17 last amended by Section 1, Chapter 178, O.S.L. 2016 (74 O.S. Supp.  
18 2016, Section 1371), is amended to read as follows:

19 Section 1371. A. All participants must purchase at least the  
20 basic plan unless, to the extent that it is consistent with federal  
21 law, the participant is a person who has retired from a branch of  
22 the United States military and has been provided with health  
23 coverage through a federal plan and that participant provides proof  
24 of that coverage, or the participant has opted out of the state's  
basic plan according to the provisions in Section 1308.3 of this  
title. On or before January 1 of the plan year beginning July 1,

1 2001, and July 1 of any plan year beginning after January 1, 2002,  
2 the Oklahoma Employees Insurance and Benefits Board shall design the  
3 basic plan for the next plan year to ensure that the basic plan  
4 provides adequate coverage to all participants. All benefit plans,  
5 whether offered by the State and Education Employees Group Insurance  
6 Board, a health maintenance organization or other vendors shall meet  
7 the minimum requirements set by the Board for the basic plan.

8 B. The Board shall offer health, disability, life and dental  
9 coverage to all participants and their dependents. For health,  
10 dental, disability and life coverage, the Board shall offer plans at  
11 the basic benefit level established by the Board, and in addition,  
12 may offer benefit plans that provide an enhanced level of benefits.  
13 The Board shall be responsible for determining the plan design and  
14 the benefit price for the plans that they offer. Effective for the  
15 plan year beginning January 1, 2017, and for each plan year  
16 thereafter, in setting health insurance premiums for active  
17 employees and for retirees under sixty-five (65) years of age, the  
18 Board shall set the monthly premium for active employees to be equal  
19 to the monthly premium for retirees under sixty-five (65) years of  
20 age; except that the Board may offer retirees under sixty-five (65)  
21 years of age the opportunity to voluntarily enroll in an alternative  
22 plan of insurance at a rate that is between One Hundred Dollars  
23 (\$100.00) less than the monthly premium for active employees and up  
24 to One Hundred Dollars (\$100.00) more than the monthly premium for

1 active employees. Retirees under the age of sixty-five (65) who  
2 enroll in an alternative plan of insurance shall retain the right to  
3 enroll in any other health insurance plan offered by the Board for  
4 which they might be qualified during a subsequent open enrollment  
5 period.

8 medical plan offered to participants shall meet or exceed the  
9 benefits provided in the medical portion of the basic plan.

10 C. In lieu of electing any of the preceding medical benefit  
11 plans, a participant may elect medical coverage by any health  
12 maintenance organization made available to participants by the  
13 Board. The Board shall offer health maintenance organization plans  
14 with the same actuarial value as Healthchoice High (Hi). The  
15 benefit price of any health maintenance organization shall be  
16 determined on a competitive bid basis. Contracts for ~~said~~ the plans  
17 shall not be subject to the provisions of The Oklahoma Central  
18 Purchasing Act. The Board shall promulgate rules establishing  
19 appropriate competitive bidding criteria and procedures for  
20 contracts awarded for flexible benefits plans. All plans offered by  
21 health maintenance organizations meeting the bid requirements as  
22 determined by the Board shall be accepted. The Board shall have the  
23 authority to reject the bid or restrict enrollment in any health  
24 maintenance organization for which the Board determines the benefit

1 price to be excessive. The Board shall have the authority to reject  
2 any plan that does not meet the bid requirements. All bidders shall  
3 submit along with their bid a notarized, sworn statement as provided  
4 by Section 85.22 of this title. Effective for the plan year  
5 beginning January 1, 2007, and for each plan year thereafter, in

7 retirees under sixty-five (65) years of age, HMOs, self-insured  
8 organizations and prepaid plans shall set the monthly premium for  
9 active employees to be equal to the monthly premium for retirees  
10 under sixty-five (65) years of age.

11 D. Nothing in this section shall be construed as prohibiting  
12 the Board from offering additional qualified benefit plans or

15 eligibility requirements for participation in the flexible benefits  
16 plan shall make an annual election of benefits under the plan during  
17 an enrollment period to be held prior to the beginning of each plan  
18 year. The enrollment period dates will be determined annually and  
19 will be announced by the Board, providing the enrollment period  
20 shall end no later than thirty (30) days before the beginning of the  
21 plan year.

2 be a participant in the plan and shall be deemed to have purchased  
3 the default benefits described in this section.

4 F. The Board shall prescribe the forms that participants will

8 is eligible to participate in the plan, fails to make a proper  
9 election under the plan in conformance with the procedures set forth  
10 in this section or as prescribed by the Board shall be deemed  
11 automatically to have purchased the default benefits. The default  
12 benefits shall be the same as the basic plan benefits. Any  
13 participant who, after having participated in the plan during the  
14 previous plan year, fails to make a proper election under the plan  
15 in conformance with the procedures set forth in this section or  
16 prescribed by the Board, shall be deemed automatically to have  
17 purchased the same benefits which the participant purchased in the  
18 immediately preceding plan year, except that the participant shall  
19 not be deemed to have elected coverage under the health care
