6 made on the employer or insurer.

7 **28-33-17. Weekly compensation for total incapacity -- Permanent total disability --**

8 **Dependents' allowances.** -- (a) (1) While the incapacity for work resulting from the injury is
9 total, the employer shall pay the injured employee a weekly compensation equal to seventy-five
10 percent (75%) of his or her average weekly spendable base wages, earnings, or salary, as
11 computed pursuant to the provisions of § 28-33-20. The amount may not exceed more than sixty
12 percent (60%) of the state average weekly wage of individuals in covered employment under the
13 provisions of the Rhode Island Employment Security Act as computed and established by the
14 Rhode Island department of labor and training, annually, on or before May 31 of each year, under
15 the provisions of § 28-44-6(a). Effective September 1, 1974, the maximum rate for weekly
16 compensation for total disability shall not exceed sixty-six and two-thirds percent (66 $\frac{2}{3}$ %) of the
17 state average weekly wage as computed and established under the provisions of § 28-44-6(a).
18 Effective September 1, 1975, the maximum rate for weekly compensation for total disability shall
19 not exceed one hundred percent (100%) of the state average weekly wage as computed and
20 established under the provisions of § 28-44-6(a). Effective September 1, 2007, the maximum rate
21 for weekly compensation for total disability shall not exceed one hundred fifteen percent (115%)
22 of the state average weekly wage as computed and established under the provisions of § 28-44-
23 6(a). Effective October 1, 2016, the maximum rate for weekly compensation for total disability
24 shall not exceed one hundred twenty percent (120%) of the state average weekly wage as

30 (2) The average weekly wage computed and established under § 28-44-6(a) is applicable
31 to injured employees whose injury occurred on or after September 1, 2000, and shall be

2 income tax laws, and under the Federal Insurance Contributions Act (FICA), 26 U.S.C. 3101 et
3 seq., relating to social security and Medicare taxes. In all cases, it is to be assumed that the
4 amount withheld would be determined on the basis of expected liability of the employee for tax
5 for the taxable year in which the payments are made without regard to any itemized deductions
6 but taking into account the maximum number of personal exemptions allowable.

7 (ii) Each year, the director shall publish tables of the average weekly wage and seventy-
8 five percent (75%) of spendable earnings that are to be in effect on May 10. These tables shall be
9 conclusive for the purposes of converting an average weekly wage into seventy-five percent
10 (75%) of spendable earnings. In calculating spendable earnings the director shall have discretion
11 to exempt funds assigned to third parties by order of the family court pursuant to § 8-10-3 and
12 funds designated for payment of liens pursuant to § 28-33-27 upon submission of supporting

22 arms; and

24 (2) In all other cases, total disability shall be determined only if, as a result of the injury,
25 the employee is physically unable to earn any wages in any employment; provided, that in cases
26 where manifest injustice would otherwise result, total disability shall be determined when an
27 employee proves, taking into account the employee's age, education, background, abilities, and
28 training, that he or she is unable on account of his or her compensable injury to perform his or her
29 regular job and is unable to perform any alternative employment. The court may deny total
30 disability under this subsection without requiring the employer to identify particular alternative
31 employment.

32 (c) (1) Where the employee has persons conclusively presumed to be dependent upon
33 him or her or in fact so dependent, the sum of fifteen dollars (\$15.00) shall be added to the
34 weekly compensation payable for total incapacity for each person wholly dependent on the

1 employee, except that the sum of forty dollars (\$40.00) shall be added for those receiving benefits
2 under § 28-33-12, but in no case shall the aggregate of those amounts exceed eighty percent
3 (80%) of the average weekly wage of the employee, except that there shall be no limit for those
4 receiving benefits under § 28-33-12.

5 (2) The dependency allowance shall be in addition to the compensation benefits for total

10 to be wholly dependent for support upon an employee:

11 (i) A wife upon a husband with whom she is living at the time of his injury, but only
12 while she is not working for wages during her spouse's total disability.

