23	hospitals licensed in Rhode Island shall accept such payment rates as payment in full; and (F) For

25	participation in the Rhode Island Medicaid program.
26	(2) With respect to outpatient services and notwithstanding any provisions of the law to the

30	rates between the court-approved purchaser and the health plan, and such rates shall be effective as
31	of the date that the court-approved purchaser and the health plan execute the initial agreement
32	containing the new rates. The rate-setting methodology for inpatient-hospital payments and
33	outpatient-hospital payments set forth in subdivisions (b)(1)(ii)(C) and (b)(2), respectively, shall
34	thereafter apply to increases for each annual twelve-month (12) period as of July 1 following the

4	providing the most efficient care, and provide the executive office the opportunity to conduct value-
5	based purchasing of inpatient care.
6	(d) The secretary of the executive office is hereby authorized to promulgate such rules and
7	regulations consistent with this chapter, and to establish fiscal procedures he or she deems
8	necessary, for the proper implementation and administration of this chapter in order to provide
9	payment to hospitals using the DRG-payment methodology. Furthermore, amendment of the Rhode

14	implement these rate changes.
15	(f) As a condition of participation in the DRG methodology for payment of hospital
16	services, every hospital shall submit year-end settlement reports to the executive office within one
17	year from the close of a hospital's fiscal year. Should a participating hospital fail to timely submit
18	a year-end settlement report as required by this section, the executive office shall withhold
19	financial-cycle payments due by any state agency with respect to this hospital by not more than ten

22	outpatient services. For hospital fiscal year 2011 and all subsequent fiscal years, hospitals will not
23	be required to submit year-end settlement reports on claims for hospital inpatient services. Further,

25	claims received between October 1, 2009, and June 30, 2010.
26	(g) The provisions of this section shall be effective upon implementation of the new
27	payment methodology set forth in this section and § 40-8-13.3, which shall in any event be no later
28	than March 30, 2010, at which time the provisions of §§ 40-8-13.2, 27-19-14, 27-19-15, and 27-

33	hereinafter as the "Act"). the total sum of medical assistance for Medicaid benefits so paid on behalf
34	of a recipient beneficiary who was fifty-five (55) years of age or older at the time of receipt of the

1	assistance shall be and constitute a lien upon the estate, as defined in subdivision (a)(2) below, of
2	the recipient beneficiary in favor of the executive office of health and human services ("executive
3	office"). The lien shall not be effective and shall not attach as against the estate of a recipient
4	beneficiary who is survived by a spouse, or a child who is under the age of twenty-one (21), or a

7	beneficiary, which is included or includible in the decedent's probate estate, regardless of whether
8	or not a probate proceeding has been commenced in the probate court by the executive office of
9	health and human services or by any other party. Provided, however, that such lien shall only attach
10	and shall only be effective against the recipient's beneficiary's real property included or includible
11	in the recipient's beneficiary's probate estate if such lien is recorded in the land evidence records
12	and is in accordance with subsection 40-8-15(f). Decedents who have received medical assistance

16	shall include all real and personal property and other assets included or includable within the
17	individual's probate estate.
18	(b) The executive office of health and human services is authorized to promulgate
19	regulations to implement the terms, intent, and purpose of this section and to require the legal
20	representative(s) and/or the heirs-at-law of the decedent to provide reasonable written notice to the
21	executive office of health and human services of the death of a recipient beneficiary of medical
22	assistance Medicaid benefits who was fifty-five (55) years of age or older at the date of death, and
23	to provide a statement identifying the decedent's property and the names and addresses of all
24	persons entitled to take any share or interest of the estate as legatees or distributes thereof.
25	(c) The amount of medical assistance reimbursement for Medicaid benefits imposed under
26	this section shall also become a debt to the state from the person or entity liable for the payment
27	thereof.
28	(d) Upon payment of the amount of reimbursement for medical assistance Medicaid
29	benefits imposed by this section, the secretary of the executive office of health and human services,
30	or his or her designee, shall issue a written discharge of lien.
31	(e) Provided, however, that no lien created under this section shall attach nor become
32	effective upon any real property unless and until a statement of claim is recorded naming the
33	debtor/owner of record of the property as of the date and time of recording of the statement of
34	claim, and describing the real property by a description containing all of the following: (1) tax

