8  
9 CONFERENCE COMMITTEE SUBSTITUTE

10 An Act relating to sharing of state data; creating  
11 definition; stating ownership of state data;  
12 requiring state agencies to comply with statutory  
13 obligations; authorizing the Office of Management and  
14 Enterprise Services to promulgate rules to establish  
15 certain standards; authorizing the sharing of data  
16 between state agencies upon request; requiring  
17 submission of specified information on certain form;  
18 requiring the Office of Management and Enterprise  
19 Services to grant or deny request; providing that  
20 certain powers are in addition to existing powers;  
21 requiring compliance with certain laws; providing  
22 exceptions; providing for codification; and providing  
23 an effective date.

24 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified  
in the Oklahoma Statutes as Section 34.210 of Title 62, unless there  
is created a duplication in numbering, reads as follows:

A. As used in this section, "state data" means all data files  
hosted, procured, owned, processed, secured, stored, or created by

1 this state or its state agencies, while in the course of state  
2 business and shall include any and all data not otherwise prohibited  
3 from such classification or required to be kept confidential by  
4 state or federal law. Such data shall be the property of this state  
5 unless prohibited by law.

6 B. While this state is the owner of state data, individual  
7 state agencies shall comply with their respective statutory  
8 obligations in managing state data including responding to open  
9 records requests, reporting and responding to data breaches, and any  
10 other statutory obligations required when hosting, accessing,  
11 storing, collecting, or processing state data.

12 C. The Chief Information Officer for the State of Oklahoma may  
13 establish standards and criteria for sharing state data between state  
14 agencies. Agency requests to share state data shall be denied if the  
15 stated purpose does not meet the established standards and criteria  
16 for sharing state data as established by the CIO. State agencies may  
17 decline requests to share state data if the state data requested is  
18 otherwise privileged, required to be kept confidential, or prohibited  
19 from being shared by state or federal law.

20 D. The powers provided in this section shall be in addition to  
21 and not in substitution for any powers provided to the Office of  
22 Management and Enterprise Services or the Chief Information Officer by  
23 rule or law.

24

1 E. No powers provided in this section shall exempt or supersede  
2 a state agency's statutory responsibility to protect data and to  
3 comply with requirements of the Oklahoma Open Records Act or  
4 applicable state or federal law.

5 F. The provisions of this section shall not be applicable to  
6 the judicial department of state government or any entity organized  
7 within the judicial department and shall not be applicable to the  
8 legislative department or any entity organized within the  
9 legislative department.

10 SECTION 2. This act shall become effective November 1, 2022.
