11	BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:
12	SECTION 1. AMENDATORY 11 O.S. 2021, Section 22-107.1, is
13	amended to read as follows:
14	Section 22-107.1. A. A municipality may by ordinance or
15	otherwise grant a certificate, license, permit or franchise for the
16	operation of a video services system, unless such authority is
17	already provided for by law. Any certificate, license, permit or
18	franchise granted pursuant to this section shall constitute a
19	bargained contract between the municipality and the video services
20	provider and shall provide for a consideration payment to the
21	municipality as rental for the privileges granted to the provider to
22	use the public ways and grounds within the municipality in
23	furtherance of its video services business. The rental payment
24	shall be set at the amount bargained between the municipality and

adopt an ordinance regulating a video services system pursuant to its police power. No municipal provisions regulating a video services system may be adopted which are inconsistent with either state or federal law or with the terms and conditions of the certificate, license, permit or franchise bargained by the municipality and the video services provider.

In awarding or renewing a certificate, license, permit or D. 7 franchise for video services, a municipality may require adequate 8 9 assurance that the video services system provider will provide adequate public, educational, and governmental access channel 10 capacity, facilities or financial support. A video services system 11 12 provider may, at its sole option, provide a "family friendly" "family-friendly" tier of video services in lieu of channel 13 capacity, facilities, or financial support for public access as a 14 condition of any certificate, license, permit or franchise for video 15 services or renewal thereof. Nothing herein shall affect any 16 channel capacity, facilities, or financial support for educational 17 or governmental access contained in any certificate, license, permit 18 or franchise for video services or renewal thereof. 19

E. A <u>"family friendly"</u> <u>"family-friendly"</u> tier of services is a
group of channels, offered to customers pursuant to Federal
Communications Commission (FCC) regulations, that primarily contains
programming with a television viewing rating of TV-Y, TV-Y7 or TV-G.