1	assessors plat and for, and (2) street address. The statement of claim shall be recorded in the records

3	sent to the duly appointed executor or administrator, the decedent's legal representative, if known,
4	or to the decedent's next of kin or heirs at law as stated in the decedent's last application for medical
5	assistance Medicaid benefits.
6	(f) The executive office of health and human services shall establish procedures, in
7	accordance with the standards specified by the secretary, U.S. Department of Health and Human
8	Services, under which the executive office of health and human services shall waive, in whole or

13	administration of a decedent's estate, when the decedent was fifty-five (55) years or older at the
14	time of death, a copy of said petition and a copy of the death certificate shall be sent to the executive
15	office of health and human services. Within thirty (30) days of a request by the executive office of
16	health and human services, an executor or administrator shall complete and send to the executive
17	office of health and human services a form prescribed by that office and shall provide such
18	additional information as the office may require. In the event a petitioner fails to send a copy of the
19	petition and a copy of the death certificate to the executive office of health and human services and
20	a decedent has received medical assistance Medicaid benefits for which the executive office of
21	health and human services is authorized to recover, no distribution and/or payments, including
22	administration fees, shall be disbursed. Any person and /or entity that receive a distribution of assets
23	from the decedent's estate shall be liable to the executive office of health and human services to the
24	extent of such distribution.
25	(h) Compliance with the provisions of this section shall be consistent with the requirements
26	set forth in § 33-11-5 and the requirements of the affidavit of notice set forth in § 33-11-5.2. Nothing
27	in these sections shall limit the executive office of health and human services from recovery, to the
28	extent of the distribution, in accordance with all state and federal laws.
29	(i)To assure the financial integrity of the Medicaid eligibility determination, benefit
30	renewal, and estate recovery processes in this and related sections, the secretary of health and
31	human services is authorized and directed to, by no later than August 1, 2018: (1), implement an
32	automated asset verification system, as mandated by §1940 of the of Act that uses electronic data

14	incurred by efficiently and economically operated facilities in accordance with 42 U.S.C.
15	§1396a(a)(13). The executive office of health and human services ("executive office") shall

22	rates based on a price based methodology to be paid to all facilities with recognition of the acuity
23	of patients and the relative Medicaid occupancy, and to include the following elements to be
24	developed by the executive office:

5	aggregate amount shall be expended to fund an increase in wages, benefits, or related employer

7	include registered nurses (RNs), licensed practical nurses (LPNs), certified nursing assistants
8	(CNAs), certified medical technicians, housekeeping staff, laundry staff, dietary staff, or other

15	to the inflation index applied on October 1, 2016. Any facility that does not comply with terms of
16	such certification shall be subjected to a clawback, paid by the nursing facility to the state, in the
17	amount of increased reimbursement subject to this provision that was not expended in compliance
18	with that certification.
19	(b) Transition to full implementation of rate reform. For no less than four (4) years after
20	the initial application of the price-based methodology described in subdivision (a)(2) to payment
21	rates, the executive office of health and human services shall implement a transition plan to
22	moderate the impact of the rate reform on individual nursing facilities. Said transition shall include
23	the following components:

34	be no adjustment to the per diem gain or loss, but the phase out shall resume thereafter; and

1	(3) The transition plan and/or period may be modified upon run implementation of facility
2	per diem rate increases for quality of care related measures. Said modifications shall be submitted
3	in a report to the general assembly at least six (6) months prior to implementation.

15	SECTION 3. Section 40-8.4-12 of the General Laws in Chapter 40-8.4 entitled "Health
16	Care for Families" is hereby amended to read as follows:

20	to implement the provisions of section 1906 of Title XIX of the Social Security Act, 42 U.S.C.
21	section 1396e, and establish the Rhode Island health insurance premium assistance program for
22	RIte Care eligible families with incomes up to two hundred fifty percent (250%) of the federal
23	poverty level who have access to employer-based health insurance. The state plan amendment shall
24	require eligible families with access to employer-based health insurance to enroll themselves and/or
25	their family in the employer-based health insurance plan as a condition of participation in the RIte
26	Share program under this chapter and as a condition of retaining eligibility for medical assistance
27	under chapters 5.1 and 8.4 of this title and/or chapter 12.3 of title 42 and/or premium assistance
28	under this chapter, provided that doing so meets the criteria established in section 1906 of Title
29	XIX for obtaining federal matching funds and the department has determined that the person's
30	and/or the family's enrollment in the employer-based health insurance plan is cost-effective and the
31	department has determined that the employer based health insurance plan meets the criteria set
22	
32	forth in subsection (d). The department shall provide premium assistance by paying all or a portion

based health insurance plan, subject to the cost sharing provisions in subsection (b), and provided

