4 The General Assembly of the Commonwealth of Pennsylvania
5 hereby enacts as follows:

6 Section 1. Short title.

7 This act shall be known and may be cited as the First Class
8 City and County Interest Rate Management Agreement Act.

9 Section 2. Definitions.

10 The following words and phrases when used in this act shall
11 have the meanings given to them in this section unless the

15 (1) A city of the first class.

16 (2) A county of the first class.

5 "Interest rate management agreement." An agreement,
6 including a confirmation evidencing a transaction effected under
7 a master agreement, entered into by a contracting authority in
8 accordance with and fulfilling the requirements of section 3,
9 which agreement in the judgment of the contracting authority is
10 designed to manage interest rate risk or interest cost of the
11 contracting authority on any debt or other debt-related
12 obligations a contracting authority is authorized to incur,
13 including, but not limited to, swaps, interest rate caps,
14 collars, corridors, ceiling and floor agreements, forward
15 agreements, float agreements and other similar arrangements
16 which in the judgment of the contracting authority will assist
17 the contracting authority in managing the interest rate risk or
18 interest cost of the contracting authority.

19 Section 3. Interest rate management agreement requirements.

20 (a) General rule.--Notwithstanding any other law to the
21 contrary, any interest rate management agreement entered into by
22 a contracting authority shall comply with the provisions of this
23 section.

24 (b) Requirements.--The following requirements shall apply:

25 (1) A contracting authority shall authorize and award by
26 resolution each interest rate management agreement or any
27 confirmation of a transaction. The resolution is subject to
28 53 Pa.C.S. § 8003(a) and (b) (relating to advertisement and
29 effectiveness of ordinances) but may be valid and effective
30 for all purposes immediately upon adoption or as otherwise

1 provided in the resolution. The resolution authorizing and
2 awarding a qualified interest rate management agreement or
3 authorizing a transaction under the agreement must include in
4 the resolution or as an appendix to the resolution all of the
5 following:

6 (i) A copy of the qualified interest rate management
7 agreement or confirmation of the transaction under the
8 qualified interest rate management agreement in
9 substantially the form to be executed pursuant to the
10 resolution.

11 (ii) An interest rate management plan meeting the
12 requirements under 53 Pa.C.S. Pt. VII Subpt. B (relating
13 to indebtedness and borrowing):

14 (A) adopted by the contracting authority; or

15 (B) if the contracting authority is incurring
16 indebtedness which has or will be issued to a public
17 authority that has entered into or will enter into an
18 interest rate management agreement meeting the
19 requirements of this act, adopted by that public
20 authority.

21 (iii) A statement of the manner by which the award
22 of the interest rate management agreement is completed.

23 (2) No payments shall be made to or on behalf of a
24 contracting authority by the other party to an interest rate
25 management agreement except periodic scheduled payments,
26 termination payments and attorney fees and other consultant
27 fees incurred in connection with entering into an interest
28 rate management agreement.

29 (3) Periodic scheduled payments on an interest rate
30 management agreement must commence not later than three years

1 after the date of the confirmation associated with the
2 interest rate management agreement.

3 (4) The index or basis used for calculating the periodic
4 scheduled payments receivable by the contracting authority on
5 an interest rate management agreement shall be substantially
6 similar to the index or basis used for calculating the
7 interest due on the associated debt or other debt-related
8 obligations of the contracting authority.

9 (5) At the time an interest rate management agreement is
10 entered into, the sum of the notional amount thereof, without
11 duplication for the notional amount of any offsetting
12 transactions, and all other interest rate management
13 agreements entered into or guaranteed, and then in effect of
14 a contracting authority, shall not exceed 30% of the total
15 principal amount of the aggregate general obligation debt and
16 other debt-related obligations payable from or supported by
17 its general fund then outstanding. If an interest rate
18 management agreement is payable from or supported by another
19 specified fund or revenues, the limitation shall apply based
20 solely on interest rate management agreements and debt and
21 other debt-related obligations payable from or supported by
22 the specified fund or revenues.

