 2 entitled, as amended, "An act providing for the planning and
 3 regulation of community sewage systems and individual sewage
 4 systems; requiring municipalities to submit plans for systems
 5 in their jurisdiction; authorizing grants; requiring permits
 6 for persons installing such systems; requiring disclosure
 7 statements in certain land sale contracts; authorizing the

12 The General Assembly of the Commonwealth of Pennsylvania
 13 hereby enacts as follows:

14 Section 1. Section 5 of the act of January 24, 1966 (1965
 15 P.L.1535, No.537), known as the Pennsylvania Sewage Facilities
 16 Act, is amended by adding a subsection to read:

17 Section 5. Official Plans.--* * *

18 (d.1) (1) The department shall develop and make available
 19 for public use an application form that waives the requirement
 20 of a municipality to revise its official plan to accommodate
 21 nonbuilding subdivisions where there is no present need for
 22 sewage disposal facilities on a given parcel of land.

1 (2) The municipal secretary or chairperson of the
2 municipality shall sign a request for planning waiver and
3 nonbuilding declaration that has been completed and signed by
4 the subdivider and buyer or recipient provided that the proposed
5 subdivision:

6 (i) meets the requirements of the waiver; and
7 (ii) is in compliance with applicable zoning and subdivision
8 and land development ordinances.

9 (3) The departmental form shall only require a municipality
10 to perform those functions within the scope of this act. The
11 purpose of this subsection is to protect the choice of a
12 landowner to subdivide the landowner's property when the
13 landowner has no intention of developing the property.

14 (4) In the event that the owner or recipient of a subdivided
15 parcel that has been granted a nonbuilding waiver subsequently
16 desires to build upon or develop the property, the owner or
17 recipient shall comply with all applicable statutes, regulations
18 or ordinances in effect at the time of the desired construction
19 or development.

21 Section 2. This act shall take effect in 60 days.
