SUBJECT: Multiple versions of statutes

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 21 O.S. 2011, Section 1541.1, as amended by Section 13, State Question No. 780, Petition No. 404 (21 O.S. Supp. 2020, Section 1541.1), is amended to read as follows:

Section 1541.1. Every person who, with intent to cheat and defraud, shall obtain or attempt to obtain from any person, firm or corporation any money, property or valuable thing, of a value less than One Thousand Dollars (\$1,000.00), by means or by use of any trick or deception, or false or fraudulent representation or statement or pretense, or by any other means or instruments or device commonly called the "confidence game", or by means or use of any false or bogus checks, or by any other written or printed or engraved instrument or spurious coin, shall, upon conviction, be guilty of a misdemeanor ~~and upon conviction thereof shall be punished~~ punishable by a fine not to exceed One Thousand Dollars (\$1,000.00), or by imprisonment in the county jail for not more than one (1) year, or by both such fine and imprisonment.

SECTION 2. REPEALER 21 O.S. 2011, Section 1541.1, as amended by Section 4, Chapter 221, O.S.L. 2016 (21 O.S. Supp. 2020, Section 1541.1), is hereby repealed.

SECTION 3. AMENDATORY 22 O.S. 2011, Section 991c, as last amended by Section 2, Chapter 46, O.S.L. 2020 (22 O.S. Supp. 2020, Section 991c), is amended to read as follows:

Section 991c. A. Upon a verdict or plea of guilty or upon a plea of nolo contendere, but before a judgment of guilt, the court may, without entering a judgment of guilt and with the consent of the defendant, defer further proceedings upon the specific conditions prescribed by the court not to exceed a seven-year period, except as authorized under subsection B of this section. The court shall first consider restitution among the various conditions it may prescribe. The court may also consider ordering the defendant to:

1. Pay court costs;
2. Pay an assessment in lieu of any fine authorized by law for the offense;
3. Pay any other assessment or cost authorized by law;
4. Engage in a term of community service without compensation, according to a schedule consistent with the employment and family responsibilities of the defendant;
5. County jail confinement for a period not to exceed ninety (90) days or the maximum amount of jail time provided for the offense, if it is less than ninety (90) days;
6. Pay an amount as reimbursement for reasonable attorney fees, to be paid into the court fund, if a court-appointed attorney has been provided to the defendant;
7. Be supervised in the community for a period not to exceed eighteen (18) months, unless a petition alleging violation of any condition of deferred judgment is filed during the period of supervision. As a condition of any supervision, the defendant shall be required to pay a supervision fee of Forty Dollars (\$40.00) per month. The supervision fee shall be waived in whole or part by the supervisory agency when the accused is indigent. Any fees collected by the district attorney pursuant to this paragraph shall be deposited in the General Revenue Fund of the State Treasury. No

person shall be denied supervision based solely on the inability of the person to pay a fee;

8. Pay into the court fund a monthly amount not exceeding Forty Dollars (\$40.00) per month during any period during which the proceedings are deferred when the defendant is not to be supervised in the community. The total amount to be paid into the court fund shall be established by the court and shall not exceed the amount of the maximum fine authorized by law for the offense;

9. Make other reparations to the community or victim as required and deemed appropriate by the court;

10. Order any conditions which can be imposed for a suspended sentence pursuant to paragraph 1 of subsection A of Section 991a of this title; or

11. Any combination of the above provisions.

However, unless under the supervision of the district attorney, the offender shall be required to pay Forty Dollars (\$40.00) per month to the district attorney during the first two (2) years of probation to compensate the district attorney for the costs incurred during the prosecution of the offender and for the additional work of verifying the compliance of the offender with the rules and conditions of his or her probation. The district attorney may waive any part of this requirement in the best interests of justice. The court shall not waive, suspend, defer or dismiss the costs of prosecution in its entirety. However, if the court determines that a reduction in the fine, costs and costs of prosecution is warranted, the court shall equally apply the same percentage reduction to the fine, costs and costs of prosecution owed by the offender. Any fees collected by the district attorney pursuant to this paragraph shall be deposited in the General Revenue Fund of the State Treasury.