13 (ii) A husband upon a wife with whom he is living at the time of her injury, but only
14 while he is not working for wages during his spouse's total disability.

15 (iii) Children under the age of eighteen (18) years, or over that age but physically or
16 mentally incapacitated from earning, if living with the employee, or, if the employee is bound or
17 ordered by law, decree, or order of court, or by any other lawful requirement, to support the
18 children, although living apart from them. Provided, that the payment of dependency benefits to a
19 dependent child over the age of eighteen (18) years shall continue as long as that child is
20 satisfactorily enrolled as a full-time student in an educational institution or an educational facility
21 duly accredited or approved by the appropriate state educational authorities at the time of
22 enrollment. Those payments shall not be continued beyond the age of twenty-three (23) years.
23 "Children," within the meaning of this paragraph, also includes any children of the injured
24 employee conceived but not born at the time of the employee's injury, and the compensation
25 provided for in this section shall be payable on account of any such children from the date of their
26 birth.

28 employee except as provided in paragraphs (c)(3)(i) and (ii) of this section. In all other cases
29 questions of dependency shall be determined in accordance with the facts as the facts may be at
30 the time of the injury.

31 (e) The court or any of its judges may in its or his or her discretion order the insurer or
32 self-insurer to make payment of the nine dollars (\$9.00) or fifteen dollars (\$15.00) for those
33 receiving benefits under § 28-33-12 directly to the dependent.

34 (f) (1) Where any employee's incapacity is total and has extended beyond fifty-two (52)

1 weeks, regardless of the date of injury, payments made to all totally incapacitated employees shall
2 be increased as of May 10, 1991, and annually on the tenth of May after that as long as the
3 employee remains totally incapacitated. The increase shall be by an amount equal to the total
4 percentage increase in annual consumer price index, United States city average for urban wage
5 earners and clerical workers, as formulated and computed by the bureau of labor statistics of the

23 shall be effective upon entry. Any payments ordered by it including, but not limited to, weekly
24 benefits, medical expenses, costs, and attorneys' fees, shall be paid within fourteen (14) days of
25 the entry of the order.

26 (d) Any party aggrieved by the entry of the order by the judge may claim a trial on any
27 issue that was not resolved by agreement at the pretrial conference by filing with the
28 ~~administrator of the~~ workers' compensation court within five (5) days of the date of the entry of
29 the order, exclusive of Saturdays, Sundays and holidays, a claim for a trial on forms prescribed by
30 the ~~administrator of the~~ workers' compensation court. If no timely claim for a trial is filed or is
31 filed and withdrawn, the pretrial order shall become, by operation of law and without further
32 action by any party, a final decree of the workers' compensation court.

33 (e) All trials shall be assigned for hearing and decision to the same judge who presided
34 over the pretrial of the matter. Notice of the trial shall be sent by the [workers' compensation court](#)

1 ~~administrator~~ to the parties and to their attorneys of record. All trials shall be de novo, except that
2 issues resolved by agreement at the pretrial conference may not be reopened. Any other case or
3 dispute under chapters 29 - 38 of this title that arises during the pendency of this trial, shall be
4 forwarded immediately to the same judge for pretrial in accordance with this section and for any
5 subsequent trial.

6 (f) If after trial and the entry of a final decree, it is determined that the employee or
7 medical services provider was not entitled to the relief sought in the petition, the employer or
8 insurer shall be reimbursed from the workers' compensation administrative fund, described in
9 chapter 37 of this title, to the extent of any payments made pursuant to the pretrial order to which
10 there is no entitlement.

11 **28-35-24. Examination by or opinion of impartial physician.** -- (a) Whenever the
12 testimony presented at any hearing indicates a dispute, or creates doubt, as to the extent, nature,
13 or cause of disability or death, the workers' compensation court may direct that the injured
14 employee be examined, or may obtain an opinion without examination of an impartial, competent
15 physician designated by the workers' compensation court who is not under contract with or
16 regularly employed or regularly retained by a compensation insurer or self-insured employer.

