3 individual)" or words of similar import.

4 **42-30.1-9. Notarial act in this state.**

5 The signature and title of an individual performing a notarial act in this state are prima
6 facie evidence that the signature is genuine and that the individual holds the designated title.

7 **42-30.1-10. Notarial act in another state.**

8 (a) A notarial act performed in another state has the same effect under the law of this
9 state as if performed by a notarial officer of this state, if the act performed in that state is
10 performed by:

11 (1) A notary public of that state;

12 (2) A judge, clerk, or deputy clerk of a court of that state; or

13 (3) Any other individual authorized by the law of that state to perform the notarial act.

14 (b) The signature and title of an individual performing a notarial act in another state are
15 prima facie evidence that the signature is genuine and that the individual holds the designated
16 title.

17 (c) The signature and title of a notarial officer described in subsection (a)(1) or (a)(2) of
18 this section conclusively establish the authority of the officer to perform the notarial act.

19 **42-30.1-11. Notarial act under federal authority.**

20 (a) A notarial act performed under federal law has the same effect under the law of this
21 state as if performed by a notarial officer of this state, if the act performed under federal law is
22 performed by:

24 (2) An individual in military service or performing duties under the authority of military
25 service who is authorized to perform notarial acts under federal law;

32 (c) The signature and title of an officer described in subsection (a)(1), (a)(2), or (a)(3) of
33 this section conclusively establish the authority of the officer to perform the notarial act.

34 **42-30.1-12. Foreign notarial act.**

1 (a) In this section, "foreign state" means a government other than the United States of
2 America or a state not including the state of Rhode Island.

3 (b) If a notarial act is performed under authority and in the jurisdiction of a foreign state
4 or constituent unit of the foreign state, the act has the same effect under the law of this state as if
5 performed by a notarial officer of this state.

6 (c) If the title of office and indication of authority to perform notarial acts in a foreign
7 state appears in a digest of foreign law or in a list customarily used as a source for that
8 information, the authority of an officer with that title to perform notarial acts is conclusively
9 established.

10 (d) The signature and official stamp of an individual holding an office described in
11 subsection (c) of this section are prima facie evidence that the signature is genuine and the
12 individual holds the designated title.

13 (e) A consular authentication issued by an individual designated by the United States
14 Department of State as a notarizing officer for performing notarial acts overseas and attached to
15 the record with respect to which the notarial act is performed conclusively establishes that the
16 signature of the notarial officer is genuine and that the officer holds the indicated office.

17 **42-30.1-13. Official stamp.**

18 The official stamp of a notary public must:

19 (1) Include the notary public's name, the words "notary public," jurisdiction, and other
20 information required by the rules of the commissioning agency; and

21 (2) Be capable of being copied together with the record to which it is affixed or attached
22 or with which it is logically associated;

23 (3) This section shall not preclude a notarial officer who is a member of the general
24 assembly in this state from notarizing a document without the use of a stamp on the floor of the
25 general assembly during open session.

26 **42-30.1-14. Notification regarding performance of notarial act on electronic record;**
27 **selection of technology.**

28 (a) A notary public may select one or more tamper-evident technologies to perform
29 notarial acts with respect to electronic records. A person may not require a notary public to
30 perform a notarial act with respect to an electronic record with a technology that the notary public
31 has not selected.

32 (b) Before a notary public performs the notary public's initial notarial act with respect to
33 an electronic record, a notary public shall notify the commissioning agency that the notary public
34 will be performing notarial acts with respect to electronic records and identify the technology the

1 notary public intends to use. If the commissioning agency has established standards for approval
2 of technology, such technology must conform to the standards. If the technology conforms to the
3 standards, the commissioning agency shall approve the use of the technology.

4 **42-30.1-15. Commission as notary public; qualifications; no immunity or benefit.**

5 (a) A notarial act may be performed in this state by:

6 (1) A notary public of this state;

16 (6) Demonstrate sufficient knowledge of the powers and duties pursuant to the
17 requirements of this chapter.

