STATE OF RHODE ISLAND

IN GENERAL ASSEMBLY

JANUARY SESSION, A.D. 2014

AN ACT

RELATING TO INSURANCE - INSURANCE COVERAGE FOR MENTAL ILLNESS AND SUBSTANCE ABUSE

Introduced By: Representatives Bennett, Hull, Guthrie, Canario, and Morin

Date Introduced: March 13, 2014

Referred To: House Corporations

It is enacted by the General Assembly as follows:

SECTION 1. Section 27-38.2-1 of the General Laws in Chapter 27-38.2 entitled 1 2 "Insurance Coverage for Mental Illness and Substance Abuse" is hereby amended to read as 3 follows: 4 27-38.2-1. Mental illness coverage. -- Mental illness and substance abuse coverage. --5 (a) Every health care insurer that delivers or issues for delivery or renews in this state a contract, 6 plan, or policy except contracts providing supplemental coverage to Medicare or other 7 governmental programs, shall provide coverage for the medical treatment of mental illness and 8 substance abuse under the same terms and conditions as that coverage is provided for other 9 illnesses and diseases. Insurance coverage offered pursuant to this statute must include the same 10 durational limits, amount limits, deductibles, and co-insurance factors for mental illness as for 11 other illnesses and diseases. 12 (b) In addition to the requirements of subsection (a), every healthcare insurer that delivers 13 or issues for delivery or renews in this state a contract, plan, or policy, except contracts providing 14 supplemental coverage to Medicare or other governmental programs, shall also provide 15 prescription drug coverage for:

(2) Drugs used for the treatment of substance abuse disorders, including, but not limited

forms of naloxone for use of intervention in opioid overdoses; and

(1) Anti-opioid and anti-opiate drugs, including, but not limited to, narcan and other

1	to, methadone, suboxone, naltrexone, and buprenorphine;
2	(3) Provided, the prescription drug coverage pursuant to subsection (b) of this section
3	shall be under the same terms and conditions as that coverage is provided for other illnesses and
4	diseases. Insurance coverage offered pursuant to subsection (b) of this section must include the
5	same durational limits, amount limits, deductibles, and co-insurance factors for mental illness as
6	for other illnesses and diseases.
7	SECTION 2. Section 23-17.26-3 of the General Laws in Chapter 23-17.26 entitled
8	"Comprehensive Discharge Planning" is hereby amended to read as follows:
9	23-17.26-3. Comprehensive discharge planning (a) On or before July 1, 2015, each
10	hospital operating in the State of Rhode Island shall submit to the director:
11	(1) Evidence of participation in a high-quality comprehensive discharge planning and
12	transitions improvement project operated by a nonprofit organization in this state; or
13	(2) A plan for the provision of comprehensive discharge planning and information to be
14	shared with patients transitioning from the hospitals care. Such plan shall contain the adoption of
15	evidence-based practices including, but not limited to:
16	(i) Providing in-hospital education prior to discharge;
17	(ii) Ensuring patient involvement such that, at discharge, patients, and caregivers
18	understand the patient's conditions and medications and have a point of contact for follow-up
19	questions;
20	(iii) Attempting to identify patients' primary care providers and assisting with scheduling
21	post-hospital follow-up appointments prior to patient discharge;
22	(iv) Expanding the transmission of the department of health's continuity of care form, or
23	successor program, to include primary care providers' receipt of information at patient discharge
24	when the primary care provider is identified by the patient; and
25	(v) Coordinating and improving communication with outpatient providers.
26	(3) Such discharge plan and transition process shall also be made for patients with opioid
27	and other substance abuse addictions, which plan and transition process shall include all the
28	elements contained in subsections (a)(1) or (a)(2) of this section as applicable. In addition, such
29	discharge and transition process shall also include: (i) A requirement that there be a follow-up
30	contact made with the patient within thirty (30) days post-discharge from hospital care to assess
31	the patient's progress; and (ii) A requirement that at least one follow-up appointment be
32	scheduled for the patient, either at the hospital or at another appropriate facility. Said appointment
33	shall be scheduled and the patient shall be informed of the appointment prior to the patient being
84	discharged from the hospital

(4) Such discharge plan and transition process shall also include any recommendation	ns of
the healthcare planning advisory council that are implemented by the state agencies within	1 the
executive office of health and human services, pursuant to the provisions of chapter 81 of title	<u> 23.</u>

SECTION 3. Section 42-14.5-3 of the General Laws in Chapter 42-14.5 entitled "The Rhode Island Health Care Reform Act of 2004 - Health Insurance Oversight" is hereby amended to read as follows:

<u>42-14.5-3. Powers and duties [Contingent effective date; see effective dates under this section.] --</u> The health insurance commissioner shall have the following powers and duties:

- (a) To conduct quarterly public meetings throughout the state, separate and distinct from rate hearings pursuant to section 42-62-13, regarding the rates, services and operations of insurers licensed to provide health insurance in the state the effects of such rates, services and operations on consumers, medical care providers, patients, and the market environment in which such insurers operate and efforts to bring new health insurers into the Rhode Island market. Notice of not less than ten (10) days of said hearing(s) shall go to the general assembly, the governor, the Rhode Island Medical Society, the Hospital Association of Rhode Island, the director of health, the attorney general and the chambers of commerce. Public notice shall be posted on the department's web site and given in the newspaper of general circulation, and to any entity in writing requesting notice.
- (b) To make recommendations to the governor and the house of representatives and senate finance committees regarding health care insurance and the regulations, rates, services, administrative expenses, reserve requirements, and operations of insurers providing health insurance in the state, and to prepare or comment on, upon the request of the governor, or chairpersons of the house or senate finance committees, draft legislation to improve the regulation of health insurance. In making such recommendations, the commissioner shall recognize that it is the intent of the legislature that the maximum disclosure be provided regarding the reasonableness of individual administrative expenditures as well as total administrative costs. The commissioner shall make recommendations on the levels of reserves including consideration of: targeted reserve levels; trends in the increase or decrease of reserve levels; and insurer plans for distributing excess reserves.
- (c) To establish a consumer/business/labor/medical advisory council to obtain information and present concerns of consumers, business and medical providers affected by health insurance decisions. The council shall develop proposals to allow the market for small business health insurance to be affordable and fairer. The council shall be involved in the planning and conduct of the quarterly public meetings in accordance with subsection (a) above.

The advisory council shall develop measures to inform small businesses of an insurance complaint process to ensure that small businesses that experience rate increases in a given year may request and receive a formal review by the department. The advisory council shall assess views of the health provider community relative to insurance rates of reimbursement, billing and reimbursement procedures, and the insurers' role in promoting efficient and high quality health care. The advisory council shall issue an annual report of findings and recommendations to the governor and the general assembly and present their findings at hearings before the house and senate finance committees. The advisory council is to be diverse in interests and shall include representatives of community consumer organizations; small businesses, other than those involved in the sale of insurance products; and hospital, medical, and other health provider organizations. Such representatives shall be nominated by their respective organizations. The advisory council shall be co-chaired by the health insurance commissioner and a community consumer organization or small business member to be elected by the full advisory council.

- (d) To establish and provide guidance and assistance to a subcommittee ("The Professional Provider-Health Plan Work Group") of the advisory council created pursuant to subsection (c) above, composed of health care providers and Rhode Island licensed health plans. This subcommittee shall include in its annual report and presentation before the house and senate finance committees the following information:
- (1) A method whereby health plans shall disclose to contracted providers the fee schedules used to provide payment to those providers for services rendered to covered patients;
- (2) A standardized provider application and credentials verification process, for the purpose of verifying professional qualifications of participating health care providers;
 - (3) The uniform health plan claim form utilized by participating providers;
- (4) Methods for health maintenance organizations as defined by section 27-41-1, and nonprofit hospital or medical service corporations as defined by chapters 27-19 and 27-20, to make facility-specific data and other medical service-specific data available in reasonably consistent formats to patients regarding quality and costs. This information would help consumers make informed choices regarding the facilities and/or clinicians or physician practices at which to seek care. Among the items considered would be the unique health services and other public goods provided by facilities and/or clinicians or physician practices in establishing the most appropriate cost comparisons;
- (5) All activities related to contractual disclosure to participating providers of the mechanisms for resolving health plan/provider disputes;
 - (6) The uniform process being utilized for confirming in real time patient insurance

1	enrollment status, benefits coverage, including co-pays and deductibles;
2	(7) Information related to temporary credentialing of providers seeking to participate in
3	the plan's network and the impact of said activity on health plan accreditation;
4	(8) The feasibility of regular contract renegotiations between plans and the providers in
5	their networks; and
6	(9) Efforts conducted related to reviewing impact of silent PPOs on physician practices.
7	(e) To enforce the provisions of Title 27 and Title 42 as set forth in section 42-14-5(d).
8	(f) To provide analysis of the Rhode Island Affordable Health Plan Reinsurance Fund.
9	The fund shall be used to effectuate the provisions of sections 27-18.5-8 and 27-50-17.
10	(g) To analyze the impact of changing the rating guidelines and/or merging the
11	individual health insurance market as defined in chapter 27-18.5 and the small employer health
12	insurance market as defined in chapter 27-50 in accordance with the following:
13	(1) The analysis shall forecast the likely rate increases required to effect the changes
14	recommended pursuant to the preceding subsection (g) in the direct pay market and small
15	employer health insurance market over the next five (5) years, based on the current rating
16	structure, and current products.
17	(2) The analysis shall include examining the impact of merging the individual and small
10	employer markets on premiums charged to individuals and small employer groups.