17 (b) The expense of the examination shall be paid by the employer. The report of the
18 examination shall be transmitted ~~in writing~~ to the workers' compensation court and a copy of it
19 shall be furnished by the workers' compensation court to each party who shall have an
20 opportunity to rebut it on further hearing.

21 **28-35-27. Decision of controversies -- Decree.** -- (a) In any controversy over which the
22 workers' compensation court has jurisdiction pursuant to this chapter and Rhode Island general
23 law § 45-21.2-9, any judge of that court shall, pursuant to §§ 28-35-11 - 28-35-28, and the
24 procedural rules or practice of the court, hear all questions of law and fact involved in the
25 controversy and presented by any party in interest, and he or she shall within ten (10) days after
26 the hearing, unless the parties otherwise agree, decide the merits of the controversy pursuant to
27 the law and the fair preponderance of the evidence and ~~notify the administrator of~~ the court ~~of the~~
28 ~~decision, who~~ shall immediately notify the parties.

29 (b) Within seventy-two (72) hours of notice, exclusive of Saturdays, Sundays, and
30 holidays, the judge shall enter a decree upon the decision, which shall contain findings of fact, but
31 within that time any party may appear and present a form of decree for consideration.

32 **28-35-28. Appeal to appellate division.** -- (a) Any person aggrieved by the entry of a
33 decree by a judge may appeal to the appellate division established pursuant to this section by
34 filing with the ~~administrator of the~~ court within five (5) days of the date of the entry of a decree,

1 exclusive of Saturdays, Sundays, and holidays, a claim of appeal and, subject to the rules of the
2 court, by filing a request for a transcript of the testimony and ruling or any part thereof desired.
3 Within any time that a judge shall fix, either by an original fixing or otherwise, the appellant shall
4 file with the ~~administrator of the~~ court reasons of appeal stating specifically all matters
5 determined adversely to him or her which he or she desires to appeal, together with so much of
6 the transcript of testimony and rulings as he or she deems pertinent, and within ten (10) days after
7 that the parties may file with the ~~administrator of the~~ court those briefs and memoranda that they
8 may desire concerning the appeal. The chief judge shall appoint appellate panels of three (3)
9 members of the court to hear any claim of appeal and the decision of the appellate panel shall be
10 binding on the court. The three (3) members of the appellate panel shall immediately review the
11 decree upon the record of the case and shall file a decision pursuant to the law and the fair
12 preponderance of the evidence within ten (10) days of the expiration of the time within which the
13 parties may file briefs and memoranda. Upon consideration of the appeal, the appellate panel
14 shall affirm, reverse, or modify the decree appealed from, and may itself take any further
15 proceedings that are just, or may remand the matter to the trial judge for further consideration of
16 any factual issue that the appellate division may raise, including the taking of additional evidence
17 or testimony by the trial judge. It shall be within the prerogative of the appellate panel to remand
18 a matter to the trial judge. If the decision requires the entry of a new decree, notice shall be given
19 the parties, and the new decree shall be entered in the same manner as the original decree, but if
20 the decision of two (2) appellate panel judges does not require the entry of a new decree, the
21 decree shall be affirmed. Any member of the appellate panel may, for cause, disqualify himself or
22 herself from hearing any appeal that may come before the appellate panel.

23 (b) The findings of the trial judge on factual matters shall be final unless an appellate
24 panel finds them to be clearly erroneous. The court may award costs, including reasonable
25 attorney fees, to the prevailing party when the appellate panel finds there was complete absence
26 of a justiciable issue of either law or fact.

27 **28-35-28.1. Reports of hearings -- Transcripts.** -- (a) Hearings reporters, or electronic
28 court reporters, shall report stenographically, or electronically, the proceedings in the trial of
29 every action or proceeding in the workers' compensation court. Electronic court reporting shall be
30 used only when hearings reporters are unavailable for any reason.

