RELATING TO LIBRARIES

\*\*\*

1           This act would place the office of library and information services under the direction of  
2 a chief library officer rather than a chief information officer. It would place the position of chief  
3 library officer in the classified service with a salary established in accordance with the terms of  
4 the pay plan for classified employees. It would delete references to the "department of state  
5 library services" and replace them with "office of library and information services". It would also  
6 delete the position of chief information officer.

7           This act would take effect upon passage.
