THE GENERAL ASSEMBLY OF PENNSYLVANIA

SENATE BILL No. 1252 ^{Session of} 2024

INTRODUCED BY ARGALL, COLEMAN, BREWSTER AND DUSH, JUNE 7, 2024

REFERRED TO EDUCATION, JUNE 7, 2024

AN ACT

1 2 3 4 5 6 7	Amending the act of March 10, 1949 (P.L.30, No.14), entitled "An act relating to the public school system, including certain provisions applicable as well to private and parochial schools; amending, revising, consolidating and changing the laws relating thereto," in construction and renovation of buildings by school entities, further providing for definitions and for building condition assessments.
8	The General Assembly of the Commonwealth of Pennsylvania
9	hereby enacts as follows:
10	Section 1. Section 2601-J of the act of March 10, 1949
11	(P.L.30, No.14), known as the Public School Code of 1949, is
12	amended by adding definitions to read:
13	Section 2601-J. Definitions.
14	The following words and phrases when used in this article
15	shall have the meanings given to them in this section unless the
16	context clearly indicates otherwise:
17	* * *
18	"Equipment." The term includes property, whether fixed or
19	movable, that is incidental and necessary to conduct an
20	educational program. The term includes, but is not limited to,
21	movable equipment such as desks, chairs, tables, information

1	technology infrastructure, portable physical education
2	equipment, audio-visual equipment and science, family and
3	consumer science, industrial art and business equipment and
4	instructional materials and fixtures such as casework,
5	laboratory equipment, kitchen equipment, auditorium seating and
6	any other special fixtures or equipment required to conduct a
7	particular educational program.
8	* * *
9	"Maintenance costs." The term includes the cost for routine,
10	preventative, predictive and emergent unscheduled tasks and
11	minor repairs required to ensure that a facility functions
12	according to its design and for its expected lifespan.
13	"Nonconstruction costs." The term includes design fees,
14	financing, permitting, construction management fees, legal fees,
15	advertising fees, insurance and equipment.
16	"Operations costs." The term includes the cost for
17	custodial, security and utility services required to keep a
18	facility clean and safe so that occupants are comfortable,
19	healthy and productive, and for the operational services
20	required for a vacant facility or site.
21	* * *
22	"Total project costs." The term includes all of the costs to
23	implement a facility improvement measure, including, but not
24	limited to, construction, site costs and nonconstruction costs.
25	* * *
26	Section 2. Section 2605-J of the act is amended to read:
27	Section 2605-J. [Building] <u>Facilities</u> condition assessments.
28	[(a) Duties of department
29	(1) The department shall develop guidelines for school
30	entities to voluntarily report information related to school
2024	40SB1252PN1699 - 2 -

- 2 -

2 shall include a building condition assessment to be 3 voluntarily completed every 10 years for school entities that 4 includes, but is not limited to, a projection of costs to 5 maintain and renovate existing school buildings. 6 (2) The department shall post completed building 7 condition assessments on the department's publicly accessible 8 Internet website. 9 (3) The department shall provide additional points under 10 the funding rubric contained in section 2604-J(d) for grants 11 applied for by school entities that complete building 12 condition assessments. 13 (b) Completion incentiveA school entity that completes a 14 building condition assessment shall receive a 2% increase above 15 the amount calculated under section 2606-J. The department shall 16 develop a process, in coordination with the application process 17 in section 2602-J, for awarding an enhanced reimbursement for 18 completing a building condition assessment.] 19 (c) Duty of departmentBy October 1, 2024, the department. 20 shall develop a facilities condition assessment form for a. 21	1	building safety, inventory and condition. The guidelines
4includes, but is not limited to, a projection of costs to5maintain and renovate existing school buildings.6(2) The department shall post completed building7condition assessments on the department's publicly accessible8Internet website.9(3) The department shall provide additional points under10the funding rubric contained in section 2604-J(d) for grants11applied for by school entities that complete building12condition assessments.13(b) Completion incentiveA school entity that completes a14building condition assessment shall receive a 2% increase above15the amount calculated under section 2606-J. The department shall16develop a process, in coordination with the application process17in section 2602-J, for awarding an enhanced reimbursement for18completing a building condition assessment.]19(c) Duty of departmentBy October 1, 2024, the department.20shall develop a facilities condition assessment form for a.21school entity to use in filing assessments under subsection (d).22The form shall require the following information to be reported:23(1) School entity enrollment.24(2) A list of the names, addresses, building ace.25including dates and descriptions of major renovations, owned.26or leased status, including who is responsible for.27maintenance, of all school entity buildings.28(3) A condition assessment of all school entity.29 <td>2</td> <td>shall include a building condition assessment to be</td>	2	shall include a building condition assessment to be
5maintain and renovate existing school buildings.6(2) The department shall post completed building7condition assessments on the department's publicly accessible8Internet website.9(3) The department shall provide additional points under10the funding rubric contained in section 2604-J(d) for grants11applied for by school entities that complete building12condition assessments.13(b) Completion incentiveA school entity that completes a14building condition assessment shall receive a 2* increase above15the amount calculated under section 2606-J.