B. When the court has ordered restitution as a condition of supervision as provided for in subsection A of this section and that condition has not been satisfied, the court may, at any time prior to the termination or expiration of the supervision period, order an extension of supervision for a period not to exceed three (3) years.

C. In addition to any conditions of supervision provided for in subsection A of this section, the court shall, in the case of a person before the court for the offense of operating or being in control of a motor vehicle while the person was under the influence of alcohol, other intoxicating substance, or a combination of alcohol and another intoxicating substance, or who is before the court for the offense of operating a motor vehicle while the ability of the person to operate such vehicle was impaired due to the consumption of alcohol, require the person to participate in an alcohol and drug substance abuse evaluation program offered by a facility or qualified practitioner certified by the Department of Mental Health and Substance Abuse Services for the purpose of evaluating the receptivity to treatment and prognosis of the person. The court shall order the person to reimburse the facility or qualified practitioner for the evaluation. The Department of Mental Health and Substance Abuse Services shall establish a fee schedule, based upon the ability of a person to pay, provided the fee for an evaluation shall not exceed Seventy-five Dollars (\$75.00). The evaluation shall be conducted at a certified facility, the office of a qualified practitioner or at another location as ordered by the court. The facility or qualified practitioner shall, within seventy-two (72) hours from the time the person is assessed, submit a written report to the court for the purpose of assisting the court in its determination of conditions for deferred sentence. No person, agency or facility operating an alcohol and drug substance abuse evaluation program certified by the Department of Mental Health and Substance Abuse Services shall solicit or refer any person evaluated pursuant to this subsection for any treatment program or alcohol and drug substance abuse service in which the person, agency or facility has a vested interest; however, this provision shall not be construed to prohibit the court from ordering participation in or any person from voluntarily utilizing a treatment program or alcohol and drug substance abuse service offered by such person, agency or facility. Any evaluation report submitted to the court pursuant to this subsection shall be handled in a manner which will keep the report confidential from review by the general public. Nothing contained in this subsection shall be construed to prohibit the court from ordering judgment and sentence in the event the defendant fails or refuses to comply with an order of the court to obtain the evaluation required by this subsection. As used in this subsection, "qualified practitioner" means a person with at least a bachelor's degree in substance abuse treatment,

mental health or a related health care field and at least two (2) years of experience in providing alcohol abuse treatment, other drug abuse treatment, or both alcohol and other drug abuse treatment who is certified each year by the Department of Mental Health and Substance Abuse Services to provide these assessments. However, any person who does not meet the requirements for a qualified practitioner as defined herein, but who has been previously certified by the Department of Mental Health and Substance Abuse Services to provide alcohol or drug treatment or assessments, shall be considered a qualified practitioner provided all education, experience and certification requirements stated herein are met by September 1, 1995. The court may also require the person to participate in one or both of the following:

1. An alcohol and drug substance abuse course, pursuant to Sections 3-452 and 3-453 of Title 43A of the Oklahoma Statutes; and

2. A victims impact panel program, as defined in subsection H of Section 991a of this title, if such a program is offered in the county where the judgment is rendered. The defendant shall be required to pay a fee of Seventy-five Dollars (\$75.00) as set by the governing authority of the program and approved by the court to the victims impact panel program to offset the cost of participation by the defendant, if in the opinion of the court the defendant has the ability to pay such fee.

D. Upon completion of the conditions of the deferred judgment, and upon a finding by the court that the conditions have been met and all fines, fees, and monetary assessments have been paid as ordered, the defendant shall be discharged without a court judgment of guilt, and the court shall order the verdict or plea of guilty or plea of nolo contendere to be expunged from the record and the charge shall be dismissed with prejudice to any further action. The procedure to expunge the record of the defendant shall be as follows:

1. All references to the name of the defendant shall be deleted from the docket sheet;

2. The public index of the filing of the charge shall be expunged by deletion, mark-out or obliteration;

3. Upon expungement, the court clerk shall keep a separate confidential index of case numbers and names of defendants which have been obliterated pursuant to the provisions of this section;

4. No information concerning the confidential file shall be revealed or released, except upon written order of a judge of the district court or upon written request by the named defendant to the court clerk for the purpose of updating the criminal history record of the defendant with the Oklahoma State Bureau of Investigation; and

5. Defendants qualifying under Section 18 of this title may petition the court to have the filing of the indictment and the dismissal expunged from the public index and docket sheet. This section shall not be mutually exclusive of Section 18 of this title.

