18 that the statewide public questions involving the issuance of bonds or other evidence of  
19 indebtedness, or other long-term financial obligation, shall appear on the ballot with only a caption  
20 and the amount of financial obligation to be incurred, but without the clear and concise statement  
21 of each question, as otherwise required. Provided, however, that such clear and concise statement  
22 of such question shall instead appear in a conspicuous location within each privacy voting booth at  
23 each polling place with additional copies thereof available at each polling place; and for mail ballot  
24 voters, each such ballot sent to a mail ballot voter shall be accompanied by a clear and concise  
25 statement of each question printed on a separate sheet of paper.

26 (c) Notwithstanding the foregoing, in the general election to be held on November 4, 2014,  
27 in order to avoid a multiple page statewide ballot, given the number of public questions to be  
28 submitted to the electors at such general election, the secretary of state may prepare the ballot in  
29 such manner that the statewide public questions involving the issuance of bonds or other evidence  
30 of indebtedness, or other long-term financial obligation, shall appear on the ballot with only a  
31 caption and the amount of financial obligation to be incurred, but without the clear and concise  
32 statement of each question, as otherwise required; provided, however, that such clear and concise  
33 statement of such question shall instead appear in a conspicuous location within each privacy voting  
34 booth at each polling place with additional copies thereof available at each polling place; and for

1 mail ballot voters, each such ballot sent to a mail ballot voter shall be accompanied by a clear and  
2 concise statement of each question printed on a separate sheet of paper.
