ensure sustainability of the integrity of the trained and certified dementia-specific employee program.

I. The State Department of Health shall include information on the implementation of the trained and certified dementia-specific employees and the data and quality metrics achieved in local communities in the annual report as described in Section 3 of this act.

SECTION 8. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1280.5 of Title 59, unless there is created a duplication in numbering, reads as follows:

Curriculum for certified community health workers shall include, but not be limited to, training on Alzheimer's disease and related dementia.

SECTION 9. REPEALER 63 O.S. 2021, Sections 1-879.2 and 1-879.3, are hereby repealed.

SECTION 10. This act shall become effective November 1, 2023.
