18 of this duty the person having control of the child shall be fined not exceeding fifty dollars  
19 (\$50.00) for each day or part of a day that the child fails to attend school, and if the total of these

1 days is more than thirty (30) school days during any school year, then the person shall, upon

11 the penalty be incurred.

21 (2) Alternative learning plans shall be developed, and amended if necessary, in  
22 consultation with the pupil, a school guidance counselor, the school principal and at least one  
23 parent or guardian of the pupil, and submitted to the superintendent for approval.

24 (3) If the superintendent does not approve the alternative learning plan, the parent or  
25 guardian of the pupil may appeal such decision to the school committee. A parent or guardian  
26 may appeal the decision of the school committee to the commissioner of education pursuant to

29 of teachers and other school employees to collectively bargain pursuant to chapters 9.3 and 9.4 of  
30 title 28 or to allow any school committee to abrogate any agreement reached by collective  
31 bargaining.

32 (d) No school shall use a student's truancy or absenteeism as the sole basis for using an