business community, small employer carriers as defined in section 27-50-3, carriers offering coverage in the individual market in Rhode Island, health insurance brokers and members of the general public.

- (7) For the purposes of conducting this analysis, the commissioner may contract with an outside organization with expertise in fiscal analysis of the private insurance market. In conducting its study, the organization shall, to the extent possible, obtain and use actual health plan data. Said data shall be subject to state and federal laws and regulations governing confidentiality of health care and proprietary information.
- (8) The task force shall meet as necessary and include their findings in the annual report and the commissioner shall include the information in the annual presentation before the house and senate finance committees.
- (h) To establish and convene a workgroup representing health care providers and health insurers for the purpose of coordinating the development of processes, guidelines, and standards to streamline health care administration that are to be adopted by payors and providers of health care services operating in the state. This workgroup shall include representatives with expertise that would contribute to the streamlining of health care administration and that are selected from hospitals, physician practices, community behavioral health organizations, each health insurer and other affected entities. The workgroup shall also include at least one designee each from the Rhode Island Medical Society, Rhode Island Council of Community Mental Health Organizations, the Rhode Island Health Center Association, and the Hospital Association of Rhode Island. The workgroup shall consider and make recommendations for:
- (1) Establishing a consistent standard for electronic eligibility and coverage verification.
 Such standard shall:
 - (i) Include standards for eligibility inquiry and response and, wherever possible, be consistent with the standards adopted by nationally recognized organizations, such as the centers for Medicare and Medicaid services;
 - (ii) Enable providers and payors to exchange eligibility requests and responses on a system-to-system basis or using a payor supported web browser;
 - (iii) Provide reasonably detailed information on a consumer's eligibility for health care coverage, scope of benefits, limitations and exclusions provided under that coverage, cost-sharing requirements for specific services at the specific time of the inquiry, current deductible amounts, accumulated or limited benefits, out-of-pocket maximums, any maximum policy amounts, and other information required for the provider to collect the patient's portion of the bill;
- 34 (iv) Reflect the necessary limitations imposed on payors by the originator of the

eligibility and benefits information;

- 2 (v) Recommend a standard or common process to protect all providers from the costs of 3 services to patients who are ineligible for insurance coverage in circumstances where a payor 4 provides eligibility verification based on best information available to the payor at the date of the 5 request of eligibility.
- 6 (2) Developing implementation guidelines and promoting adoption of such guidelines 7 for:
- 8 (i) The use of the national correct coding initiative code edit policy by payors and 9 providers in the state;
 - (ii) Publishing any variations from codes and mutually exclusive codes by payors in a manner that makes for simple retrieval and implementation by providers;
 - (iii) Use of health insurance portability and accountability act standard group codes, reason codes, and remark codes by payors in electronic remittances sent to providers;
 - (iv) The processing of corrections to claims by providers and payors.
 - (v) A standard payor denial review process for providers when they request a reconsideration of a denial of a claim that results from differences in clinical edits where no single, common standards body or process exists and multiple conflicting sources are in use by payors and providers.
 - (vi) Nothing in this section or in the guidelines developed shall inhibit an individual payor's ability to employ, and not disclose to providers, temporary code edits for the purpose of detecting and deterring fraudulent billing activities. The guidelines shall require that each payor disclose to the provider its adjudication decision on a claim that was denied or adjusted based on the application of such edits and that the provider have access to the payor's review and appeal process to challenge the payor's adjudication decision.
 - (vii) Nothing in this subsection shall be construed to modify the rights or obligations of payors or providers with respect to procedures relating to the investigation, reporting, appeal, or prosecution under applicable law of potentially fraudulent billing activities.
 - (3) Developing and promoting widespread adoption by payors and providers of guidelines to:
 - (i) Ensure payors do not automatically deny claims for services when extenuating circumstances make it impossible for the provider to obtain a preauthorization before services are performed or notify a payor within an appropriate standardized timeline of a patient's admission;
 - (ii) Require payors to use common and consistent processes and time frames when responding to provider requests for medical management approvals. Whenever possible, such