Records expunged pursuant to this subsection shall be sealed to the public but not to law enforcement agencies for law enforcement purposes. Records expunged pursuant to this subsection shall be admissible in any subsequent criminal prosecution to prove the existence of a prior conviction or prior deferred judgment without the necessity of a court order requesting the unsealing of such records.

E. The provisions of subsection D of this section shall be retroactive.

F. Whenever a judgment has been deferred by the court according to the provisions of this section, deferred judgment may not be accelerated for any technical violation unless a petition setting forth the grounds for such acceleration is filed by the district attorney with the clerk of the sentencing court and competent evidence justifying the acceleration of the judgment is presented to the court at a hearing to be held for that purpose. The hearing shall be held not more than twenty (20) days after the entry of the plea of not guilty to the petition, unless waived by both the state and the defendant. Any acceleration of a deferred sentence based on a technical violation shall not exceed ninety (90) days for a first acceleration or five (5) years for a second or subsequent acceleration.

G. Upon any violation of the deferred judgment, other than a technical violation, the court may enter a judgment of guilt and proceed as provided in Section 991a of this title or may modify any condition imposed. Provided, however, if the deferred judgment is for a felony offense, and the defendant commits another felony offense, the defendant shall not be allowed bail pending appeal.

H. The deferred judgment procedure described in this section shall apply only to defendants who have not been previously convicted of a felony offense and have not received more than one deferred judgment for a felony offense within the ten (10) years previous to the commission of the pending offense.

Provided, the court may waive this prohibition upon written application of the district attorney. Both the application and the waiver shall be made a part of the record of the case.

I. The deferred judgment procedure described in this section shall not apply to defendants found guilty or who plead guilty or nolo contendere to a sex offense required by law to register pursuant to the Sex Offenders Registration Act.

J. All defendants who are supervised pursuant to this section shall be subject to the sanction process as established in subsection D of Section 991b of this title.

K. Notwithstanding the provisions of subsections F and G of this section, a person who is being considered for an acceleration of a deferred judgment for an offense where the penalty has subsequently been lowered to a misdemeanor shall only be subject to a judgment and sentence that would have been applicable had he or she committed the offense after July 1, 2017.

SECTION 4. REPEALER 22 O.S. 2011, Section 991c, as last amended by Section 4, Chapter 161, O.S.L. 2020 (22 O.S. Supp. 2020, Section 991c), is hereby repealed.

Section 3-142. A. For purposes of funding, a charter school sponsored by a board of education of a school district shall be considered a site within the school district in which the charter school is located. The student membership of the charter school shall be considered separate from the student membership of the district in which the charter school is located for the purpose of calculating weighted average daily membership pursuant to Section 18-201.1 of this title and State Aid pursuant to Section 18-200.1 of this title. For charter schools sponsored by a board of education of a school district, the sum of the separate calculations for the charter school and the school district shall be used to determine the total State Aid allocation for the district in which the charter school is located. A charter school shall receive from the sponsoring school district, the State Aid allocation and any other state-appropriated revenue generated by its students for the applicable year, less up to three percent (3%) of the State Aid allocation, which may be retained by the school district as a fee for administrative services rendered. For charter schools sponsored by the board of education of a technology center school district, a higher education institution, the State Board of Education, or a federally recognized Indian tribe and for statewide virtual charter schools sponsored by the Statewide Virtual Charter School Board, the State Aid allocation for the charter school shall be distributed by the State Board of Education and not more than three percent (3%) of the State Aid allocation may be charged by the sponsor as a fee for administrative services rendered. The State Board of Education shall determine the policy and procedure for making payments to a charter school. The fee for administrative services as authorized in this subsection shall only be assessed on the State Aid allocation amount and shall not be assessed on any other appropriated amounts. A sponsor of a charter school shall not retain any additional State Aid allocation or charge the charter school any additional fee above the amounts allowed by this subsection unless the additional fees are for additional services

rendered. The charter school sponsor shall provide to the State Department of Education financial records documenting any state funds retained by the sponsor for administrative services rendered for the previous year.