31 (b) Each hearings reporter, or electronic court reporter, shall also, upon the order of any
32 judge in the court, transcribe his or her report to be filed with the ~~court judge in the case~~. He or
33 she shall also make a transcript of the whole or any part of that report upon request, filed with the
34 ~~court administrator~~, by either party to the action or proceeding, and when completed and within

1 the time limited by the court for filing the transcript, shall immediately deliver it to the party
2 ordering it, or to the attorney of record of that party. For this service, the reporter shall be paid a
3 reasonable compensation, not less than five dollars (\$5.00), and not exceeding three dollars
4 (\$3.00) per page for originals and one dollar and fifty cents (\$1.50) per page for copies of it, to be
5 allowed by the court. If the transcript is used in subsequent proceedings in the cause, the cost of it
6 may be allowed as a part of the costs.

7 **28-35-31. Transcript on appeal.** -- (a) Upon the filing of reasons of appeal and
8 transcript, the ~~administrator of the~~ workers' compensation court shall present the transcript to the
9 judge who heard the cause, and in case of vacancy in office, or for any cause, ~~the administrator~~ is
10 unable to present the transcript to the judge who heard the cause, then the transcript shall be
11 presented to any other judge, and that other judge shall have full power to examine and pass upon
12 and allow the transcript. The judge to whom the transcript has been presented ~~by the~~
13 ~~administrator~~ shall, after examination, restore the transcript to the files ~~of the administrator~~ with a
14 certificate of his or her action.

15 (b) Upon an appeal being taken and the transcript of the testimony as may be required
16 being allowed and returned, the ~~administrator of the~~ workers' compensation court shall
17 immediately certify the cause and all the papers of it to the supreme court.

18 (c) In case of failure to allow and return the transcript within twenty (20) days from its
19 filing a hearing may be had on the question of the correctness of the transcript before the workers'
20 compensation court.

21 **28-35-37. Delay of process for execution of decree.** -- No process for the execution of
22 any decree of the workers' compensation court from which an appeal may be taken shall issue
23 until the expiration of the appeal period, unless all parties against whom the decree is made, [file](#)
24 [with the court a waiver of](#) ~~waive an~~ appeal ~~with the administrator~~ or by causing an entry thereof
25 to be made on the docket.

26 **28-35-45. Review and modification of decrees.** -- (a) At any time after the date of the
27 approval of any agreement or at any time after the date of the entry of any decree concerning
28 compensation, and if compensation has ceased under the agreement or decree, within ten (10)
29 years after that, any agreement, award, order, finding, or decree may be from time to time
30 reviewed by the workers' compensation court, upon its own motion or upon a petition of either
31 party upon forms prescribed ~~and furnished~~ by the court, after due notice to the interested parties:

32 (1) Upon the ground that the:

33 (i) Incapacity of the injured employee has diminished, ended, increased, or returned;

34 (ii) Employee has recovered from the effects of his or her work-related injury and is

1 disabled only as a result of a preexisting condition;

7 (2) Regarding any other obligation established under chapters 29 - 38 of this title.

8 (b) Upon this review the workers' compensation court may decrease, suspend, increase,
9 commence, or recommence compensation payments in accordance with the facts, or make any
10 other order that the justice of the case may require. No review shall affect the agreement, award,
11 order, finding, or decree as regards money already paid, except that an award increasing the
12 compensation rate may be made effective from the date of the injury, and except that if any part
13 of the compensation due or to become due is unpaid, an award decreasing the compensation rate
14 may be made effective from the date of injury, and any payments made prior thereto in excess of
15 the decreased rate shall be deducted from any unpaid compensation, in the manner and by the
16 methods that may be determined by the workers' compensation court.

17 (c) Relief on review shall not be denied an employee or granted an employer or his or
18 her insurer on the grounds that the employee is incapacitated by an injury or disease which is
19 different from the one for which the employee was paid compensation if the injury or disease
20 incapacitating the employee results from an injury or disease for which the employee was paid
21 compensation.

