
THE GENERAL ASSEMBLY OF PENNSYLVANIA

HOUSE BILL

No. 572 Session of
2021

INTRODUCED BY ZIMMERMAN, ROWE, MILLARD, GREINER, JAMES, ECKER,
GLEIM AND KEEFER, FEBRUARY 22, 2021

REFERRED TO COMMITTEE ON ENVIRONMENTAL RESOURCES AND ENERGY,
FEBRUARY 22, 2021

AN ACT

1 Amending the act of May 1, 1984 (P.L.206, No.43), entitled "An
2 act providing for safe drinking water; imposing powers and
3 duties on the Department of Environmental Resources in
4 relation thereto; and appropriating certain funds," further
5 providing for definitions and for variances and exemptions.

6 The General Assembly of the Commonwealth of Pennsylvania
7 hereby enacts as follows:

8 Section 1. The definition of "public water system" in
9 section 3 of the act of May 1, 1984 (P.L.206, No.43), known as
10 the Pennsylvania Safe Drinking Water Act, is amended to read:

11 Section 3. Definitions.

12 The following words and phrases when used in this act shall
13 have the meanings given to them in this section unless the
14 context clearly indicates otherwise:

15 * * *

16 "Public water system." A system for the provision to the
17 public of water for human consumption which has at least 15
18 service connections or regularly serves an average of at least
19 25 individuals daily at least 60 days out of the year. The

1 following apply:

2 (1) The term includes:

3 ~~[(1)]~~ (i) Any collection, treatment, storage and
4 distribution facilities under control of the operator of
5 such system and used in connection with such system.

6 ~~[(2)]~~ (ii) Any collection or pretreatment storage
7 facilities not under such control which are used in
8 connection with such a system.

9 ~~[(3)]~~ (iii) A system which provides water for
10 bottling or bulk hauling for human consumption.

11 (2) The term does not include a facility that both is
12 owned by a church, association of churches or other religious
13 order, body or institution which qualifies for exemption from
14 taxation under section 501(c)(3) or (d) of the Internal
15 Revenue Code of 1986 (Public Law 99-514, 26 U.S.C. § 501) and
16 relies upon a privately owned water well for its drinking
17 water supply.

18 * * *

19 Section 2. Section 6(b) and (c) of the act are amended to
20 read:

21 Section 6. Variances and exemptions.

22 * * *

23 (b) Variances from treatment technique requirements.--The
24 department ~~[may]~~ shall authorize variances from a treatment
25 technique required under the drinking water standards if the
26 public water system applying for the variance demonstrates to
27 the satisfaction of the department that the drinking water
28 quality is in accordance with the current surface water
29 treatment rules established by the United States Environmental
30 Protection Agency or the treatment technique is not necessary to

1 protect the health of persons because of the nature of the raw
2 water sources of the system.

3 (c) Department may authorize exemptions.--The department may
4 exempt any public water system from any requirement of an
5 applicable drinking water standard upon finding that:

6 (1) due to compelling factors, the public water system
7 is unable to comply with such requirements;

8 (2) the public water system was in operation on the
9 effective date of such requirement or, for a system that was
10 not in operation by that date, only if no reasonable
11 alternative source of drinking water is available to such a
12 new system; and

13 (3) the granting of the exemption will not result in an
14 unreasonable risk to health[.] as assessed through the
15 recognition of no recorded illnesses derived from microbial
16 contaminants present in the public water system and no
17 evidence of microbial contaminants in the public water
18 system.

19 All exemptions granted with respect to a contaminant level or
20 treatment technique prescribed by the Federal regulation shall
21 expire no later than the dates prescribed in the Federal act.

22 * * *

23 Section 3. This act shall take effect in 60 days.
