It is enacted by the General Assembly as follows:

1 SECTION 1. Sections 31-27-2 and 31-27-2.1 of the General Laws in Chapter 31-27

4 otherwise operates any vehicle in the state while under the influence of any intoxicating liquor,  
5 drugs, toluene, or any controlled substance as defined in chapter 28 of title 21, or any  
6 combination of these, shall be guilty of a misdemeanor except as provided in subdivision (d)(3)  
7 and shall be punished as provided in subsection (d) of this section.

8 (b) (1) Any person charged under subsection (a) of this section whose blood alcohol  
9 concentration is eight one-hundredths of one percent (.08%) or more by weight as shown by a  
10 chemical analysis of a blood, breath, or urine sample shall be guilty of violating subsection (a) of  
11 this section. This provision shall not preclude a conviction based on other admissible evidence.  
12 Proof of guilt under this section may also be based on evidence that the person charged was under  
13 the influence of intoxicating liquor, drugs, toluene, or any controlled substance defined in chapter  
14 28 of title 21, or any combination of these, to a degree which rendered the person incapable of  
15 safely operating a vehicle. The fact that any person charged with violating this section is or has  
16 been legally entitled to use alcohol or a drug shall not constitute a defense against any charge of  
17 violating this section.

18 (2) Whoever drives or otherwise operates any vehicle in the state with a blood presence  
19 of any scheduled controlled substance as defined within chapter 28 of title 21, as shown by

1 analysis of a blood or urine sample, shall be guilty of a misdemeanor and shall be punished as  
2 provided in subsection (d) of this section.

3 (c) In any criminal prosecution for a violation of subsection (a) of this section, evidence  
4 as to the amount of intoxicating liquor, toluene, or any controlled substance as defined in chapter  
5 28 of title 21, or any combination of these, in the defendant's blood at the time alleged as shown  
6 by a chemical analysis of the defendant's breath, blood, or urine or other bodily substance shall be  
7 admissible and competent, provided that evidence is presented that the following conditions have  
8 been complied with:

9 (1) The defendant has consented to the taking of the test upon which the analysis is  
10 made. Evidence that the defendant had refused to submit to the test shall not be admissible unless  
11 the defendant elects to testify.

12 (2) A true copy of the report of the test result was mailed within seventy-two (72) hours  
13 of the taking of the test to the person submitting to a breath test.

14 (3) Any person submitting to a chemical test of blood, urine, or other body fluids shall  
15 have a true copy of the report of the test result mailed to him or her within thirty (30) days  
16 following the taking of the test.

17 (4) The test was performed according to methods and with equipment approved by the  
18 director of the department of health of the state of Rhode Island and by an authorized individual.

19 (5) Equipment used for the conduct of the tests by means of breath analysis had been  
20 tested for accuracy within thirty (30) days preceding the test by personnel qualified as  
21 hereinbefore provided, and breathalyzer operators shall be qualified and certified by the  
22 department of health within three hundred sixty-five (365) days of the test.

23 (6) The person arrested and charged with operating a motor vehicle while under the  
24 influence of intoxicating liquor, toluene, or any controlled substance as defined in chapter 28 of  
25 title 21, or, any combination of these in violation of subsection (a) of this section was afforded the  
26 opportunity to have an additional chemical test. The officer arresting or so charging the person  
27 shall have informed the person of this right and afforded him or her a reasonable opportunity to  
28 exercise this right, and a notation to this effect is made in the official records of the case in the  
29 police department. Refusal to permit an additional chemical test shall render incompetent and

24 would indicate that the person has demonstrated behavior which warrants the reinstatement of his  
25 or her license.

26 (4) For purposes of determining the period of license suspension, a prior violation shall  
27 constitute any charge brought and sustained under the provisions of this section or section 31-27-

33 (6) In addition to any other fines and highway safety assessments, a two hundred dollar  
34 (\$200) assessment shall be paid by any person found in violation of this section to support the

1 department of health's chemical testing programs outlined in section 31-27-2(4), which shall be  
2 deposited as general revenues, not restricted receipts.

3 (7) No fines, suspensions, assessments, alcohol or drug treatment programs, course on  
4 driving while intoxicated or under the influence of a controlled substance, or public community  
5 restitution provided for under this section, can be suspended.

6 (c) Upon suspending or refusing to issue a license or permit as provided in subsection (a)  
7 of this section, the traffic tribunal or district court shall immediately notify the person involved in  
8 writing, and upon his or her request, within fifteen (15) days shall afford the person an  
9 opportunity for a hearing as early as practical upon receipt of a request in writing. Upon a hearing  
10 the judge may administer oaths and may issue subpoenas for the attendance of witnesses and the  
11 production of relevant books and papers. If the judge finds after the hearing that: (1) the law  
12 enforcement officer making the sworn report had reasonable grounds to believe that the arrested  
13 person had been driving a motor vehicle within this state while under the influence of intoxicating  
14 liquor, toluene, or any controlled substance, as defined in chapter 28 of title 21, or any  
15 combination of these; (2) the person while under arrest refused to submit to the tests upon the  
16 request of a law enforcement officer; (3) the person had been informed of his or her rights in  
17 accordance with section 31-27-3; and (4) the person had been informed of the penalties incurred  
18 as a result of noncompliance with this section; the judge shall sustain the violation. The judge  
19 shall then impose the penalties set forth in subsection (b) of this section. Action by the judge must  
20 be taken within seven (7) days after the hearing, or it shall be presumed that the judge has refused  
21 to issue his or her order of suspension.

22 (d) For the purposes of this section, any test of a sample of blood, breath, or urine for the  
23 presence of alcohol which relies in whole or in part upon the principle of infrared light absorption  
24 is considered a chemical test.

25 (e) If any provision of this section or the application of any provision shall for any  
26 reason be judged invalid, the judgment shall not affect, impair, or invalidate the remainder of the  
27 section, but shall be confined in this effect to the provisions or application directly involved in the  
28 controversy giving rise to the judgment.

29 SECTION 2. This act shall take effect upon passage.