18 (c) A member in good standing of the Rhode Island bar and certified public accountants
19 under § 5-3.1-5, shall, regardless of residence, be appointed a notary public upon application and
20 presentment of a certified copy of their certificate of admission to the bar or certificate of public
21 accountancy;

22 (d) Every state senator, state representative, member of a city or town council, chief,
23 deputy, and assistant clerk of any state court, clerks of the board of canvassers and workers'
24 compensation court, municipal clerks, and the board of canvassers registrar may be appointed a
25 notary public following election, appointment or hiring, as applicable, and upon application and
26 presentment of reasonable evidence of said office or employment, and shall retain such
27 appointment throughout the uninterrupted duration and term of such office, appointment or
28 employment;

29 (1) No notary public set forth in § 42-30.1-15(d) shall be required to pay an application
30 fee. The notaries public set forth in § 42-30.1-15(d) must complete the appropriate oath of office
31 as set forth in § 42-30.1-15(2). The notaries public set forth in § 42-30.1-15(d) who may be
32 reappointed or continued in office, may continue to officiate while in office without taking a new
33 oath of office.

34 (2) Before issuance of a commission as a notary public, an applicant for the commission

1 shall execute an oath of office and submit it to the commissioning agency.

2 (e) Two (2) police officers from each state and local police department of this state, as
3 identified in writing by the chief of police.

4 (f) On compliance with this section, the commissioning officer shall issue a commission
5 as a notary public to an applicant for a term of four (4) years.

6 (g) Every notary public appointed by the commissioning officer and not reappointed, may
7 continue to officiate for a space of thirty (30) days after the date on which their commission
8 expires.

9 (h) A commission to act as a notary public authorizes the notary public to perform
10 notarial acts. The commission does not provide the notary public any immunity or benefit
11 conferred by law of this state on public officials or employees.

12 **42-30.1-16. Grounds to deny, refuse to renew, revoke, suspend, or condition**
13 **commission of notary public.**

14 (a) The commissioning officer may deny, refuse to renew, revoke, suspend, or impose a
15 condition on a commission as notary public for any act or omission that demonstrates the
16 individual lacks the honesty, integrity, competence, or reliability to act as a notary public,
17 including without limitation:

18 (1) Failure to comply with this chapter;

19 (2) A fraudulent, dishonest, or deceitful misstatement or omission in the application for a
20 commission as a notary public submitted to the commissioning officer and/or agency;

21 (3) A conviction of the applicant or notary public of any crime which involves fraud,
22 dishonesty, or deceit; provided that in determining whether to deny, refuse to renew, revoke,
23 suspend or condition the commission, the commissioning officer shall consider such factors as the
24 seriousness of the crime; whether the crime relates directly to the training and skills needed for
25 the commission of a notary public; how much time has elapsed since the crime was committed;
26 and the applicant's actions and conduct since the crime was committed;

27 (4) A finding against, or admission of liability by, the applicant or notary public in any
28 legal proceeding or disciplinary action based on the applicant's or notary public's fraud,
29 dishonesty, or deceit;

30 (5) Use of false or misleading advertising or representation by the notary public
31 representing that the notary public has a duty, right, or privilege that the notary public does not
32 have;

33 (6) Denial, refusal to renew, revocation, suspension, or conditioning of a notary public
34 commission in another state; or

1 (7) Termination or revocation of a certificate of admission to the Rhode Island bar or a
2 certificate of public accountancy.

3 (b) If the commissioning officer denies, refuses to renew, revokes, suspends, or imposes
4 conditions on a commission as a notary public, the applicant or notary public is entitled to timely
5 notice and hearing in accordance with chapter 35 of title 42.

6 (c) The authority of the commissioning officer to deny, refuse to renew, suspend, revoke,
7 or impose conditions on a commission as a notary public does not prevent a person from seeking
8 and obtaining other criminal or civil remedies provided by law.

9 **42-30.1-17. Database of notaries public.**

10 The commissioning agency shall maintain an electronic database of notaries public:

11 (1) Through which a person may verify the authority of a notary public to perform
12 notarial acts; and

13 (2) Which indicates whether a notary public has notified the commissioning agency that
14 the notary public will be performing notarial acts on electronic records.