22 **28-35-46. Notice of intent to discontinue, suspend, or reduce payments -- Filing --**

23 **Form.** -- Before an employer may discontinue, suspend, or reduce compensation payments
24 whether they are being received under an agreement, memorandum of agreement, award, order,

1 including overtime, the notice of intention to discontinue, suspend, or reduce the payments
2 provided for in this section may be given five (5) days prior to the proposed date of
3 discontinuance. Notices shall be in substantially the following form:

23 required or permitted to be done by those chapters, falls on Saturday, Sunday, or a legal holiday,
24 the act or filing may be done on the next succeeding business day.

25 **28-35-61. Decrees procured by fraud.** -- (a) The workers' compensation court may,
26 upon petition of an employee, the dependents of a deceased employee, an employer, an insurance
27 carrier, or any other party in interest, vacate, modify, or amend any final decree entered within a
28 period of six (6) months of the date such decree was entered ~~prior to the filing of the petition~~,
29 either by a single judge or by the full court, if it appears that the decree:

30 (1) Has been procured by fraud; or

31 (2) Does not accurately and completely set forth and describe the nature and location of
32 all injuries sustained by the employee.

33 (b) The petition shall be served in the same manner as is provided for in chapters 29 - 38
34 of this title for all other petitions.

1 (c) The workers' compensation court shall hear any and all petitions and make its
2 decision in accordance with those chapters.

7 SECTION 8. Section 28-36-15 of the General Laws in Chapter 28-36 entitled "Workers'
8 Compensation - Insurance" is hereby amended to read as follows:

9 **28-36-15. Penalty for failure to secure compensation -- Personal liability of**
10 **corporate officers.** -- (a) Any employer required to secure the payment of compensation under
11 chapters 29 - 38 of this title who knowingly fails to secure that compensation shall be guilty of a
12 felony and shall be subject to imprisonment for up to two (2) years. In addition to the foregoing,
13 the employer shall be subject to a civil penalty punished by a fine not to exceed one thousand
14 dollars (\$1,000) for each day of noncompliance with the requirements of this title. The director
15 shall institute any and all reasonable measures to comprehensively monitor, investigate, and
16 otherwise discover all employer noncompliance with this section and shall establish rules and
17 regulations governing these measures. Each day shall constitute a separate and distinct offense for
18 calculation of the penalty. Where that employer is a corporation the president, vice president,
19 secretary, treasurer, and other officers of the corporation, shall be severally liable for the fine,
20 penalty or imprisonment as provided in this section for the failure of that corporation to secure the
21 payment of compensation. The president, vice president, secretary, treasurer, and other officers of
22 the corporation shall also be severally personally liable, jointly with the corporation for any
23 compensation or other benefit which may accrue under those chapters in respect to any injury
24 which may occur to any employee of that corporation while it fails to secure the payment of
25 compensation as required by those chapters.

26 (b) Where the employer is a limited liability company, the managers and managing
27 members who knowingly fail to secure the payment of compensation under chapters 29 - 38 of
28 this title shall be guilty of a felony and shall be subject to imprisonment for up to two (2) years.
29 The managers and managing members shall also be severally liable for the fine, penalty or
30 imprisonment as provided in this section for the failure of that company to secure the payment of
31 compensation. The managers and managing members shall be severally personally liable, jointly
32 with the company, for any compensation or other benefit which may accrue under those chapters
33 in respect to any injury which may occur to any employee of that company while it fails to secure
34 the payment of compensation as required by those chapters.

1 (c) Where the employer is a partnership, or a registered limited liability partnership, the
2 partners who knowingly fail to secure the payment of compensation under chapters 29 - 38 of this
3 title shall be guilty of a felony and shall be subject to imprisonment for up to two (2) years. The
4 partners shall also be severally liable for the fine, penalty, or imprisonment as provided in this
5 section for the failure of that partnership to secure the payment of compensation. The partners
6 shall be severally personally liable, jointly with the partnership, for any compensation or other
7 benefit which may accrue under those chapters in respect to any injury which may occur to any
8 employee of that partnership while it fails to secure the payment as required by those chapters.

