SECTION 2. NEW LAW A new section of law to be codified
 in the Oklahoma Statutes as Section 4150.1 of Title 59, unless there
 is created a duplication in numbering, reads as follows:

4 There is hereby created professional and occupational Α. 5 licensing recognition for the issuance of licenses for applicants moving to and residing in Oklahoma. Unless otherwise provided by 6 7 law, this act shall not apply to any laws authorizing reciprocity including interstate compacts, state-to-state reciprocal agreements 8 9 and other state-to-state equivalency provisions pertaining to 10 licensees and certificate holders and applicants from other states. 11 For purposes of this act, "Oklahoma regulatory entity" means any 12 administrative body or official with authority over any occupational 13 or professional license or certification in this state.

14 A person moving to and residing in Oklahoma may make в. 15 application for licensing or certification pursuant to the Universal 16 Licensing Recognition Act if there is no conflict with any 17 interstate compact or state-to-state reciprocity or equivalency 18 agreements as determined by the Oklahoma regulatory entity. When an 19 applicant moves from a state with or without statewide licensing or 20 certification in the discipline applied for and at the same practice 21 level as determined by the Oklahoma regulating entity pursuant to 22 this act and such applicant establishes verifiable proof of physical 23 residency in this state or is married to and accompanying an active 24 duty member of the Armed Forces of the United States to an official

1 permanent change of station to a military installation located in 2 this state and such spouse is not making application pursuant to the 3 Military Service Occupation, Education and Credentialing Act, all of 4 the following shall apply:

5 1. The out-of-state applicant is a person who is currently licensed or certified by another state with similar scope of work 6 7 through substantially similar or equivalent licensure or certification standards of examination, minimum education 8 9 requirements and, if applicable, professional work experience, 10 education training and clinical supervision requirements and the 11 other state verifies that the person met these requirements in order 12 to be licensed or certified in that state, the out-of-state state 13 license or certification is and has been maintained in good standing 14 in all states in which the person holds a license or certification 15 for at least one (1) year before making application to Oklahoma 16 under this act, and there is no Oklahoma statutory authority under 17 Title 59 of the Oklahoma Statutes for license reciprocity or 18 interstate compact with Oklahoma in the professional discipline 19 applied for and at the same practice level as determined by the 20 Oklahoma regulating entity;

21 2. The person demonstrates verifiable proof as determined by 22 the Oklahoma regulating entity of having work experience, education 23 training and clinical supervision, as applicable, in the scope of 24

work of the lawful profession for the same amount of time required
 for Oklahoma in-state applicants;

3. Except for Oklahoma regulating entities with statewide 3 4 licensing and certifications under an interstate licensing compact 5 or state-to-state reciprocal licensing agreement providing parity among the states and having substantially similar training or work 6 7 requirements, the Oklahoma regulating entity shall apply all substantially similar and verifiable professional work experience, 8 9 education training and clinical supervision in the manner most 10 favorable towards satisfying any professional work experience, education training and clinical supervision qualifications for 11 issuance of the requested license or certification that facilitates 12 13 recognition among states for licensing in the discipline applied for 14 and at the same practice level as determined by the Oklahoma 15 regulating entity pursuant to the requirements of the state license 16 or certification;

17 4. The person demonstrates a successful passage of an
18 equivalent or substantially similar examination from another state
19 or the examination for the Oklahoma examination requirement as
20 determined by the Oklahoma regulatory entity;

5. The person pays all applicable fees, not exceeding the cost
of current in-state licensure fees;

23 6. The person making application demonstrates verifiable proof24 that the person has not had and is free of any pending complaint,

investigation, suspension, revocation, voluntary surrender pending investigation or resolution of complaint, or discipline imposed by any other regulating entity or jurisdiction for unprofessional conduct involving the applicant's out-of-state work or any other state license or certification directly related to the application as determined by the Oklahoma regulating entity;

7 If another jurisdiction has taken disciplinary action 7. against the person, the originating regulating entity or 8 9 jurisdiction is to determine if the cause for the action was 10 corrected and the matter resolved with the information made 11 accessible and reported to Oklahoma. If the matter has not been 12 resolved by that jurisdiction, the Oklahoma regulating entity will 13 hold an application until the matter is resolved but not longer than 14 one (1) year from the time of application at which time the Oklahoma 15 regulating entity will deny the application unless notified of 16 extraordinary circumstances warranting a one-time six-month 17 extension before the application is to be approved or denied;

Upon licensure or certification under this act, the licensee
 or certificate holder shall report to the Oklahoma regulatory entity
 any final determination on disciplinary actions, resignations
 pending discipline, suspensions or revocations imposed by the
 originating jurisdiction within thirty (30) days; and

9. If state law other than this act requires a review of
disqualifying criminal history records for a certain license or

certification, the person shall demonstrate verifiable proof pursuant to the laws of Oklahoma that there is no disqualifying criminal history, pursuant to the criminal justice reform provisions limiting criminal history prohibitions at Section 4000.1 of Title 59 of the Oklahoma Statutes, and as determined by the Oklahoma regulating entity.

7 С. This section shall not prevent an Oklahoma regulating entity from entering into an interstate compact or state-to-state 8 9 reciprocity agreement or other equivalency agreement with another 10 state or jurisdiction to facilitate recognition, except that the 11 agreement shall not allow out-of-state licensees or certificate 12 holders to obtain a license or certificate by reciprocity in 13 Oklahoma if the applicant has not met standards that are 14 substantially similar or equivalent to the standards required for 15 Oklahoma as determined by the Oklahoma regulating entity in 16 compliance with the statutory and regulatory authority of the 17 Oklahoma regulating entity.

D. A person who is licensed pursuant to this act is subject to the laws regulating the person's practice and license or certification in Oklahoma and is subject to the Oklahoma regulating entity's jurisdiction.

E. A statewide professional or occupational license or
certificate issued pursuant to this act is valid only in Oklahoma.
It shall not make the person obtaining licensure or certification

under this act eligible to work in another state under an interstate compact or state-to-state reciprocity agreement unless specifically authorized for the profession applied for and at the same practice level as determined by the Oklahoma regulating entity pursuant to the requirements of this act.

6

F. This act shall not apply to:

Requirements for a criminal history background check; and
Criteria for a license, permit or certificate of eligibility
that is established by an interstate compact or state-to-state
reciprocal agreement.

11 G. For purposes of this act, residency may be established by 12 demonstrating verifiable proof of a state-issued identification card 13 and one of the following if the document contains the name and 14 physical address of the person making application:

5. Any other verifiable documentation demonstrating Oklahoma
 residency as determined by the Oklahoma regulating entity.

3 H. Nothing in this act shall allow any person to obtain a
4 license or certification without satisfying substantially similar or
5 equivalent requirements for in-state licensure or certification.

I. When an out-of-state applicant has complied with the
requirements of Title 59 of the Oklahoma Statutes as determined by
the Oklahoma regulatory entity and is not excluded from obtaining an
Oklahoma license or certification by any provision of this act, the
Oklahoma regulatory entity shall issue the appropriate license or
certification.

J. Nothing in this act shall be construed to prohibit a person from applying for a statewide professional or occupational license or certification under another statute or rule in Oklahoma.

15 K. Nothing in this act shall be construed to prevent licensing 16 or certification compacts or reciprocity agreements with another 17 state or jurisdiction.

18 L. This act shall be applied in a manner that increases 19 recognition of licensure and certification among states without any 20 right of an applicant to become licensed or certified in Oklahoma.