- 1 time frames shall be consistent with those established by leading national organizations and be 2 based upon the acuity of the patient's need for care or treatment. For the purposes of this section, 3 medical management includes prior authorization of services, preauthorization of services, 4 precertification of services, post service review, medical necessity review, and benefits advisory; 5 (iii) Develop, maintain, and promote widespread adoption of a single common website where providers can obtain payors' preauthorization, benefits advisory, and preadmission 6 7 requirements; 8 (iv) Establish guidelines for payors to develop and maintain a website that providers can 9 use to request a preauthorization, including a prospective clinical necessity review; receive an 10 authorization number; and transmit an admission notification. 11 (i) To issue an ANTI-CANCER MEDICATION REPORT. - Not later than June 30, 12 2014 and annually thereafter, the office of the health insurance commissioner (OHIC) shall 13 provide the senate committee on health and human services, and the house committee on 14 corporations, with: (1) Information on the availability in the commercial market of coverage for 15 anti-cancer medication options; (2) For the state employee's health benefit plan, the costs of 16 various cancer treatment options; (3) The changes in drug prices over the prior thirty-six (36) 17 months; and (4) Member utilization and cost-sharing expense. 18 (j) To monitor the adequacy of each health plan's compliance with the provisions of the 19 federal mental health parity act, including a review of related claims processing and 20 reimbursement procedures. Findings, recommendations and assessments shall be made available 21 to the public. 22 (k) To monitor the transition from fee for service and toward global and other alternative 23 payment methodologies for the payment for healthcare services. Alternative payment 24 methodologies should be assessed for their likelihood to promote access to affordable health 25 insurance, health outcomes and performance. (l) To report annually, no later than July 1, 2014, then biannually thereafter, on hospital 26 27 payment variation, including findings and recommendations, subject to available resources. 28 (m) Notwithstanding any provision of the general or public laws or regulation to the 29 contrary, provide a report with findings and recommendations to the president of the senate and 30 the speaker of the house, on or before April 1, 2014, including, but not limited to, the following 31 information:
 - subsection 27-18-3(c), 27-38.2-1 et seq., or others as determined by the commissioner, on the cost

48.1, 27-18-60, 27-18-62, 27-18-64, similar provisions in title 27, chapters 19, 20 and 41, and

(1) The impact of the current mandated healthcare benefits as defined in sections 27-18-

1	of health insurance for fully insured employers, subject to available resources;
2	(2) Current provider and insurer mandates that are unnecessary and/or duplicative due to
3	the existing standards of care and/or delivery of services in the healthcare system;
4	(3) A state-by-state comparison of health insurance mandates and the extent to which
5	Rhode Island mandates exceed other states benefits; and
6	(4) Recommendations for amendments to existing mandated benefits based on the
7	findings in (1), (2) and (3) above.
8	(n) On or before July 1, 2014, the office of the health insurance commissioner in
9	collaboration with the director of health and lieutenant governor's office shall submit a report to
10	the general assembly and the governor to inform the design of accountable care organizations
11	(ACOs) in Rhode Island as unique structures for comprehensive healthcare delivery and value
12	based payment arrangements, that shall include, but not limited to:
13	(1) Utilization review;
14	(2) Contracting; and
15	(3) Licensing and regulation.
16	(o) On or before December 31, 2015, and annually thereafter, the health insurance
17	commissioner shall also assess the adequacy of each health plan's compliance with the provisions
18	of § 27-38.2-1 regarding mental illness and substance abuse prescription drug coverage.
19	(p) On or before December 31, 2015, and annually thereafter, the health insurance
20	commissioner shall also assess the adequacy of those discharge plans and transition processes
21	developed by hospitals for patients with opioid and other substance abuse addictions pursuant to
22	the provisions of § 23-17.26-3.

EXPLANATION

BY THE LEGISLATIVE COUNCIL

OF

AN ACT

RELATING TO INSURANCE - INSURANCE COVERAGE FOR MENTAL ILLNESS AND SUBSTANCE ABUSE

This act would require mandatory health insurance coverage for certain listed drugs 2 which treat opioid substance abuse and addictions. This act would also require hospitals to amend 3 their discharge plans and discharge processes to address patients with opioid and other substance abuse addictions. The act would require at least one follow-up contact by the hospital with the 5 patient after discharge, and the scheduling of at least one follow-up appointment with an appropriate facility for the patient. The health insurance commissioner would annually review the 6 7 adequacy of both the health insurers' insurance coverage and the discharge plans and transition 8 processes developed by the hospitals.

This act would take effect upon passage.