B. 1. The weighted average daily membership for the first year of operation of a charter school shall be determined initially by multiplying the actual enrollment of students as of August 1 by 1.333. The charter school shall receive revenue equal to that which would be generated by the estimated weighted average daily membership calculated pursuant to this paragraph. At midyear, the allocation for the charter school shall be adjusted using the first quarter weighted average daily membership for the charter school calculated pursuant to subsection A of this section.

2. For the purpose of calculating weighted average daily membership pursuant to Section 18-201.1 of this title and State Aid pursuant to Section 18-200.1 of this title, the weighted average daily membership for the first year of operation ~~and each year thereafter~~ of a full-time statewide virtual charter school sponsored by the Statewide Virtual Charter School Board shall be determined initially by multiplying the actual enrollment of students as of August 1 by 1.333. The full-time virtual charter school shall receive revenue equal to that which would be generated by the estimated weighted average daily membership calculated pursuant to this paragraph. At midyear, the allocation for the full-time statewide virtual charter school shall be adjusted using the first quarter weighted average daily membership for the virtual charter school calculated pursuant to subsection A of this section.

C. A charter school shall be eligible to receive any other aid, grants or revenues allowed to other schools. A charter school sponsored by the board of education of a technology center school district, a higher education institution, the State Board of Education, or a federally recognized Indian tribe shall be considered a local education agency for purposes of funding. A charter school sponsored by a board of education of a school district shall be considered a local education agency for purposes of federal funding.

D. A charter school, in addition to the money received from the state, may receive money from any other source. Any unexpended

funds may be reserved and used for future purposes. The governing body of a charter school shall not levy taxes or issue bonds. If otherwise allowed by law, the governing body of a charter school may enter into private contracts for the purposes of borrowing money from lenders. If the governing body of the charter school borrows money, the charter school shall be solely responsible for repaying the debt, and the state or the sponsor shall not in any way be responsible or obligated to repay the debt.

E. Any charter school which chooses to lease property shall be eligible to receive current government lease rates.

F. Except as otherwise provided in this subsection, each charter school shall pay to the Charter School Closure Reimbursement Revolving Fund created in subsection G of this section an amount equal to Five Dollars (\$5.00) per student based on average daily membership, as defined by paragraph 2 of Section 18-107 of this title, during the first nine (9) weeks of the school year. Each charter school shall complete the payment every school year within thirty (30) days after the first nine (9) weeks of the school year. If the Charter School Closure Reimbursement Revolving Fund has a balance of One Million Dollars (\$1,000,000.00) or more on July 1, no payment shall be required the following school year.

G. There is hereby created in the State Treasury a revolving fund for the State Department of Education to be designated the "Charter School Closure Reimbursement Revolving Fund". The fund shall be a continuing fund, not subject to fiscal year limitations, and shall consist of all monies received by the State Department of Education from charter schools as provided in subsection F of this section. All monies accruing to the credit of said fund are hereby appropriated and may be budgeted and expended by the State Department of Education for the purpose of reimbursing charter school sponsors for costs incurred due to the closure of a charter school. Expenditures from said fund shall be made upon warrants issued by the State Treasurer against claims filed as prescribed by law with the Director of the Office of Management and Enterprise Services for approval and payment. The State Department of Education may promulgate rules regarding sponsor eligibility for reimbursement.

SECTION 10. REPEALER 70 O.S. 2011, Section 3-142, as last amended by Section 1, Chapter 61, O.S.L. 2020 (70 O.S. Supp. 2020, Section 3-142), is hereby repealed.