34

1	that the premium assistance is cost effective in accordance with Title ATA, 42 0.3.C. section 1390
2	et seq Under the terms of Section 1906 of Title XIX of the U.S. Social Security Act, states are
3	permitted to pay a Medicaid eligible person's share of the costs for enrolling in employer-sponsored
4	health insurance (ESI) coverage if it is cost effective to do so. Pursuant to general assembly's
5	direction in Rhode Island Health Reform Act of 2000, the Medicaid agency requested and obtained
6	federal approval under § 1916 to establish the RIte Share premium assistance program to subsidize
7	the costs of enrolling Medicaid eligible persons and families in employer sponsored health
8	insurance plans that have been approved as meeting certain cost and coverage requirements. The
9	Medicaid agency also obtained, at the general assembly's direction, federal authority to require any
10	such persons with access to ESI coverage to enroll as a condition of retaining eligibility providing
11	that doing so meets the criteria established in Title XIX for obtaining federal matching funds.
12	(b) Individuals who can afford it shall share in the cost. The office of health and human
13	services is authorized and directed to apply for and obtain any necessary waivers from the secretary
14	of the United States Department of Health and Human Services, including, but not limited to, a
15	waiver of the appropriate sections of Title XIX, 42 U.S.C. section 1396 et seq., to require that
16	families eligible for RIte Care under this chapter or chapter 12.3 of title 42 with incomes equal to
17	or greater than one hundred fifty percent (150%) of the federal poverty level pay a share of the
18	costs of health insurance based on the person's ability to pay, provided that the cost sharing shall
19	not exceed five percent (5%) of the person's annual income. The department of human services
20	shall implement the cost-sharing by regulation, and shall consider co-payments, premium shares or
21	other reasonable means to do so. Definitions For the purposes of this subsection, the following
22	definitions apply:
23	(1) "Cost-effective" means that the portion of the ESI that the state would subsidize, as
24	well as wrap-around costs, would on average cost less to the State than enrolling that same
25	person/family in a managed care delivery system.
26	(2) "Cost sharing" means any co-payments, deductibles or co-insurance associated with
27	<u>ESI.</u>
28	(3) "Employee premium" means the monthly premium share a person or family is required
29	to pay to the employer to obtain and maintain ESI coverage.
30	(4) "Employer-Sponsored Insurance or ESI" means health insurance or a group health plan
31	offered to employees by an employer. This includes plans purchased by small employers through
32	the State health insurance marketplace, Healthsource, RI (HSRI).
33	(5) "Policy holder" means the person in the household with access to ESI, typically the
34	employee.