13 imprisonment as provided in this section for the failure of that limited partnership to secure the
14 payment of compensation. The general partners shall be severally personally liable, jointly with
15 the limited partnership, for any compensation or other benefit which may accrue under those
16 chapters in respect to any injury which may occur to any employee of that partnership while it
17 fails to secure the payment of compensation as required by those chapters.

18 (e) All criminal actions for any violation of this section shall be prosecuted by the
19 attorney general. The attorney general shall prosecute actions to enforce the payment of penalties
20 and fines at the request of the director. The workers' compensation court shall have jurisdiction
21 over all civil actions filed pursuant to this section.

22 The court shall consider the following factors in assessing a civil penalty: gravity of
23 offense, resources of the employer, effect of the penalty on employees of the company, the reason
24 for the lapse in coverage, and the recommendation of the director. Following a review of the
25 factors set forth above, the court may suspend all or a part of a civil penalty or shall establish a
26 time table for compliance with any court order.

27 (f) (1) As soon as practicable after the director receives notice of noncompliance under
28 this section, the director shall determine whether cause exists for the imposition of a civil penalty.
29 Unless the director determines that the noncompliance was unintentional or the result of a clerical
30 error and subject to the administrative proceedings under subsection (g) of this section, the
31 director shall commence an action in the workers' compensation court to assess a civil penalty
32 against the employer as set forth in subsection (a) of this section and shall refer the matter to the
33 attorney general for prosecution of criminal charges.

34 (2) The director shall bring a civil action in the workers' compensation court to collect all

2 of any of the rules or regulations promulgated by the director, or for the collection of payments in
3 accordance with § 28-37-13, 28-33-17.3(a)(2) or 28-33-17.3(a)(3) or civil penalties under this
4 chapter, shall be prosecuted by any qualified member of the Rhode Island bar whom the director
5 may designate, in the name of the director, and the director is exempt from giving surety for costs
6 in any proceedings.

7 (g) In the case of unintentional noncompliance or noncompliance resulting from clerical
8 error where the uninsured period is less than one year from the date of discovery and there were
9 no employees injured during the uninsured period and the employer has not been subject to any
10 other findings of noncompliance with these chapters, the director shall assess an administrative
11 penalty of not less than the estimated annual workers' compensation insurance premium for that
12 employer and not more than triple that amount. Any party has the right to appeal the orders of the
13 director. Such appeal shall be to the workers' compensation court in the first instance and
14 thereafter from the workers' compensation court to the Rhode Island supreme court in accordance
15 with § 28-35-30.

16 (h) The director shall collect all payments under this chapter under the rules and
17 regulations that may be set forth by the director. All fines collected pursuant to this section shall
18 be deposited to a restricted receipt account to be administered by the director of the department of
19 labor and training in his or her sole discretion to carry out chapters 29 - 38 of this title.

20 (i) (1) In that the operation of a commercial enterprise without the required workers'
21 compensation insurance is a crime and creates a clear and present danger of irreparable harm to
22 employees who are injured while the employer is uninsured, the director shall suspend the
23 operation of the business immediately and until workers' compensation and employers' liability
24 insurance is secured consistent with these chapters. The director shall lift the suspension upon
25 receipt of satisfactory proof of insurance and evidence sufficient to satisfy the director that the
26 employer is in full compliance with these chapters. Any party has the right to appeal the
27 suspension to the workers' compensation court where the matter shall proceed pursuant to the
28 workers' compensation court rules of [practice procedure](#).

29 (2) In the event that the employer shall fail to comply with the director's order of
30 suspension, the director may apply immediately to the workers' compensation court for an order
31 directing the employer to comply with the director's prior orders.

32 (3) Actions filed with the workers' compensation court pursuant to this section shall not
33 be subject to a pretrial conference in accordance with § 28-35-20 but shall be assigned consistent
34 with the workers' compensation court rules of [practice procedure](#).

1 (4) Interest shall accrue on unpaid penalties during the pendency of any appeal at the rate
2 per annum provided in § 9-21-10.

