4 (a) On or before July 1, 2015, the mattress stewardship council shall submit a mattress
5 stewardship plan for the establishment of a mattress stewardship program to the corporation
6 director for approval.

7 (b) The plan submitted pursuant to subsection (a) of this section shall, to the extent it is
8 technologically feasible and economically practical:

11 is sufficient to cover the costs of operating and administering the program;

14 require a solid waste management facilities license;

15 (5) Detail how the program will promote the recycling of discarded mattresses;

16 (6) Include a description of the public education program;

17 (7) Describe fee-disclosure language that retailers will be required to prominently display
18 that will inform consumers of the amount and purpose of the fee; and

1 (8) Identify the methods and procedures to facilitate implementation of the mattress
2 stewardship program in coordination with the corporation director and municipalities.

3 (c) Not later than ninety (90) days after submission of the plan pursuant to this section, the
4 corporation shall make a determination whether to:

5 (1) Approve the plan as submitted; or

6 (2) Deny the plan.

7 (d) The corporation director shall approve the plan for the establishment of the mattress
8 stewardship program, provided such plan reasonably meets the requirements of this section. Prior
9 to making such determination, the corporation director shall post the plan for at least thirty (30)
10 days, in accordance with the "Administrative Procedures Act" as set forth in chapter 35 of title 42
11 on the corporation's website and solicit public comments on the plan to be posted on the website.

12 (e) In the event that the corporation director denies the plan, the corporation director shall
13 provide a notice of determination to the council, within sixty (60) days, detailing the reasons for
14 the disapproval. The council shall revise and resubmit the plan to the corporation director not later
15 than forty-five (45) days after receipt of notice of the corporation director's denial notice. Not later
16 than forty-five (45) days after receipt of the revised plan, the corporation director shall review and
17 approve or deny the revised plan. The council may resubmit a revised plan to the corporation
18 director for approval on not more than two (2) occasions. If the council fails to submit a plan that
19 is acceptable to the corporation director, because it does not meet the criteria pursuant to
20 subdivisions (b)(1-8), the corporation director shall have the ability to modify the submitted plan
21 and approve it. Not later than one hundred twenty (120) days after the approval of a plan pursuant
22 to this section, the council shall implement the mattress stewardship program.

23 (f) It is the responsibility of the council to:

24 (1) Notify the corporation director whenever there is a proposed substantial change to the
25 program. If the corporation director takes no action on a proposed substantial change within ninety
26 (90) days after notification of the proposed change, the proposed change shall be deemed approved.

27 For the purposes of this subdivision, "substantial change" shall include, but not be limited
28 to:

29 (i) A change in the processing facilities to be used for discarded mattresses collected
30 pursuant to the program; or

3 director for approval. Such changes shall include, but not be limited to, a change in the composition,
4 officers, or contact information of the council.

6 a uniform fee for all mattresses sold in this state. The council may propose a change to the uniform
7 fee more frequently than once every two (2) years if the council determines such change is needed
8 to avoid funding shortfalls or excesses. Any proposed fee shall be reviewed by an independent
9 auditor to ensure that such assessment does not exceed the costs of the mattress stewardship
10 program described in subsection (b) of this section and to maintain financial reserves sufficient to
11 operate the program over a multi-year period in a fiscally prudent and responsible manner. Not
12 later than sixty (60) days after the council proposes a mattress stewardship fee, the auditor shall
13 render an opinion to the corporation director as to whether the proposed mattress stewardship fee
14 is reasonable to achieve the goals set forth in this section. If the auditor concludes that the mattress
15 stewardship fee is reasonable, then the proposed fee shall go into effect not less than ninety (90)
16 days after the auditor notifies the corporation director that the fee is reasonable. If the auditor
17 concludes that the mattress stewardship fee is not reasonable, the auditor shall provide the council
18 with written notice explaining the auditor's opinion. [Copies of all documents related to the auditor's](#)

23 the auditor's opinion. If the auditor concludes that the fee is not reasonable, the corporation director
24 shall decide, based on the auditor's opinion and any comments provided by the council, whether to
25 approve the proposed mattress stewardship fee. Such auditor shall be selected by the council. The
26 cost of any work performed by such auditor pursuant to the provisions of this subsection and
27 subsection (i) of this section shall be funded by the council.

28 (i)(1) On and after the implementation of the mattress stewardship program, each retailer
29 shall add the amount of the fee established pursuant to subsection (b) of this section and described
30 in subsection (h) of this section to the purchase price of all mattresses sold in this state. The fee
31 shall be remitted by the retailer to the council. The council may, subject to the corporation director's
32 approval, establish an alternative, practicable means of collecting or remitting such fee.

33 (2) On and after the implementation date of the mattress stewardship program, no producer,
34 distributor or retailer shall sell or offer for sale a mattress to any person in the state if the producer

1 is not a member of the council.

24 processes used to achieve performance goals of the program; and

25 (9) Recommendations for any changes to the program.

26 (k) Two (2) years after the implementation of the program and upon the request of the
27 corporation director, but not more frequently than once a year, the council shall cause an audit of
28 the program to be conducted by the auditor described in subsection (h) of this section. Such audit
29 shall review the accuracy of the council's data concerning the program and provide any other
30 information requested by the corporation director. Such audit shall be paid for by the council. The
31 council shall maintain all records relating to the program for not less than three (3) years.

32 (l) No covered entity that participates in the program shall charge for receipt of mattresses

1 (m) Covered entities that, upon the date of this act's passage, have an existing program for
2 recycling discarded mattresses may continue to operate such program without coordination of the

4 the facilities to which discarded mattresses are delivered are engaged in the business of recycling
5 said mattresses and the corporation director approves the written affirmation that the facility
6 engages in mattress recycling of mattresses received by the covered entity. A copy of the written
7 affirmation and the corporation's approval shall be provided to the council by the corporation
