STATE OF RHODE ISLAND

IN GENERAL ASSEMBLY

JANUARY SESSION, A.D. 2020

—————
A N A C T

RELATING TO ELECTIONS - SECRETARY OF STATE

Introduced By: Senator Cynthia Armour Coyne

Date Introduced: March 12, 2020

Referred To: Senate Judiciary

(Secretary of State)

It is enacted by the General Assembly as follows:

1 SECTION 1. Section 17-6-1 of the General Laws in Chapter 17-6 entitled "Secretary of
2 State" is hereby amended to read as follows:

3 **17-6-1. General powers and duties.**

4 (a) The secretary of state shall have those functions, powers, and duties relating to elections
5 that may be provided by this title or any other law not inconsistent with this chapter. The secretary
6 of state shall maintain a central roster of all elected and appointed officers of the state, including
7 for each officer the nature of the officer's tenure and the date of expiration of the officer's term of
8 office. The secretary of state shall maintain a central register of all persons registered to vote in the
9 several cities and towns and shall add, amend, delete, and cancel any names appearing on the
10 register as certified to the secretary by the several local boards and by the state board.

11 (b) The secretary of state may compile and publish a complete edition of the election law
12 that the secretary shall make available to all election officials and candidates upon request and
13 without charge. The secretary of state shall receive and file certificates of election results as
14 provided by this title.

15 (c) Notwithstanding any provisions of the general laws to the contrary, the office of the
16 secretary of state shall have the authority to submit and approve the specifications used by the
17 department of administration in procuring voting systems, voting system-related services, and
18 accessible voting equipment on behalf of the state.

19 (d) The secretary of state, with the assistance of the board of elections shall conduct a

1 cybersecurity assessment of election systems and facilities. The cybersecurity assessment shall
2 include an assessment of the voter registration system, voting equipment, mechanisms to transmit
3 election results, electronic poll books, and security of facilities.

4 SECTION 2. Chapter 17-6 of the General Laws entitled "Secretary of State" is hereby
5 amended by adding thereto the following sections:

6 **17-6-1.4. Election systems cybersecurity review board.**

7 (a) The secretary of state shall establish an election systems cybersecurity review board.
8 The review board shall be comprised of the secretary of state, or designee, executive director of the
9 board of elections, or designee, executive director of the Rhode Island League of Cities and Towns,
10 or designee, a representative from the Rhode Island National Guard, a representative from the
11 Rhode Island state police, and a representative from the Rhode Island division of information
12 technology.

13 (b) The secretary of state, or designee, shall serve as chairperson of the review board.

14 (c) It shall be the duty of the election systems cybersecurity review board to review the
15 assessments conducted by the board of elections and department of state and also to procure a third-
16 party assessment of the elections systems. The review board will provide a security analysis of the
17 election systems and election facilities and shall issue a report based on its assessment with any
18 recommendations to improve the cybersecurity of the elections systems and election facilities.

19 (d) The secretary of state shall adopt rules and regulations defining classes of protected
20 election data and establish best practices for identifying and reducing risk to the electronic use,
21 storage, and transmission of election data and the security of election systems.

22 (e) The cybersecurity review board shall issue a report no later than two (2) months prior
23 to a statewide primary election provided in § 17-15-1.

24 **17-6-14. Cybersecurity training for local boards of canvassers.**

25 The secretary of state shall offer training annually regarding cybersecurity best practices
26 to local boards of canvassers.

27 SECTION 3. Chapter 42-7 of the General Laws entitled "State Affairs and Government"
28 is hereby amended by adding thereto the following section:

29 **42-7-9. Cybersecurity incident response group.**

30 (a) The governor shall establish a cybersecurity incident response group, which shall
31 include the superintendent of the Rhode Island state police, or designee, adjutant general of the
32 Rhode Island National Guard, or designee, director of the Rhode Island division of information
33 technology, or designee, director of the Rhode Island emergency management agency, or designee,
34 and the secretary of state, or designee.

1 (b) The cybersecurity incident response group shall:
2 (1) Establish communication protocols in the event of a breach of cybersecurity in any
3 agency or public body. The protocols shall include, but not be limited to:
4 (i) A list of potential cybersecurity breaches that would require reporting;
5 (ii) State and local entities covered within the communication plan;
6 (iii) Mechanisms to communicate a cybersecurity breach; and
7 (iv) Primary contact at each agency or public body.
8 (c) The cybersecurity incident response group shall also establish long-term policy
9 planning and goals for the state regarding evolving cybersecurity threats and how to address them
10 in a coordinated manner.

11 SECTION 4. This act shall take effect upon passage.