3 (j) These provisions shall take effect upon passage except 28-29-2(6)(iv) which shall
4 take effect on January 1, 2006.

5 SECTION 9. Sections 28-53-2 and 28-53-7 of the General Laws in Chapter 28-53
6 entitled "Rhode Island Uninsured Employers Fund" are hereby amended to read as follows:

7 **28-53-2. Establishment -- Sources -- Administration.** -- (a) There shall be established
8 within the department of labor and training a special restricted receipt account to be known as the

13 revenue funds annually for deposit into the Rhode Island uninsured employers fund.

14 (b) All moneys in the fund shall be mingled and undivided. The fund shall be
15 administered by the director of the department of labor and training or his or her designee, but in
16 no case shall the director incur any liability beyond the amounts paid into and earned by the
17 fund.

18 (c) All amounts owed to the uninsured employers fund from illegally uninsured
19 employers are intended to be excise taxes and as such, all ambiguities and uncertainties are to be
20 resolved in favor of a determination that such assessments are excise taxes.

21 **28-53-7. Payments to employees of uninsured employers.** -- (a) Where it is determined
22 that the employee was injured in the course of employment while working for an employer who
23 fails to maintain a policy of workers' compensation insurance as required by Rhode Island general
24 laws § 28-36-1, et seq., the uninsured employers fund shall pay the benefits to which the injured
25 employee would be entitled pursuant to chapters 29 to 38 of this title subject to the limitations set
26 forth herein.

27 (b) The workers' compensation court shall hear all petitions for payment from the fund
28 pursuant to Rhode Island general laws § 28-30-1, et seq., provided, however, that the uninsured
29 employers fund and the employer shall be named as parties to any petition seeking payment of
30 benefits from the fund.

31 (c) Where an employee is deemed to be entitled to benefits from the uninsured
32 employers fund, the fund shall pay benefits for disability and medical expenses as provided
33 pursuant to chapters 29 to 38 of this title except that the employee shall not be entitled to receive
34 benefits for loss of function and disfigurement pursuant to the provisions of Rhode Island general

1 laws § 28-33-19.

2 (d) The fund shall pay cost, counsel and witness fees as provided in Rhode Island
3 general laws § 28-35-32 to any employee who successfully prosecutes any petitions for
4 compensation, petitions for medical expenses, petitions to amend a pretrial order or memorandum
5 of agreement and all other employee petitions and to employees who successfully defend, in
6 whole or in part, proceedings seeking to reduce or terminate any and all workers' compensation
7 benefits; provided, however, that the attorney's fees awarded to counsel who represent the
8 employee in petitions for lump sum commutation filed pursuant to Rhode Island general laws
9 § 28-33-25 or in the settlement of disputed cases pursuant to Rhode Island general laws § 28-33-
10 25.1 shall be limited to the maximum amount paid to counsel who serve as court appointed
11 attorneys in workers' compensation proceedings as established by rule or order of the Rhode
12 Island supreme court.

13 (e) In the event that the uninsured employer makes payment of any monies to the
14 employee to compensate the employee for lost wages or medical expenses, the fund shall be
15 entitled to a credit for all such monies received by or on behalf of the employee against any future
16 benefits payable directly to the employee.

17 (f) This section shall apply to injuries that occur on or after January 1, ~~2015~~ [2016](#).

18 SECTION 10. Section 36-10-31 of the General Laws in Chapter 36-10 entitled

23 [authorized by the terms of a collective bargaining agreement](#) or as the result of any action for

25 disability of a member shall be offset against and payable in lieu of any benefits payable out of
26 funds provided by the state under the provisions of this chapter on account of the death or
27 disability of the member. If the value of the total commuted benefits under any workers'
28 compensation law or action is less than the present value on an actuarial basis of the benefits
29 otherwise payable under this chapter, the value of the commuted payments shall be deducted
30 from the present value of the benefits and the balance thereof shall be payable under the
31 provisions of this chapter.
