9 Chapter 42, O.S.L. 2015 (57 O.S. Supp. 2016, Section  
10 332.18), which relates to placement on Board docket  
11 for medical reason; modifying who may be placed on  
12 docket; and providing an effective date.

13 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

14 SECTION 1. AMENDATORY 57 O.S. 2011, Section 332.18, as  
15 last amended by Section 1, Chapter 42, O.S.L. 2015 (57 O.S. Supp.  
16 2016, Section 332.18), is amended to read as follows:

17 Section 332.18. A. The Director of the Department of  
18 Corrections shall have the authority to request the Executive  
19 Director of the Pardon and Parole Board to place an inmate on the  
20 Pardon and Parole Board docket for a medical reason, out of the  
21 normal processing procedures. Documentation of the medical  
22 condition of such inmate shall be certified by the medical director  
23 of the Department of Corrections. The Pardon and Parole Board shall  
24 have the authority to bring any such inmate before the Board at any  
time, except as otherwise provided in subsection B of this section.

1 B. When a request is made for a medical parole review of an  
2 inmate who is dying or is near death as certified by the medical  
3 director of the Department of Corrections or whose medical condition  
4 has rendered the inmate no longer an unreasonable threat to public  
5 safety, the Executive Director shall place such inmate on the first  
6 available parole review docket for a compassionate parole  
7 consideration. Inmates who meet the criteria set out in this  
8 section are not subject to the two-stage hearing process in  
9 subsection C of Section 332.7 of this title.

10 C. The Director of the Department of Corrections shall have the  
11 authority to request the Executive Director of the Pardon and Parole  
12 Board to consider an inmate who has a medical need, has been  
13 convicted of a non-violent offense and is fifty (50) years of age or  
14 older to bring the inmate before the Board at any time, except as  
15 otherwise provided in subsection B of this section.

16 No person shall be eligible for consideration for medical parole  
17 without the concurrence of at least three members of the Pardon and  
18 Parole Board. The vote on whether or not to consider such person  
19 for parole and the names of the concurring Board members shall be  
20 set forth in the written minutes of the meeting of the Board at  
21 which the issue is considered.

22 D. In the event that due to changes in the medical condition of  
23 the parolee granted medical parole or for other reasons, it is  
24 determined that the continuation of the medical parole presents an

1 increased risk to the public, the parolee shall be subject to parole  
2 revocation. In such case, the Department of Corrections shall  
3 follow the revocation procedure for violators of parole set forth in  
4 Section 516 of this title.

5 E. The provisions of this section shall not apply to inmates  
6 serving a sentence of life without possibility of parole.

7 SECTION 2. This act shall become effective November 1, 2017.
