11 A Joint Resolution expressing the legislative intent
12 of House Joint Resolution No. 1012 of the 1st Session
13 of the 55th Oklahoma Legislature; stating that the
14 proposed constitutional amendment will ensure certain
15 protections; stating the proposed constitutional
16 amendment is intended to prevent certain government
17 regulations and restrictions; stating the intent of
18 the proposed constitutional amendment is to provide
19 certain communications; and declaring an emergency.

20 WHEREAS, House Joint Resolution No. 1012 passed the Oklahoma
21 Legislature during the first session of Oklahoma's 55th Legislature
22 in 2015 and will propose a state question that, if approved, would
23 amend the Oklahoma State Constitution to guarantee farming and
24 ranching practices in this state.

 NOW, THEREFORE, BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES
AND THE SENATE OF THE 1ST SESSION OF THE 55TH OKLAHOMA LEGISLATURE:

1 SECTION 1. The legislative intent of the proposed
2 constitutional amendment in House Joint Resolution No. 1012 is to
3 ensure that Oklahoma's citizens have access to a secure, nutritious,
4 abundant and diverse food supply at a reasonable cost and to
5 preserve and protect agriculture as a vital part of Oklahoma's
6 economy that provides direct employment opportunities as well as a
7 significant impact to intrastate, interstate, and international
8 commerce and trade.

9 The proposed constitutional amendment should be construed to
10 give the greatest possible defense and deference to Oklahoma's
11 farmers and ranchers.

12 The proposed constitutional amendment is intended to prevent
13 unreasonable regulations and government restrictions that inhibit
14 the ability of Oklahoma's farmers and ranchers to utilize their
15 knowledge, expertise, judgment, technology and commonly accepted
16 standards and practices to produce food and animals. Regulations
17 should only be passed that meet a compelling state interest and only
18 be utilized when an immediate danger exists to the health, safety or
19 welfare of the public. An example of compelling state interest
20 would include, but not be limited to, protecting public drinking
21 water and preventing the growing of illegal substances.

22 The proposed constitutional amendment is intended to send a
23 clear signal that Oklahoma recognizes and asserts its sovereign
24 interest in protecting its agricultural economy and agricultural

1 community from overregulation and unnecessary government
2 interference, in order to preserve and ensure the security of its
3 citizen's food supply and the state's economic prosperity.

4 SECTION 2. It being immediately necessary for the preservation
5 of the public peace, health and safety, an emergency is hereby
6 declared to exist, by reason whereof this act shall take effect and
7 be in full force from and after its passage and approval.