15 **42-30.1-18. Prohibited acts.**

16 (a) A commission as a notary public does not authorize an individual to:

18 (2) Act as an immigration consultant or an expert on immigration matters;

19 (3) Represent a person in a judicial or administrative proceeding relating to immigration
20 to the United States, United States citizenship, or related matters; or

21 (4) Receive compensation for performing any of the activities listed in this subsection.

22 (b) A notary public may not engage in false or deceptive advertising.

23 (c) A notary public, other than an attorney licensed to practice law in this state, may not
24 use the term "notario" or "notario publico".

25 (d) A notary public, other than an attorney licensed to practice law in this state, may not
26 advertise or represent that the notary public may assist persons in drafting legal records, give
27 legal advice, or otherwise practice law. If a notary public who is not an attorney licensed to
28 practice law in this state in any manner advertises or represents that the notary public offers
29 notarial services, whether orally or in a record, including broadcast media, print media, and the
30 Internet, the notary public shall include the following statement, or an alternate statement
31 authorized or required by the commissioning agency, in the advertisement or representation,
32 prominently and in each language used in the advertisement or representation: "I am not an
33 attorney licensed to practice law in this state. I am not licensed to draft legal records, give advice
34 on legal matters, including immigration, or charge a fee for those activities." If the form of

1 advertisement or representation is not broadcast media, print media, or the Internet and does not
2 permit inclusion of the statement required by this subsection because of size, it must be displayed
3 prominently or provided at the place of performance of the notarial act before the notarial act is
4 performed.

5 (e) Except as otherwise allowed by law, a notary public may not withhold access to or
6 possession of an original record provided by a person that seeks performance of a notarial act by
7 the notary public.

8 **42-30.1-19. Validity of notarial acts.**

9 Except as otherwise provided in § 42-30.1-3(b), the failure of a notarial officer to perform
10 a duty or meet a requirement specified in this chapter does not invalidate a notarial act performed
11 by the notarial officer. The validity of a notarial act under this chapter does not prevent an
12 aggrieved person from seeking to invalidate the record or transaction that is the subject of the
13 notarial act or from seeking other remedies based on the law of this state other than this chapter or
14 law of the United States of America. This section does not validate a purported notarial act
15 performed by an individual who does not have the authority to perform notarial acts.

16 **42-30.1-20. Fees for authentication of a notary public signature.**

17 A fee of five dollars (\$5.00) shall be charged and collected by the office of the secretary
18 of state for the authentication or certification of the signature of a notary public. In any event
19 where the office of the secretary of state shall authenticate or certify the signatures of a notary
20 public upon multiple relevant documents presented simultaneously, and all of which documents
21 pertain to the same matter or transaction and are to be filed at one time, the aggregate fee charged
22 for said authentications or certifications shall be the lesser of the above-referenced fee charged
23 per each authentication or certification, or one hundred fifty dollars (\$150).

24 **42-30.1-21. Notary public – Fraud or deceit in office.**

25 A notary public, who in the exercise of the powers, or in the performance of the duties of
26 such office, shall practice any fraud or deceit, the punishment for which is not otherwise provided
27 for by law, shall be guilty of a misdemeanor and fined not more than one thousand dollars
28 (\$1,000), or imprisoned not more than one year, or both.

29 **42-30.1-22. Notary public commission effect.**

30 A commission as a notary public in effect on January 1, 2019 continues until its date of
31 expiration. A notary public who applies to renew a commission as a notary public on or after
32 January 1, 2019 is subject to and shall comply with this chapter. A notary public, in performing
33 notarial acts after January 1, 2019, shall comply with this chapter.

34 **42-30.1-23. Savings Clause.**

1 This chapter does not affect the validity or effect of a notarial act performed before
2 January 1, 2019.

3 **42-30.1-24. Relation to electronic signatures in global and national commerce act.**

4 This chapter modifies, limits, and supersedes the Electronic Signatures in Global and
5 National Commerce Act, 15 U.S.C. Section 7001 et seq., but does not modify, limit, or supersede
6 Section 101(c) of that act, 15 U.S.C. Section 7001(c), or authorize electronic delivery of any of
7 the notices described in Section 103(b) of that act, 15 U.S.C. Section 7003(b).

8 SECTION 5. This act shall take effect on January 1, 2019.
