25 is filed with the director within 30 days of the mailing of the order to all parties.

26 (17) At the contested case hearing, the order may be modified only if it is not supported by
27 substantial evidence in the record or reflects an error of law. No new medical evidence or issues
28 shall be admitted. The dispute may also be remanded to the managed care organization for further
29 evidence taking, correction or other necessary action if the Administrative Law Judge or director
30 determines the record has been improperly, incompletely or otherwise insufficiently developed. De-
