A. There is hereby created in the State Treasury a revolving fund to be known and designated as the "Revenue Stabilization Fund". The fund shall be a continuing fund, not subject to fiscal year limitations.

B. No monies shall be deposited to the credit of the Revenue Stabilization Fund until such time as the amount of actual revenue certified by the State Board of Equalization as having been deposited into the General Revenue Fund for the first fiscal year prior to the beginning of the fiscal year that deposits to the

Revenue Stabilization Fund are first made equals or exceeds Five Billion Seven Hundred Thirty Million Dollars (\$5,730,000,000.00).

C. Once the provisions prescribed by subsection B of this section have been met, deposits to the Revenue Stabilization Fund as prescribed by this section may be made during any subsequent fiscal year according to the requirements and limitations imposed by this act.

D. Notwithstanding any other provisions of this section, no monies shall be deposited to the credit of the Revenue Stabilization Fund for any month during a fiscal year after the month during which the declaration of a revenue failure pursuant to the provisions of Section 34.49 of Title 62 of the Oklahoma Statutes has been made. For purposes of this subsection, the limitation on deposits to the Revenue Stabilization Fund shall be imposed for the remaining months of the fiscal year during which the revenue failure was declared, but shall not operate as a limitation upon deposits for any subsequent fiscal year unless a revenue failure is declared at some time during such fiscal year.

E. The Revenue Stabilization Fund shall consist of:

of the fiscal year, provided the total amount withdrawn shall not exceed the amount of the declared revenue failure, to reduce or avoid reductions to agencies for the current fiscal year and to mitigate potential reductions of funds to be expended by common school districts which were appropriated or authorized by the Legislature, but excluding any funds which are apportioned directly to common school districts.

G. In the event that a revenue failure is declared with respect to the General Revenue Fund pursuant to Section 34.49 of Title 62 of the Oklahoma Statutes, the Legislature may appropriate up to one-quarter (1/4) of the balance of the Revenue Stabilization Fund available at the beginning of the fiscal year, not to exceed the amount of the revenue failure as declared with respect to the General Revenue Fund pursuant to Section 34.49 of Title 62 of the Oklahoma Statutes.

H.
