14 amended to read as follows:

15 Section 2-307.5. A. The Board shall adopt rules for

17 These rules shall base the purchase price for each year purchased on  
18 the actuarial cost of the incremental projected benefits to be  
19 purchased. The purchase price shall represent the present value of  
20 the incremental projected benefits discounted according to the  
21 member's age at the time of purchase. Incremental projected  
22 benefits shall be the difference between the projected benefit said  
23 member would receive without purchasing the transferred credited

13 investment earnings each year. Any member who ceases to make  
14 payment, terminates, retires or dies before completing the payments  
15 provided for in this section shall receive prorated service credit  
16 for only those payments made, unless the unpaid balance is paid by  
17 said member, his or her estate or successor in interest within six  
18 (6) months after said member's death, termination of employment or  
19 retirement, provided no retirement benefits shall be payable until  
20 the unpaid balance is paid, unless said member or beneficiary  
21 affirmatively waives the additional six-month period in which to pay  
22 the unpaid balance. Notwithstanding anything herein to the  
23 contrary, lump-sum payments for a transferred credited service  
24 purchase may be made by a cash lump-sum payment; a trustee-to-

14 transferred credited service.

15 A member making installment payments shall have the option of

17 price with interest due through the date of payment by a cash lump-  
18 sum payment; a trustee-to-trustee transfer of non-Roth funds from a  
19 Code Section 403(b) annuity or custodial account, an eligible  
20 deferred compensation plan described in Code Section 457(b) which is

17 force after July 1, 1998, and is within three (3) years of a normal  
18 retirement date as defined in paragraph 7 of Section 2-300 of this

21 years and months required in order for the member to reach normal  
22 retirement date in the same period of time and with the same service  
23 credit which would have otherwise accrued if the termination had not  
24 occurred.

2 this section, the member shall be required to file an election with  
3 the System indicating an intent to purchase the credit. The member

11 paragraph 8 of Section 2-300 of this title, which was received by  
12 the member in the last full month that the member was employed by  
13 the state agency or other state governmental entity multiplied by  
14 the number of months required in order for the combination of the  
15 participating service and member's age to equal the amount required  
16 for the member to reach normal retirement date with an unreduced  
17 benefit as if the member had not been terminated.

18       D. The member must make full payment to the System of all  
19 required contribution amounts within sixty (60) days of filing the

20 F. If the member chooses to retire at any time prior to the  
21 member's normal retirement date or returns to employment with a  
22 participating employer of the System at any time prior to  
23 retirement, the purchase of termination credit pursuant to this  
24

1 section shall be void and the System will return the purchase amount  
2 tendered, without interest.

3 G. In the event of the death of the member prior to retirement,  
4 the member's spouse, if otherwise eligible for benefits pursuant to  
5 Section 2-306 of this title, may elect to receive benefits which  
6 include the termination credit on the member's declared future  
7 retirement date, or may elect to receive a return of the purchase  
8 amount tendered, without interest.