SECTION 11. AMENDATORY 70 O.S. 2011, Section 18-200.1, as amended by Section 2, Chapter 61, O.S.L. 2020 (70 O.S. Supp. 2020, Section 18-200.1), is amended to read as follows:

Section 18-200.1. A. Beginning with the 2020-21 school year, and each school year thereafter, each school district shall have its initial allocation of State Aid calculated based on the state dedicated revenues actually collected during the preceding fiscal year, the adjusted assessed valuation of the preceding year and the highest weighted average daily membership for the school district of the two (2) preceding school years. Each school district shall submit the following data based on the first nine (9) weeks, to be used in the calculation of the average daily membership of the school district:

1. Student enrollment by grade level;
2. Pupil category counts; and
3. Transportation supplement data.

On or before December 30, the State Department of Education shall determine each school district's current year allocation pursuant to subsection D of this section. The State Department of Education shall complete an audit, using procedures established by the Department, of the student enrollment by grade level data, pupil category counts and transportation supplement data to be used in the State Aid Formula pursuant to subsection D of this section by December 1 and by January 15 shall notify each school district of the district's final State Aid allocation for the current school year. The January payment of State Aid and each subsequent payment for the remainder of the school year shall be based on the final State Aid allocation as calculated in subsection D of this section. Except for reductions made due to the assessment of penalties by the State Department of Education according to law, the January payment of State Aid and each subsequent payment for the remainder of the school year shall not decrease by an amount more than the amount that the current chargeable revenue increases for that district.

B. The State Department of Education shall retain not less than one and one-half percent (1 1/2%) of the total funds appropriated for financial support of schools, to be used to make midyear adjustments in State Aid and which shall be reflected in the final allocations. If the amount of appropriated funds, including the one and one-half percent (1 1/2%) retained, remaining after January 1 of each year is not sufficient to fully fund the final allocations, the Department shall recalculate each school district's remaining allocation pursuant to subsection D of this section using the reduced amount of appropriated funds.

C. On and after July 1, 1997, the amount of State Aid each district shall receive shall be the sum of the Foundation Aid, the Salary Incentive Aid and the Transportation Supplement, as adjusted pursuant to the provisions of subsection G of this section and Section 18-112.2 of this title; provided, no district having per pupil revenue in excess of three hundred percent (300%) of the average per pupil revenue of all districts shall receive any State Aid or Supplement in State Aid.

The July calculation of per pupil revenue shall be determined by dividing the district's second preceding year's total weighted average daily membership (ADM) into the district's second preceding year's total revenues excluding federal revenue, insurance loss payments, reimbursements, recovery of overpayments and refunds, unused reserves, prior expenditures recovered, prior year surpluses, and less the amount of any transfer fees paid in that year.

The December calculation of per pupil revenue shall be determined by dividing the district's preceding year's total weighted average daily membership (ADM) into the district's preceding year's total revenues excluding federal revenue, insurance loss payments, reimbursements, recovery of overpayments and refunds, unused reserves, prior expenditures recovered, prior year surpluses, and less the amount of any transfer fees paid in that year.

D. For the 1997-98 school year, and each school year thereafter, Foundation Aid, the Transportation Supplement and Salary Incentive Aid shall be calculated as follows:

1. Foundation Aid shall be determined by subtracting the amount of the Foundation Program Income from the cost of the Foundation Program and adding to this difference the Transportation Supplement.

- a. The Foundation Program shall be a district's highest weighted average daily membership based on the first nine (9) weeks of the current school year, the preceding school year or the second preceding school year of a school district, as determined by the provisions of subsection A of Section 18-201.1 of this title and paragraphs 1, 2, 3 and 4 of subsection B of Section 18-201.1 of this title, multiplied by the Base Foundation Support Level.
- b. The Foundation Program Income shall be the sum of the following:
 - (1) The adjusted assessed valuation of the current school year of the school district, minus the previous year protested ad valorem tax revenues held as prescribed in Section 2884 of Title 68 of the Oklahoma Statutes, multiplied by the mills levied pursuant to subsection (c) of Section 9 of Article X of the Oklahoma Constitution, if applicable, as adjusted in subsection (c) of Section 8A of Article X of the Oklahoma Constitution. For purposes of this subsection, the "adjusted assessed valuation of the current school year" shall be the adjusted assessed valuation on which tax revenues are collected during the current school year, and
 - (2) Seventy-five percent (75%) of the amount received by the school district from the proceeds of the county levy during the preceding fiscal year, as levied pursuant to subsection (b) of Section 9 of Article X of the Oklahoma Constitution, and
 - (3) Motor Vehicle Collections, and
 - (4) Gross Production Tax, and

- (5) State Apportionment, and
- (6) R.E.A. Tax.

