LC01786

STATE OF RHODE ISLAND

IN GENERAL ASSEMBLY

JANUARY SESSION, A.D. 2010

A N A C T

RELATING TO HEALTH AND SAFETY -- MEDICAL EXAMINERS

Introduced By: Senators Jabour, Metts, Pichardo, and Crowley

Date Introduced: February 11, 2010

Referred To: Senate Health & Human Services

It is enacted by the General Assembly as follows:

1 SECTION 1. Section 23-4-3 of the General Laws in Chapter 23-4 entitled "Office of
2 State Medical Examiners" is hereby amended to read as follows:

3 **23-4-3. Functions.** -- The office of state medical examiners shall be responsible for:

4 (a)(1) The investigation of deaths within the state that in its judgment might reasonably
5 be expected to involve causes of death enumerated in this chapter;

6 (2) For the conduct of inquests when requested by the attorney general;

7 (3) For the performance of autopsies, including the retention, examination and
8 appropriate disposal of tissue, when appropriate, for deaths which in its judgment might
9 reasonably be expected to involve causes of deaths enumerated in this chapter;

10 (4) For the written determination of the causes of death investigated pursuant to this
11 chapter;

12 (5) For the presentation to the courts of Rhode Island of expert testimony relating to the
13 cause of death;

14 (6) For the keeping of complete records, including names, places, circumstances, and
15 causes of deaths, of deaths investigated and reported, copies of which shall be delivered to the
16 attorney general and of which written determinations of causes of death shall be made available
17 for public inspection;

18 (7) For the burial of bodies for which there is no other existing legal responsibility to do
19 so; and

1 (8) For the development and enforcement of procedures for the pronouncement of death
2 and for the transplantation of organs from bodies of persons who have died within the state.

3 (b)(1) For the multi-disciplinary review of child fatalities with the goal to decrease the
4 prevalence of preventable child deaths and report recommendations for community intervention
5 strategies; and

6 (2) For convening a child death review team including, but not limited to, representation
7 from state agencies, health care, child welfare, and law enforcement.
