17 (d) Rebate program.--There is [hereby] established a rebate
18 program within the department for individuals residing in this
19 Commonwealth who purchase a hybrid, plug-in hybrid or other
20 alternative fuel vehicle as follows:

1 (1) [The] Except as provided under paragraph (4), the
2 department shall establish a formula and method for the
3 awarding of rebates under this program. The department shall
4 publish this information yearly in the Pennsylvania Bulletin
5 and may also publish this information on the department's
6 [World Wide Web site] publicly accessible Internet website.
7 Rebates shall be provided to the extent that funding is
8 available for this purpose. [To] Except as provided under
9 paragraph (4), to the extent that applications for rebates
10 exceed the available funds for this program, the department
11 may award rebates on a pro rata basis.

12 (2) A request for a rebate must be submitted to the
13 department no later than six months after the purchase date
14 of the hybrid, plug-in hybrid or other alternative fuel
15 vehicle, in a form and manner prescribed by the department.
16 The department shall provide an application form to an
17 individual upon request, and the department may make the
18 application form [on its World Wide Web site] available on
19 the department's publicly accessible Internet website or
20 through the place of purchase of a hybrid, plug-in hybrid or
21 other alternative fuel vehicle.

22 (3) Applicants shall provide a copy of a valid
23 Pennsylvania vehicle registration and proof of purchase when
24 making a request for a rebate under this program.

25 (4) Rebates awarded for new, preowned and demonstration
26 vehicles with a final purchase price of \$50,000 or less shall
27 be in the following amounts:

28 (i) \$3,000 for the purchase of a new hydrogen fuel
29 cell vehicle or battery electric vehicle.

30 (ii) \$1,500 for the purchase of a new plug-in

1 electric vehicle.

2 (iii) \$1,000 for the purchase of a new hybrid
3 vehicle, compressed natural gas vehicle, propane-fueled
4 vehicle, single line ground fault electric vehicle or