The items listed in divisions (3), (4), (5), and (6) of this subparagraph shall consist of the amounts actually collected from such sources during the preceding fiscal year calculated on a per capita basis on the unit provided for by law for the distribution of each such revenue.

2. The Transportation Supplement shall be equal to the average daily haul times the per capita allowance times the appropriate transportation factor.

- a. The average daily haul shall be the number of children in a district who are legally transported and who live one and one-half (1 1/2) miles or more from school.
- b. The per capita allowance shall be determined using the following chart:

c. The formula transportation factor shall be 1.39.

3. Salary Incentive Aid shall be determined as follows:

- a. Multiply the Incentive Aid guarantee by the district's highest weighted average daily membership based on the first nine (9) weeks of the current school year, the preceding school year or the second preceding school year of a school district, as determined by the provisions of subsection A of Section 18-201.1 of this title and paragraphs 1, 2, 3 and 4 of subsection B of Section 18-201.1 of this title.
- b. Divide the district's adjusted assessed valuation of the current school year minus the previous year's protested ad valorem tax revenues held as prescribed in Section 2884 of Title 68 of the Oklahoma Statutes, by one thousand (1,000) and subtract the quotient from the product of subparagraph a of this paragraph. The remainder shall not be less than zero (0).
- c. Multiply the number of mills levied for general fund purposes above the fifteen (15) mills required to support Foundation Aid pursuant to division (1) of subparagraph b of paragraph 1 of this subsection, not including the county four-mill levy, by the remainder of subparagraph b of this paragraph. The product shall be the Salary Incentive Aid of the district.

E. By June 30, 1998, the State Department of Education shall develop and the Department and all school districts shall have implemented a student identification system which is consistent with the provisions of subsections C and D of Section 3111 of Title 74 of the Oklahoma Statutes. The student identification system shall be used specifically for the purpose of reporting enrollment data by school sites and by school districts, the administration of the Oklahoma School Testing Program Act, the collection of appropriate and necessary data pursuant to the Oklahoma Educational Indicators

Program, determining student enrollment, establishing a student mobility rate, allocation of the State Aid Formula and mid-year adjustments in funding for student growth. This enrollment data shall be submitted to the State Department of Education in accordance with rules promulgated by the State Board of Education. Funding for the development, implementation, personnel training and maintenance of the student identification system shall be set out in a separate line item in the allocation section of the appropriation bill for the State Board of Education for each year.

F. 1. In the event that ad valorem taxes of a school district are determined to be uncollectible because of bankruptcy, clerical error, or a successful tax protest, and the amount of such taxes deemed uncollectible exceeds Fifty Thousand Dollars (\$50,000.00) or an amount greater than twenty-five percent (25%) of ad valorem taxes per tax year, or the valuation of a district is lowered by order of the State Board of Equalization, the school district's State Aid, for the school year that such ad valorem taxes are calculated in the State Aid Formula, shall be determined by subtracting the net assessed valuation of the property upon which taxes were deemed uncollectible from the assessed valuation of the school district and the state. Upon request of the local board of education, it shall be the duty of the county assessor to certify to the Director of Finance of the State Department of Education the net assessed valuation of the property upon which taxes were determined uncollectible.

2. In the event that the amount of funds a school district receives for reimbursement from the Ad Valorem Reimbursement Fund is less than the amount of funds claimed for reimbursement by the school district due to insufficiency of funds as provided in Section 193 of Title 62 of the Oklahoma Statutes, then the school district's assessed valuation for the school year that such ad valorem reimbursement is calculated in the State Aid Formula shall be adjusted accordingly.

