Such notice shall be published one time, not less than ten (10) days prior to the date named for the hearing and the hearing may be adjourned from time to time in the discretion of the Court. If the Court is satisfied that the bonds have been properly authorized in accordance with the Oklahoma State University Veterinary Medicine Authority Act, and that when issued such bonds will constitute valid obligations in accordance with their terms, the Court shall render its written opinion approving the bonds and shall fix the time within which the petition for rehearing may be filed. The decision of the Court shall be a judicial determination of the validity of the bonds, shall be conclusive as to the Authority of the Trust, its officers and agents, and thereafter the bonds so approved and the revenues pledged to their payment shall be incontestable in any court in the State of Oklahoma.

The report shall also provide a complete accounting of how the Trust meets its primary function of effectuating the purposes of the Oklahoma State University Veterinary Medicine Authority, as established in the Oklahoma State University Veterinary Medicine Authority Act.

B. The Oklahoma State University Veterinary Medical Trust shall require any agreements which it enters into with any entity pursuant to Section 22 of this act for the operations of facilities leased by the Oklahoma State University Veterinary Medicine Authority to the Trust to include, but not be limited to:

1. The inclusion of all the members of the Trust, representing the State of Oklahoma in a governing committee;

2. Binding arbitration shall not be required by such agreements for resolving issues under consideration by the governing committee; and

3. Major decisions shall be resolved by the governing committee, and approval of any major decision by the governing committee must include the approval of a majority of the state appointees and the approval of a majority of the private entity appointees to the governing committee. Major decisions shall include:

- a. approval of the operating and capital budgets,
- b. sale or disposition of assets over Two Hundred Fifty Thousand Dollars (\$250,000.00),
- c. the termination, transfer, material addition, or material diminution of animal medical services at the Oklahoma State University Veterinary Hospital related

to and part of a teaching program of the Oklahoma State University College of Veterinary Medicine, and

- d. other major decisions as may be agreed upon by the Trust and the private entity.

C. To the extent it is determined by legislative enactment that the Trust has expended funds in contravention of its mission as set forth in this section, the Trust shall remit, upon a thirty (30) day written notice from the Oklahoma State University Veterinary Medicine Authority, such sum or sums to the Oklahoma State University Veterinary Medicine Authority.

SECTION 20. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 4020 of Title 2, unless there is created a duplication in numbering, reads as follows:

A. Contingent upon the creation of the Oklahoma State University Veterinary Medical Trust as provided in Section 20 of this act, the Trust, prior to acceptance, shall submit to the Contingency Review Board for review the proposed agreement regarding the lease and operations of any animal hospital or hospitals owned by the Oklahoma State University Veterinary Medicine Authority to any entity authorized to transact business in the state and an independent statement as to the fairness of said proposed agreement for the State of Oklahoma. The Contingency Review Board shall upon receipt of the proposed agreement meet within fifteen (15) business days to review the proposed agreement; and unless the Contingency Review Board disapproves the proposed agreement, the agreement may be executed but no lease of the animal hospital or hospitals shall become effective until after Supreme Court approval pursuant to subsection B of this section.

B. 1. If a proposed agreement is not disapproved by the Contingency Review Board pursuant to subsection A of this section, the Oklahoma State University Veterinary Medicine Authority and Oklahoma State University Veterinary Medical Trust, within thirty (30) calendar days after the time for Contingency Review Board action has expired, may file a petition with the Supreme Court of Oklahoma for a declaratory judgment determining the validity of the proposed agreement. The review of the Court shall be based upon the exercise of any of the powers, rights, privileges, and functions conferred upon the Authority or the Oklahoma State University Veterinary Medical Trust, as applicable, under the Oklahoma State University Veterinary Medicine Authority Act and Oklahoma Statutes.

Exclusive original jurisdiction is conferred upon the Supreme Court to hear and determine such petitions. The Supreme Court shall give such petitions precedence over other business of the Court except habeas corpus proceedings.

2. Notice of the hearing of such a petition shall be given by a notice published in a newspaper of general circulation in this state that on a day specified the Supreme Court will hear the petition to approve the proposed agreement and enter a declaratory judgment. The notice shall be published one time not less than ten (10) days prior to the date specified for the hearing. The notice shall inform property owners, taxpayers, citizens and all persons having or claiming any right, title, or interest in the proposed agreement or properties or funds to be affected by the implementation of the proposed agreement, or affected in any way thereby, that they may file protests against the approval of the proposed agreement, and be present at the hearing to contest the legality of the proposed agreement. The hearing may be adjourned from time to time at the discretion of the Court.

3. If the Court is satisfied that the proposed agreement is in accordance with the Oklahoma State University Veterinary Medicine Authority Act and Oklahoma Statutes, the Court shall enter a declaratory judgment approving and declaring the proposed agreement to be valid and conclusive as to the Authority, the Trust, and all other parties to the proposed agreement; and, upon petition of the Authority, shall issue an order permanently enjoining all persons described in the notice required by this subsection from thereafter instituting any action or proceeding contesting the validity of the proposed agreement. A declaratory judgment rendered pursuant to this subsection shall have force and effect of a final judgment or decree and shall be incontestable in any court in this state.

4. As used in the Oklahoma State University Veterinary Medicine Authority Act, "proposed agreement" means one or more contracts regarding the lease and operations of any animal hospital or hospitals owned by the Oklahoma State University Veterinary Medicine Authority and all other agreements contemplated by or referred to in the contract regarding such lease and operations.

SECTION 21. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 4021 of Title 2, unless there is created a duplication in numbering, reads as follows:

A. Contingent upon the creation of the Oklahoma State University Veterinary Medical Trust as provided in Section 20 of this act, the Oklahoma State University Veterinary Medicine Authority is hereby authorized to lease, for a term of not more than fifty (50) years, renewable at the option of the Authority, all real property owned by the Authority and any other sites under the control of the Authority to the Oklahoma State University Veterinary Medical Trust. Any lease agreement made pursuant to this section shall be contingent upon:

1. Prior review by the Attorney General of any contractual agreement between the Oklahoma State University Veterinary Medical Trust and any entity authorized to transact business in the State of Oklahoma regarding the lease and operations. The Attorney General shall disapprove the agreement if it is determined that provisions of the agreement are not consistent with state law; and

2. The execution of an operating and lease agreement between the Oklahoma State University Veterinary Medical Trust and any entity authorized to transact business in the State of Oklahoma.

B. Concurrent with the execution of a lease of real property from the Oklahoma State University Veterinary Medicine Authority to the Oklahoma State University Veterinary Medical Trust as provided in subsection A of this section, the Authority is authorized to transfer title to and possession of all tangible and intangible personal property under its control to the Trust. In any contractual agreement regarding the lease and operations of an animal hospital or hospitals between the Oklahoma State University Veterinary Medical Trust and any entity authorized to transact business in the State of Oklahoma, the Trust is authorized to sell or otherwise convey to such entity all tangible and intangible personal property the Trust may receive from the Oklahoma State University Veterinary Medicine Authority. Any contract or other agreement which purports to exercise the powers authorized by this subsection is subject to review by the Contingency Review Board, as specified in Section 21 of this act.

C. If a contracting entity fails to take possession of the leased premises, or abandons or surrenders possession of the leased premises other than to a state agency, at any time during the term of the lease between the Oklahoma State University Veterinary Medical Trust and the contracting entity, the interest in the real property leased to the Oklahoma State University Veterinary Medical Trust by the Oklahoma State University Veterinary Medicine Authority

shall revert to and be the sole and exclusive property of the Oklahoma State University Veterinary Medicine Authority.

D. Contingent upon the execution of an agreement between the Oklahoma State University Veterinary Medical Trust and any entity authorized to transact business in the State of Oklahoma, as specified in subsection A of this section, the Oklahoma State University Veterinary Medicine Authority is authorized to enter into an agreement for such entity to provide animal patient care services and perform other related duties imposed upon the Oklahoma State University Veterinary Medicine Authority by law. Such an agreement between the Oklahoma State University Veterinary Medicine Authority and such entity is exempt from the requirements of the Oklahoma Central Purchasing Act and any rules adopted by the Oklahoma State University Veterinary Medicine Authority pursuant to the Administrative Procedures Act. The governing committee created by the agreement and the Oklahoma State University Veterinary Medical Trust shall be subject to the Open Meeting Act and the Oklahoma Open Records Act to the same extent and with the same exceptions as provided for the Oklahoma State University Veterinary Medicine Authority in Section 5 of this act and shall be exempt from the Oklahoma Central Purchasing Act.

SECTION 22. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 4022 of Title 2, unless there is created a duplication in numbering, reads as follows:

There is hereby created in the State Treasury a revolving fund for the Oklahoma State University Veterinary Medical Trust to be designated the "Oklahoma State University Veterinary Medical Trust Revolving Fund". The fund shall be a continuing fund, not subject to fiscal year limitations, and shall consist of all monies directed for deposit to the fund by law. All monies accruing to the credit of the fund are hereby appropriated and may be budgeted and expended by the Oklahoma State University Veterinary Medical Trust in accordance with the provisions of this act. Expenditures from said fund shall be made upon warrants issued by the State Treasurer against claims filed as prescribed by law with the Director of the Office of Management and Enterprise Services for approval and payment.

SECTION 23. This act shall become effective July 1, 2023.

SECTION 24. It being immediately necessary for the preservation of the public peace, health or safety, an emergency is hereby

declared to exist, by reason whereof this act shall take effect and be in full force from and after its passage and approval.