1	(6) "RIte Share-approved employer-sponsored insurance (ESI)" means an employer-
2	sponsored health insurance plan that meets the coverage and cost-effectiveness criteria for RIte
3	Share.
4	(7) "RIte Share buy-in" means the monthly amount an Medicaid-ineligible policy holder
5	must pay toward RIte Share-approved ESI that covers the Medicaid-eligible children, young adults
6	or spouses with access to the ESI. The buy-in only applies in instances when household income is
7	above 150% the FPL.
8	(8) "RIte Share premium assistance program" means the Rhode Island Medicaid premium
9	assistance program in which the State pays the eligible Medicaid member's share of the cost of
10	enrolling in a RIte Share-approved ESI plan. This allows the State to share the cost of the health
11	insurance coverage with the employer.
12	(9) "RIte Share Unit" means the entity within EOHHS responsible for assessing the cost-
13	effectiveness of ESI, contacting employers about ESI as appropriate, initiating the RIte Share
14	enrollment and disenrollment process, handling member communications, and managing the
15	overall operations of the RIte Share program.
16	(10) "Third Party Liability (TPL)" means other health insurance coverage. This insurance
17	is in addition to Medicaid and is usually provided through an employer. Since Medicaid is always
18	the payer of last resort, the TPL is always the primary coverage.
19	(11) "Wrap-around services or coverage" means any health care services not included in
20	the ESI plan that would have been covered had the Medicaid member been enrolled in a RIte Care
21	or Rhody Health Partners plan. Coverage of deductibles and co-insurance is included in the wrap.
22	Co-payments to providers are not covered as part of the wrap-around coverage.
23	(c) Current RIte Care enrollees with access to employer-based health insurance. The office
24	of health and human services shall require any family who receives RIte Care or whose family
25	receives RIte Care on the effective date of the applicable regulations adopted in accordance with
26	subsection (f) to enroll in an employer-based health insurance plan at the person's eligibility
27	redetermination date or at an earlier date determined by the department, provided that doing so
28	meets the criteria established in the applicable sections of Title XIX, 42 U.S.C. section 1396 et seq.,
29	for obtaining federal matching funds and the department has determined that the person's and/or
30	the family's enrollment in the employer based health insurance plan is cost effective and has
31	determined that the health insurance plan meets the criteria in subsection (d). The insurer shall
32	accept the enrollment of the person and/or the family in the employer based health insurance plan
33	without regard to any enrollment season restrictions. RIte Share Populations. Medicaid
34	beneficiaries subject to RIte Share include: children, families, parent and caretakers eligible for

1	Medicaid or the Children's Health Insurance Program under this chapter or chapter 42-12.3; and
2	adults between the ages of 19 and 64 who are eligible under chapters 40-8.5 and 40-8.12, not
3	receiving or eligible to receive Medicare, and are enrolled in managed care delivery systems. The
4	following conditions apply:

6	must participate in RIte Share as follows:

9	adjusted gross income (MAGI) standard or other standard approved by the secretary are required
10	to participate in RIte Share if a Medicaid-eligible adult or parent/caretaker has access to cost-
11	effective ESI. Enrolling in ESI through RIte Share shall be a condition of maintaining Medicaid
12	health coverage for any eligible adult with access to such coverage.
13	(ii) Income above 150% FPL and policy holder is not Medicaid-eligible Premium
14	assistance is available when the household includes Medicaid-eligible members, but the ESI policy
15	holder (typically a parent/ caretaker or spouse) is not eligible for Medicaid. Premium assistance for
16	parents/caretakers and other household members who are not Medicaid-eligible may be provided
17	in circumstances when enrollment of the Medicaid-eligible family members in the approved ESI
18	plan is contingent upon enrollment of the ineligible policy holder and the executive office of health
19	and human services (executive office) determines, based on a methodology adopted for such
20	purposes, that it is cost-effective to provide premium assistance for family or spousal coverage.
21	(d) RIte Share Enrollment as a Condition of Eligibility. For Medicaid beneficiaries over
22	the age of nineteen (19) enrollment in RIte Share shall be a condition of eligibility except as
23	exempted below and by regulations promulgated by the executive office.

25	required to enroll in a parent/caretaker relative's ESI as a condition of maintaining Medicaid

1	the department executive office must determine that the benefits offered by the employer-based
2	health insurance plan are substantially similar in amount, scope, and duration to the benefits
3	provided to RIte Care Medicaid-eligible persons by the RIte Care program enrolled in Medicaid
4	managed care plan, when the plan is evaluated in conjunction with available supplemental benefits
5	provided by the office. The office shall obtain and make available as sto persons otherwise eligible
6	for RIte Care Medicaid identified in this section as supplemental benefits those benefits not
7	reasonably available under employer-based health insurance plans which are required for RIte Care
8	eligible persons Medicaid beneficiaries by state law or federal law or regulation. Once it has been
9	determined by the Medicaid agency that the ESI offered by a particular employer is RIte Share-
10	approved, all Medicaid members with access to that employer's plan are required participate in RIte
11	Share. Failure to meet the mandatory enrollment requirement shall result in the termination of the
12	Medicaid eligibility of the policy holder and other Medicaid members nineteen (19) or older in the

14	enrollment procedures established by the executive office.

23	the buy-in cost shall not exceed five percent (5%) of the person's annual income. The executive
24	office shall implement the buy-in by regulation, and shall consider co-payments, premium shares