G. 1. Notwithstanding the provisions of Section 18-112.2 of this title, a school district shall have its State Aid reduced by an amount equal to the amount of carryover in the general fund of the district as of June 30 of the preceding fiscal year, that is in excess of the following standards for two (2) consecutive years:

Total Amount of General Fund Collections, Excluding Previous Year Cash Surplus as of June 30	Amount of General Fund Balance Allowable
Less than \$1,000,000	40%
\$1,000,000 - \$2,999,999	35%
\$3,000,000 - \$3,999,999	30%
\$4,000,000 - \$4,999,999	25%
\$5,000,000 - \$5,999,999	20%
\$6,000,000 - \$7,999,999	18%
\$8,000,000 - \$9,999,999	16%
\$10,000,000 or more	14%

2. By February 1 the State Department of Education shall send by certified mail, with return receipt requested, to each School District Superintendent, Auditor and Regional Accreditation Officer a notice of and calculation sheet reflecting the general fund balance penalty to be assessed against that school district. Calculation of the general fund balance penalty shall not include federal revenue. Within thirty (30) days of receipt of this written notice the school district shall submit to the Department a written reply either accepting or protesting the penalty to be assessed against the district. If protesting, the school district shall submit with its reply the reasons for rejecting the calculations and documentation supporting those reasons. The Department shall review all school district penalty protest documentation and notify each district by March 15 of its finding and the final penalty to be assessed to each district. General fund balance penalties shall be assessed to all school districts by April 1.

3. Any school district which receives proceeds from a tax settlement or a Federal Emergency Management Agency settlement during the last two (2) months of the preceding fiscal year shall be exempt from the penalties assessed in this subsection, if the penalty would occur solely as a result of receiving funds from the tax settlement.

4. Any school district which receives an increase in State Aid because of a change in Foundation and/or Salary Incentive Aid factors during the last two (2) months of the preceding fiscal year shall be exempt from the penalties assessed in this subsection, if the penalty would occur solely as a result of receiving funds from the increase in State Aid.

5. If a school district does not receive Foundation and/or Salary Incentive Aid during the preceding fiscal year, the State Board of Education may waive the penalty assessed in this subsection if the penalty would result in a loss of more than forty percent (40%) of the remaining State Aid to be allocated to the school district between April 1 and the remainder of the school year and if the Board determines the penalty will cause the school district not to meet remaining financial obligations.

6. Any school district which receives gross production revenue apportionment during the 2002-2003 school year or in any subsequent school year that is greater than the gross production revenue apportionment of the preceding school year shall be exempt from the penalty assessed in this subsection, if the penalty would occur solely as a result of the gross production revenue apportionment, as determined by the State Board of Education.

7. Beginning July 1, 2003, school districts that participate in consolidation or annexation pursuant to the provisions of the Oklahoma School Voluntary Consolidation and Annexation Act shall be exempt from the penalty assessed in this subsection for the school year in which the consolidation or annexation occurs and for the next three (3) fiscal years.

8. Any school district which receives proceeds from a sales tax levied by a municipality pursuant to Section 22-159 of Title 11 of the Oklahoma Statutes or proceeds from a sales tax levied by a county pursuant to Section 1370 of Title 68 of the Oklahoma Statutes

during the 2003-2004 school year or the 2004-2005 school year shall be exempt from the penalties assessed in this subsection, if the penalty would occur solely as a result of receiving funds from the sales tax levy.

9. Any school district which has an amount of carryover in the general fund of the district in excess of the limits established in paragraph 1 of this subsection during the fiscal year beginning July 1, 2019, shall not be assessed a general fund balance penalty as provided for in this subsection.

10. For purposes of calculating the general fund balance penalty, the terms "carryover" and "general fund balance" shall not include federal revenue.

H. In order to provide startup funds for the implementation of early childhood programs, State Aid may be advanced to school districts that initially start early childhood instruction at a school site. School districts that desire such advanced funding shall make application to the State Department of Education no later than September 15 of each year and advanced funding shall be awarded to the approved districts no later than October 30. The advanced funding shall not exceed the per pupil amount of State Aid as calculated in subsection D of this section per anticipated Head Start eligible student. The total amount of advanced funding shall be proportionately reduced from the monthly payments of the district's State Aid payments during the last six (6) months of the same fiscal year.

I. 1. Beginning July 1, 1996, the Oklahoma Tax Commission, notwithstanding any provision of law to the contrary, shall report monthly to the State Department of Education the monthly apportionment of the following information:
