STATE OF RHODE ISLAND

IN GENERAL ASSEMBLY

JANUARY SESSION, A.D. 2014

—————
A N A C T

Introduced By: Representatives O'Brien, Marshall, Almeida, San Bento, and DeSimone

Date Introduced: February 26, 2014

Referred To: House Health, Education & Welfare

It is enacted by the General Assembly as follows:

1 SECTION 1. Section 21-28-3.32 of the General Laws in Chapter 21-28 entitled "Uniform
2 Controlled Substances Act" is hereby amended to read as follows:

3 **21-28-3.32. Electronic prescription database.** -- (a) The information contained in any
4 prescription drug monitoring database maintained by the department of health pursuant to section
5 3.18 of this chapter shall be disclosed only:

6 (1) To a practitioner who certifies that the requested information is for the purpose of
7 evaluating the need for or providing medical treatment for a current patient to whom the
8 practitioner is prescribing or considering prescribing a controlled substance;

9 (2) To a pharmacist who certifies that the requested information is for a current client to
10 whom the pharmacist is dispensing or considering dispensing a controlled substance;

11 (3) To an authorized designee of the practitioner and/or pharmacist to consult the
12 prescription drug monitoring database on the practitioner's and/or pharmacist's behalf, provided
13 that:

14 (i) The designee so authorized is employed by the same professional practice or
15 pharmacy;

16 (ii) The practitioner or pharmacist takes reasonable steps to ensure that such designee is
17 sufficiently competent in the use of the database;

18 (iii) The practitioner or pharmacist remains responsible for ensuring that access to the
19 database by the designee is limited to authorized purposes as provided for in subsections (a)(1)

1 and (a)(2) of this section:

2 (iv) The practitioner or pharmacist remains responsible for ensuring access to the
3 database by the designee occurs in a manner that protects the confidentiality of information
4 obtained from the database, and remains responsible for any breach of confidentiality;

5 (v) The practitioner or pharmacist terminates the designee's access to the database at the
6 termination of the designee's employment; and

7 (vi) The ultimate decision as to whether or not to prescribe or dispense a controlled
8 substance remains with the practitioner or pharmacist and is reasonably informed by the relevant
9 controlled substance history information obtained from the database.

10 ~~(3)~~(4) Pursuant to a valid search warrant based on probable cause to believe a violation
11 of federal or state criminal law has occurred and that specified information contained in the
12 database would assist in the investigation of the crime;

13 ~~(4)~~(5) To a patient who requests his or her own prescription information, or the parent or
14 legal guardian of a minor child who requests the minor child's prescription information;

15 ~~(5)~~(6) To a health professional regulatory board that documents, in writing, that the
16 requested information is necessary for an investigation related to licensure, renewal or
17 disciplinary action involving the applicant, licensee or registrant to whom the requested
18 information pertains;

19 ~~(6)~~(7) To any vendor or contractor with whom the department has contracted to establish
20 or maintain the electronic system of the prescription drug monitoring database; or

21 ~~(7)~~(8) To public or private entities for statistical, research, or educational purposes, after
22 removing the patient and prescriber information that could be used to identify individual patients.
23 This shall not include entities receiving a waiver from the institutional review board.

24 (b) Information stored in the prescription drug monitoring database shall include only the
25 following:

26 (1) Patient's first and last name, and/or patient identification number; provided, however,
27 the patient's social security number shall not be recorded in whole or in part, patient sex, patient
28 date of birth, and patient address;

29 (2) Prescribing practitioner's name and drug enforcement administration prescriber
30 information number;

31 (3) Prescribing practitioner's office or hospital contact information;

32 (4) Prescription name, prescription number, prescription species code, national drug code
33 number, prescription dosage, prescription quantity, days' supply, new-refill code, number of
34 refills authorized, date the prescription was written, date the prescription was filled, payment

1 type; provided, however, no credit card number shall be recorded in whole or in part; and

2 (5) The drug enforcement administration pharmacy number of the pharmacy filling the
3 prescription.

4 (c) The department shall disclose any information relating to a patient maintained in the
5 prescription drug monitoring database to that patient, at no cost to the patient, within thirty (30)
6 business days after the department receives a written request from the patient for the information.
7 This information shall include the records maintained by the department pursuant to subsection
8 (e). Notwithstanding the above, the department may, at the request of the law enforcement
9 agency, withhold for up to sixty (60) days following the conclusion of a law enforcement
10 investigation, the disclosure to the patient that information has been obtained pursuant to
11 subdivision (a)(3).

12 (d) A patient may request from the dispensing pharmacy correction of any inaccurate
13 information contained within the prescription drug monitoring database in accordance with the
14 procedure specified by subsection 5-37.3-5(c).

15 (e) The department shall, for the period of time that prescription information is
16 maintained, maintain records of the information disclosed through the prescription drug
17 monitoring database, including, but not limited to:

18 (1) The identity of each person who requests or receives information from the
19 prescription drug monitoring database and the organization, if any, the person represents;

20 (2) The information released to each person or organization and the basis for its release
21 under subsection (a); and

22 (3) The dates the information was requested and provided.

23 (f) Prescription information contained within the prescription drug monitoring database
24 shall be removed no later than five (5) years from the date the information is entered into the
25 database. Records in existence prior to the enactment of this section shall be removed no later
26 than ten (10) years from the date the information is entered into the database.

27 (g) The department shall promptly notify any affected individual of an improper
28 disclosure of information from the prescription drug monitoring database or a breach in the
29 security of the prescription drug monitoring database that poses a significant risk of disclosure of
30 patient information to an unauthorized individual.

31 (h) At the time of signing a prescription which is required by the department to be
32 entered into the prescription drug monitoring database, the prescribing practitioner shall inform
33 the patient in writing of the existence of the prescription drug monitoring database, the patient's
34 right to access their own prescription information, and the name and contact information of the

1 agency operating the program.

2 (i) No person shall access information in the prescription monitoring database except to
3 the extent and for the purposes authorized by subsection (a).

4 (j) In any civil action allowing a violation of this chapter, the court may award damages,
5 including punitive damages, and reasonable attorneys' fees and costs to a prevailing plaintiff, and
6 injunctive and any other appropriate relief.

7 (k) Any pharmacist who, in his or her professional judgment, refuses to fill a prescription
8 based on information contained within the prescription drug monitoring database shall inform the
9 prescribing physician within twenty-four (24) hours.

10 (l) All practitioners shall, as a condition of the initial registration or renewal of the
11 practitioner's authority to prescribed controlled substances, register with the prescription drug
12 monitoring database maintained by the department of health.

13 SECTION 2. This act shall take effect upon passage.

EXPLANATION
BY THE LEGISLATIVE COUNCIL
OF
A N A C T

1 This act would permit an authorized designee of a practitioner and/or pharmacist to
2 consult the prescription drug monitoring database maintained by the department of health on a
3 practitioner's and/or pharmacist's behalf, if the designee is employed by the same professional
4 practice or pharmacy, steps are taken to ensure that the designee is competent in the use of the
5 database, and, the practitioner or pharmacist remains responsible for the designee's access to the
6 database. It would also require practitioners to register with the prescription drug monitoring
7 database, upon initial registration or renewal of the practitioner's authority to prescribe controlled
8 substances.

9 This act would take effect upon passage.