23 (6) Scheduled periodic payments and termination payments
24 received by a contracting authority on an interest rate
25 management agreement shall be deposited in a payment account
26 to:

27 (i) Pay periodic swap payments or to pay principal
28 and interest on the debt or debt-related obligations
29 related to the interest rate management agreement.

30 (ii) If the interest rate management agreement

1 described under subparagraph (i) has been terminated and
2 none of the related debt or debt-related obligations are
3 outstanding, pay periodic swap payments on interest rate
4 management agreements or principal and interest on debt
5 or debt-related obligations payable from or supported by
6 the same fund or revenues as the interest rate management
7 agreement described under subparagraph (i).

8 (iii) If all of the interest rate management
9 agreements described under subparagraph (ii) have been
10 terminated and no debt or debt-related obligations
11 described under subparagraph (ii) are outstanding, pay
12 any other obligations of the contracting authority.

13 (7) The scheduled expiration date of an interest rate
14 management agreement shall not exceed 10 years from the date
15 of the related confirmation unless the interest rate
16 management agreement contains a provision allowing the
17 contracting authority to terminate the same at any time after
18 10 years from the date of the related confirmation without
19 making a termination payment.

20 (8) An interest rate management agreement shall contain
21 a certification by the other party to the interest rate
22 management agreement in which the other party:

23 (i) acknowledges that the contracting authority
24 which is entering into the interest rate management
25 agreement under this subpart is a political subdivision
26 of this Commonwealth or a municipal authority created
27 under 53 Pa.C.S. Ch. 56 (relating to municipal
28 authorities) by a city of the first class or a county of
29 the first class;

30 (ii) acknowledges that it has read this act;

1 (iii) acknowledges that a contracting authority may
2 only enter into an interest rate management agreement to
3 manage interest rate risk or interest cost of the
4 contracting authority on debt or other debt-related
5 obligations of the contracting authority; and

6 (iv) acknowledges and agrees that it will notify the
7 department, in writing, promptly upon the payment to the
8 other party of a termination payment by the contracting
9 authority, including the date and amount of the payment
10 and the identity of the interest rate management
11 agreement under which the payment was made.

12 Section 4. Notice and retention of records.

13 (a) Notice.--Within 15 days following the adoption of a
14 resolution authorizing an interest rate management agreement, a
15 contracting authority shall file with the department certified
16 copies of the resolution, including any appendix to the
17 resolution, together with an itemized statement of all attorney
18 fees, consultant fees and any other costs expected to be paid on
19 behalf of a contracting authority by the other party to
20 such interest rate management agreement.

21 (b) Records.--The department shall keep copies of all
22 documents filed with the department under this section as long
23 as an interest rate management agreement is in effect.

24 Section 5. Financial reporting.

25 A contracting authority which has entered into an interest
26 rate management agreement shall include in its annual financial
27 statements information with respect to each interest rate
28 management agreement it has authorized or entered into,
29 including any information required under any statement issued by
30 the Governmental Accounting Standards Board.

1 Section 6. Applicability.

2 The following shall apply:

3 (1) This act shall apply to all interest rate management
4 agreements entered into by a contracting authority on or
5 after the effective date of this section.

6 (2) This act shall not apply to any amendment,
7 termination or novation of an interest rate management
8 agreement if the interest rate management agreement was
9 entered into prior to the effective date of this section if
10 the term of the interest rate management agreement is not
11 extended.

12 (3) Notwithstanding any other provision of law, this act
13 shall apply to an interest rate management agreement entered
14 into by any of the following:

15 (i) A city of the first class.

16 (ii) A county of the first class.

17 (iii) A municipal authority created under 53 Pa.C.S.
18 Ch. 56 (relating to municipal authorities) by an entity
19 listed under subparagraph (i) or (ii).

20 Section 7. Effective date.

21 This act shall take effect in 60 days.
