STATE OF RHODE ISLAND

IN GENERAL ASSEMBLY

JANUARY SESSION, A.D. 2016

—————  
A N A C T

RELATING TO TAXATION -- LEVY AND ASSESSMENT OF LOCAL TAXES

Introduced By: Senators Walaska, Felag, McCaffrey, Lynch, and Lombardo

Date Introduced: January 13, 2016

Referred To: Senate Housing & Municipal Government

It is enacted by the General Assembly as follows:

1 SECTION 1. Sections 44-5-11.5 and 44-5-11.6 of the General Laws in Chapter 44-5  
2 entitled "Levy and Assessment of Local Taxes" are hereby amended to read as follows:

3 **44-5-11.5. Legislative findings -- Revaluation cycle. --** It is found and declared that:

4 (1) Rhode Island property taxes continue to play a significant role in the financing of  
5 local educational and municipal services. The general assembly recognizes that the way the  
6 property tax is assessed, levied and collected can be improved to provide ~~more reliable and up-to-~~  
7 ~~date~~ maximum efficiencies and cost savings while maintaining reliable property values in each of  
8 the cities and towns.

9 (2) ~~The state's ten (10) year property revaluation cycle is the longest revaluation cycle in~~  
10 ~~the country. Infrequent revaluations translate into disparities in property tax burden between types~~  
11 ~~and classes of property within and among cities and towns. In addition, because each city and~~  
12 ~~town represents multiple systems and procedures for administering the property tax, there is an~~  
13 ~~inconsistent administration of property tax law and regulations.~~

14 (3) It is the intent of the general assembly to ensure that all taxpayers in Rhode Island are  
15 treated equitably. ~~The more frequent the revaluation, the greater the equity within and among~~  
16 ~~jurisdictions.~~ Ensuring that taxpayers are treated fairly begins with modernizing the  
17 administration of the property tax that ensures:

18 (i) Up-to-date property values are maintained through ~~more frequent~~ property  
19 revaluations;

1 (ii) Cities and towns meet defined standards related to performing updates of property  
2 values;

3 (iii) The state shares in the cost of performing updates of property values in the cities and  
4 towns;

5 (iv) A meaningful and effective method of ensuring that cities and towns comply with  
6 the ~~nine (9)~~ fifteen (15) year revaluation cycle and the updates of property values are developed;

7 (v) Procedures for administering the property tax are standardized -- such as general  
8 reporting and classification systems;

9 (vi) Assessors and contracted property revaluation companies meet appropriate  
10 qualifications and standards; and

11 (vii) Intergovernmental cooperation in the administration of the property tax is  
12 maximized.

13 (4) With these findings in mind, it is the intent of the general assembly to institute a  
14 revaluation cycle where every city or town conducts ~~a revaluation within nine (9)~~ two (2) updates  
15 every five (5) years of the date of the prior revaluation and shall conduct ~~an update~~ a revaluation  
16 of real property every three (3) within five (5) years from the date of the last revaluation update.  
17 Nothing contained within this section shall prohibit a city or town from conducting more frequent  
18 updates or revaluations.

19 **44-5-11.6. Assessment of valuations -- Apportionment of levies.** -- (a) Notwithstanding  
20 the provisions of § 44-5-11 [repealed] beginning on December 31, 2000, the assessors in the  
21 several towns and cities shall conduct an update as defined in this section or shall assess all  
22 valuations and apportion the levy of all taxes legally ordered under the rules and regulations, not  
23 repugnant to law, as the town meetings and city councils, respectively, shall, from time to time,  
24 prescribe; provided, that the update or valuation is performed in accordance with the following

1 [section.](#)

2 (b) No later than February 1, 1998, the director of the department of revenue shall

31 (f) No city or town is required to conduct an update pursuant to this section unless the  
32 state has appropriated sufficient funds to cover the state's costs as identified in subsection (c) of

2 the same amount of state aid under §§ 45-13-1, 45-13-5.1, and 45-13-12 in the budget year for

3 update of real property would not commence prior to the completion of all previously scheduled  
4 revaluations. It would also increase the time interval between revaluations from nine (9) years to  
5 fifteen (15) years and would require the department of revenue to publish annually, a fifteen (15)  
6 year schedule of updates and revaluations to assist the cities and towns with compliance of these  
7 requirements.

8           This act would take effect upon passage.
